Maine Coon Cats. Maine Coon Cat Owners Manual. Maine Coon Cats Care, Personality, Grooming, Health, Training, Costs and Feeding All Included. - Elliott Lang 2015-08-03

Everything you need to know about keeping the Maine Coon cat as a pet. Maine Coon cats make very good pets. Not only is the Maine Coon cat beautiful but also very adorable. You will never feel bored when living with a Maine Coon cat. It is a playful cat that keeps you engaged all the time. The Maine Coon is particularly good with children with who it develops a very strong bond

because of its playful nature. Furthermore, this cat is very receptive to training. This book is a must have guide for anybody passionate about Maine Coon cats. Maine Coon cats care, personality, grooming, health, training, costs and feeding all included. The book is written in an easy to read and understandable style. In a straight forward, no nonsense fashion, Elliott Lang covers all aspects of keeping Maine Coon cats as pets. Elliott Lang says: I have always been in the company of animals. My family has always been hands on with the pets in our household. Whether it was bathing, feeding or taking care of our animals, my family ensured that the animals got the best of everything. These animals were the centre of all our activities. There was not a single day that did not begin with a discussion about our pets. What to feed them? How to take care of a cat or dog that is ailing? What is the most nutritious thing to feed them? These were common dinner table conversations while I was growing up. So,

needless to say, I have had a lot of practical training with respect to taking care of different breeds of animals. Today, I am in a very privileged place where I can share this information with pet lovers across the globe. I would never have been able to provide you with so much comprehensive information without the knowledge that I gained from my father, my family and of course my beloved cats.

A Cat's Tale - Dr. Paul Koudounaris 2020-11-10

"Fun, fanciful, and even informative." —People
The first comprehensive history of felines—from the laps of pagan gods to present-day status as meme stars—as revealed by a very learned tabby with a knack for hunting down facts Since the dawn of civilization, felines have prowled alongside mankind as they expanded their territory and spread the myth of human greatness. And today, cats are peddled on social media as silly creatures here to amuse humans with their antics. But this is an absurd, self-centered fantasy. The true history of felines is

one of heroism, love, tragedy, sacrifice, and gravitas. Not entirely convinced? Well, get ready, because Baba the Cat is here to set the record straight. Spanning almost every continent and thousands—yes, thousands—of years, Baba's complex story of feline survival presents readers with a diverse cast of cats long forgotten: from her prehistoric feline ancestors and the ancient Egyptian cat goddess Bastet to the daring mariners at the height of oceanic discovery, key intellectuals in the Enlightenment period, revered heroes from World Wars I and II, and the infamous American tabbies. Baba, a talented model in addition to a scholar, goes beyond surface-level scratches, pairing her freshly unearthed research with a series of stunning costume portraits to bring history to life. A paws-on journey through the feline hall of fame, with in-depth research and four-legged testaments that will make you rethink who defines history, A Cat's Tale is a one-of-a-kind chronicle that introduces readers to the

illustrious ancestors of their closest companions and shows, once and for all, that cats know exactly what they're doing.

Cat Sense - John Bradshaw 2013-09-10

Cats have been popular household pets for thousands of years, and their numbers only continue to rise. Today there are three cats for every dog on the planet, and yet cats remain more mysterious, even to their most adoring owners. Unlike dogs, cats evolved as solitary hunters, and, while many have learned to live alongside humans and even feel affection for us, they still don't quite "get us" the way dogs do, and perhaps they never will. But cats have rich emotional lives that we need to respect and understand if they are to thrive in our company. In *Cat Sense*, renowned anthrozoologist John Bradshaw takes us further into the mind of the domestic cat than ever before, using cutting-edge scientific research to dispel the myths and explain the true nature of our feline friends. Tracing the cat's evolution from lone predator to

domesticated companion, Bradshaw shows that although cats and humans have been living together for at least eight thousand years, cats remain independent, predatory, and wary of contact with their own kind, qualities that often clash with our modern lifestyles. Cats still have three out of four paws firmly planted in the wild, and within only a few generations can easily revert back to the independent way of life that was the exclusive preserve of their predecessors some 10,000 years ago. Cats are astonishingly flexible, and given the right environment they can adapt to a life of domesticity with their owners—but to continue do so, they will increasingly need our help. If we're to live in harmony with our cats, Bradshaw explains, we first need to understand their inherited quirks: understanding their body language, keeping their environments—however small—sufficiently interesting, and becoming more proactive in managing both their natural hunting instincts and their relationships with other cats. A must-

read for any cat lover, Cat Sense offers humane, penetrating insights about the domestic cat that challenge our most basic assumptions and promise to dramatically improve our pets' lives—and ours.

Balinese Cat Owner's Manual. Balinese Cat Facts and Information. Care, Personality, Grooming, Health and Feeding All Included. - Elliott Lang 2014-05-28

Everything you need to know about keeping a Balinese cat as a pet. This is another very informative book by Elliott Lang. As an animal lover, he enjoys writing animal books and advising others how to take care for their animals to give them a happy home. This book is a must have guide for anybody passionate about Balinese cats. Balinese Cats Facts and Information. Care, personality, grooming, health and feeding all included. The book is written in an easy to read and understandable style. In a straight forward, no nonsense fashion, Elliott Lang covers all aspects of keeping Balinese cats

as pets. Elliott Lang says: I have always been in the company of animals. That is the one thing I am most thankful for. My lovely pets have always been around to provide unconditional affection and love when I needed it the most. My father was instrumental in making me grow fond of animals. He always kept me around animals. I guess he was trying to help me learn how to be tolerant and loving from these amazing creatures. Trust me, some of the biggest life lessons that I have gained have come from these beautiful creatures. My family, too, has always been hands on with the pets in the household. Whether it was bathing, feeding or taking care of these animals, my family relied on pure instincts and ensured that the animals go the best of everything. These animals were the centre of all our activities. There was not a single day that did not begin with a discussion about these pets. What to feed them? How to take care of a cat or dog that is ailing? What is the most nutritious thing to feed them? These

were common dinner table conversations while I was growing up. So, needless to say, I have had a lot of practical training with respect to taking care of different breeds of animals. Sometimes, I learnt from my family and sometimes, your pet will just tell you what he or she needs. Today, I am in a very privileged place where I can share this information with pet lovers across the globe. I would have never been able to provide you with so much comprehensive information without the knowledge that I gained from my father, my family and of course my beloved cats.

-

Savannah Cats and Kittens - Taylor David
2013-10-06

Everything you need to know about Savannah Cats and their dog-like characteristics. Guaranteed to answer all your questions, this book is a must for anyone curious about this new

breed of domestic hybrid cat and its roots from the African Serval Cat. Personality, temperament, breeding, training, health, diet, life expectancy, buying, cost, and more facts all included. A list of where these cats are legal is also provided - as well as toxic plants that you should watch out for. Differences between the Savannah Cat and other "wild" breeds of cats such as the Egyptian Mau, Bengal Cat, and discussions of early generation Savannahs and later generation Savannahs are also explained. This book is written in an easy to read and understandable style. In a humorous fashion, cat-lover and long time owner Taylor David shares knowledge and advice to answer all your questions about these fascinating cats.

Ultimate Cat: A Complete Guide to Breeds and Hybrids - Leigh-Ann Andersen 2016-07-31

The numerous cat breeds are both varied and mysterious. Most have tails, some do not. Some have curled ears, some have huge ears. Some have long hair, some have short, and some have

no hair at all. Some have hair, but it's really no more than a little peach fuzz. But there are more just than just physical differences between the breeds. Their personalities are just as vibrant, and each breed is not quite like the others. Some are chatty and friendly, others are aloof and circumspect. Some spend their days climbing door frames, others would rather lie about in the sun. These differences are fascinating to behold and helpful to all those interested in sharing their home with a cat. Found here are more than sixty of the most common breeds and hybrids from around the world.

Shih Poo. ShihPoo Complete Owner's Manual. Shih Poo Temperament, Care, Costs, Feeding, Health, Grooming and Training All Included. - Elliott Lang 2014-04

Everything you need to know about keeping a Shih Poo as a pet. This small dog is a crossbreed with both poodle and shih tzu ancestry and they make a great pet. Before purchasing a Shih Poo, there are quite a few things to learn. To make

sure that the Shih Poo is going to be a good fit for you, consider all of the factors that go into making the Shih Poo the dog it is before you decide to bring one home. This is another very informative book by Elliott Lang. As an animal lover, he enjoys writing animal books and advising others how to take care for their animals to give them a happy home. Shih poo temperament, care, costs, feeding, health, training, where to buy all included. This book is a must have guide for anybody passionate about a Shih Poo. The book is written in an easy to read and understandable style. In a straight forward, no nonsense fashion, Elliott Lang covers all aspects of keeping a Shih Poo as a pet. *The Complete Guide to the Shih-Poo* - Vanessa Richie 2021-02-19

The Complete Guide to the Shih-Poo is a comprehensive guide that will help new owners navigate the in's and out's of owning this unique and wonderful cross-breed. Be prepared for everything you'll encounter throughout your

Shih-Poo's life, from their first car ride home all the way until their senior years. We cover topics such as: Which training methods are most effective for my Shih-Poo? How do I select the right Shih-Poo breeder or rescue? What do I need to do to puppy-proof my home? Easily one of the most endearing dogs around, the Shih-Poo is a mix of the ancient, adorable Shih Tzu and the popular, friendly Toy Poodle. One look at this charming little dog, and you'll understand why it is called a "teddy bear dog." The combination of the two small breeds results in a friendly, loyal little pup that is just as happy doing tricks as he is cuddling up with you while you watch TV. The Complete Guide to the Shih-Poo covers all of the information essential to owning a Shih-Poo, including: The history of the Shih-Poo Shih-Poo Temperament and Personality Rescuing a Shih-Poo Preparing your home for a small dog The costs of owning a Shih-Poo House-training your Shih-Poo Shih-Poos in the multi-pet household The most effective training methods for your

Shih-Poo Tips for traveling with your sweet Shih-Poo Proper grooming techniques for the Shih-Poo coat Shih-Poo-specific health and wellness information for all stages Shih-Poos definitely have plenty of energy, but they are so small, that you can easily work off that energy without having to tire yourself out. Their size does mean they aren't a great breed to choose if you are looking for a dog to take on a long jog, and they will be happy to go hiking, camping, or just spending time exploring outside. Despite their appearance, they are a sturdy breed. However, you will still need to monitor younger children interacting with them to make sure the kids are careful, but they are a good fit for every kind of family. Odds are good that your dog is going to be an intelligent dog that could get bored easily. This means that you need to not only make sure you help your Shih-Poo gets enough exercise, but that he also gets adequate mental stimulation. As long as you are firm and consistent - and don't allow him to get away

with anything because of that adorable look – a Shih-Poo can do a lot more than just the basics. If you want a dog that can do a whole series of tricks, the Shih-Poo fits the bill. Grooming can take a bit of time because a Shih-Poo requires regular bathing and brushing. Fortunately, given its small stature, this won't be terribly time consuming. The face and ears require additional attention to keep them clean and stain free. Although the Shih-Poo is a designer breed (meaning they are too new to have a standard), the average lifespan is between 10 and 15 years. If you want an adorable, relatively easy-going dog, the Shih-Poo could be a perfect solution for your home.

The Humane Society of the United States

Complete Guide to Cat Care - Wendy Christensen 2014-04-08

Building a lifelong, loving relationship with a cat can be a challenging task. Whether you're thinking of adopting a cat or already live with one, The Humane Society of the United States

Complete Guide to Cat Care offers authoritative and practical advice that will help you make the best decisions for your pet along the way. This comprehensive guide includes sections on choosing a healthy cat or kitten, feeding and nutrition, training, grooming, disease, vet visits, caring for an aging cat, feline first-aid kits and emergency care. Unlike other books that endorse breeding and promote novelty or purebred cats, The Humane Society's Guide to Cat Care stresses making life better for the millions of cats already here. It provides information on rescuing and rehabilitating homeless cats, finding a stray's owner, and helping an outdoor cat make the transition to a safe indoor environment. The guide also encourages animal advocacy and offers a list of ways to get involved.

The Everything Book of Cats and Kittens - DK 2018-06-12

A magical book about cats and kittens for young readers to treasure. A perfect book for any child

interested in cats and kittens, this is a friendly introduction to the world of cat breeds and kitten behavior. Children will learn all about their favorite cat breeds, such as the Ragdoll or Persian, and how baby kittens learn through play. Colorful images, fun facts, and bite-size chunks of information make this a must for kids with a passion for cats.

The Complete Guide to Holistic Cat Care - Celeste Yarnall 2009-09-01

Celeste Yarnall's time-tested natural and holistic expertise gives cat owners insight into natural alternatives in food, medication, alternative therapies, and healing practices, improving the lives of feline friends and well as their caregivers. With Dr. Jean Hofve, the esteemed holistic veterinarian, she explores nutrition as preventative medicine, vitamin and mineral supplements, herbal remedies, homeopathic treatments, and groundbreaking anti-aging modalities never before published in a pet care guide. *The Complete Guide to Holistic Cat Care*

also includes a complete bibliography and a list of suppliers of holistic remedies and services. As with all other pet health guides, it is a comprehensive resource intended to complement veterinary care, not replace it.

About cats - Nicolae Sfetcu 2014-04-29

A guide for the cat lovers about the cat behavior, cat attractants, cat breeds, cat health and food, type of cats, cats as pets, fictional cats, films about cats, historical cats. A book full with pictures of the most important cat breeds, tips and advice for cat behavior, cat diseases and how to take care of the cats. The cat, also called the domestic cat or house cat, is a small feline carnivorous mammal of the subspecies *Felis silvestris catus*. Its most immediate pre-domestication ancestor is the African wild cat, *Felis silvestris lybica*. The cat has been living in close association with humans for at least 3,500 years; the Ancient Egyptians routinely used cats to keep mice and other rodents (mostly rats) away from their grain (and also believed that

cats were sacred to the goddess Bastet). The history of the domestic cat may stretch back even further, as 8,000-year-old bones of humans and cats were found buried together on the island of Cyprus.

Veterinary Medical Guide to Dog and Cat Breeds
- Jerold Bell 2012-02-01

This book provides the veterinary practitioner, student, breeder and pet owner with a complete but quick reference to the diagnosis and management of breed-related medical conditions of dogs and cats. 171 recognized dog breeds and 42 cat breeds are included, organized alphabetically, with all information fully referenced and based on the most recent research. Appendices contain quick reference to condition by breed, available genetic tests and registries. *Veterinary Medical Guide to Dog and Cat Breeds* is a must have for the general practitioner and an ideal client education tool. Anyone concerned with educating the general public about the medical problems associated

with purebred dogs and cats should have this title in their library.

Tiny But Mighty - Hannah Shaw 2019-08-06
A New York Times Bestseller #1 National Bestseller Indie Bestseller From Kitten Lady, the professional kitten rescuer, humane educator, animal advocate, and owner of the popular Instagram @kittenxlady comes the definitive book on saving the most vulnerable—and adorable—feline population: newborn kittens. Hannah Shaw, better known as Kitten Lady, has dedicated her life to saving the tiniest felines, but one doesn't have to be a professional kitten rescuer to change—and save—lives. In *Tiny but*

Mighty, Hannah not only outlines the dangers newborn kittens face and how she combats them, but how you can help every step of the way, from fighting feline overpopulation on the streets to fostering unweaned kittens, from combating illness to combating compassion fatigue, from finding a vet to finding the purrfect forever home. Filled with information on animal welfare, instructional guides, and personal rescue stories of kittens like Chloe, Tidbit, Hank, and Badger—not to mention hundreds of adorable kitten photos—*Tiny but Mighty* is the must-have kitten book for cat lovers, current-and-future rescuers, foster parents, activists, and advocates.

Total Cat Mojo - Jackson Galaxy 2017-10-31
This comprehensive cat care guide from the star of the hit Animal Planet show "My Cat from Hell," Jackson Galaxy, shows us how to eliminate feline behavioral problems by understanding cats' instinctive behavior. *Cat Mojo* is the confidence that cats exhibit when they are at

ease in their environment and in touch with their natural instincts—to hunt, catch, kill, eat, groom, and sleep. Problems such as litter box avoidance and aggression arise when cats lack this confidence. Jackson Galaxy's number one piece of advice to his clients is to help their cats harness their mojo. This book is his most comprehensive guide yet to cat behavior and basic cat care, rooted in understanding cats better. From getting kittens off to the right start socially, to taking care of cats in their senior years, and everything in between, this book addresses the head-to-toe physical and emotional needs of cats—whether related to grooming, nutrition, play, or stress-free trips to the vet.

[A General History of Quadrupeds](#) - Ralph Beilby
1792

[Reflexology for Cats](#) - Jackie Segers 2007
Reflexology uses specific touch techniques on points on the feet, hands and outer ears that

There was not a single day

that did not begin with a discussion about our pets. What to feed them? How to take care of a cat or dog that is ailing? What is the most nutritious thing to feed them? These were common dinner table conversations while I was growing up. So, needless to say, I have had a lot of practical training with respect to taking care of different breeds of animals. Sometimes, I learnt from my family and sometimes, your pet will just tell you what he or she needs. Today, I am in a very privileged place where I can share

this information with pet lovers across the globe. I would have never been able to provide you with so much comprehensive information without the knowledge that I gained from my father, my family and of course my beloved cats. *House Rules* - Chloe Neill 2016-01-05 Merit, a vampire, and Ethan Sullivan, her Master, try to find out who is causing Chicago vampires to disappear, until they discover clues that seem to point to a trusted associate.
