What works? This book answers that question by shining a light on the biblical design for marriage. In a world of sexual and relational confusion, isn't it time to consult the One who created

marriage? Author and pastor Chip Ingram, with his characteristic compassion, transparency, and engaging storytelling, discusses - what marriage really is - the biblical model - a man's unique role in marriage - a woman's unique role in marriage - the bigger picture of why God created marriage A marriage that works, says Ingram, is more wonderful than you thought possible and harder than you imagined--but worth the work. Couples will learn the power of making a covenant with their spouse and fulfilling their design in an atmosphere of respect, resulting in the spiritual, psychological, emotional, and physical oneness they long to have with each other.

**All About Love** - bell hooks  
2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. “The word ‘love’ is most often defined as a noun, yet we would all love better if we used it as a verb,” writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most

provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

### **Single, Married, Separated and Life after Divorce -**

Myles Munroe 2005-01-28

Single, Married, Separated, &

Life After Divorce, Expanded Edition (2003) Singleness is a myth. To be single means to be all one (alone), separate, unique and whole. MARRIAGE is when two separate, unique and whole persons, one male and one female, make a covenant to exchange vows, committing their lives to remain together until death. Separation is an unofficial divorce with the exact same effect as divorce. It is the most tragic state of limbo. Divorce means to desert. The armed forces prosecute deserters. God has made no provision for divorce in the Bible. If you are invited to a wedding, you are a covenant witness, and if this couple later divorces, you should be invited to the divorce just as you were to the wedding.

Just when the clamor over "traditional" marriage couldn't get any louder, along comes this groundbreaking book to ask, "What tradition?" In Marriage, a History, historian and marriage expert Stephanie Coontz takes readers from the

marital intrigues of ancient Babylon to the torments of Victorian lovers to demonstrate how recent the idea of marrying for love is—and how absurd it would have seemed to most of our ancestors. It was when marriage moved into the emotional sphere in the nineteenth century, she argues, that it suffered as an institution just as it began to thrive as a personal relationship. This enlightening and hugely entertaining book brings intelligence, perspective, and wit to today's marital debate.

Frederick 2018-04-17

Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce*

Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.
