*Siegel's Corporations* - Brian N. Siegel 2012-03-06

A proven resource for high performance, the Siegel's series keeps you focused on the only thing that matters - the exam. The Siegel's series relies on a powerful Q&A format, featuring multiple-choice questions at varying levels of difficulty, as well as essay questions to give you practice issue-spotting and analyzing the law. Answers to multiple-choice questions explain why one choice is correct as well as why the other choices are wrong, to ensure complete understanding. An entire chapter is devoted to teaching you how to prepare effectively for essay exams. The chapter provides instruction, advice, and exam-taking tips that help you make the most of your study time. A wonderful resource for practice in answering the types of questions your professor will ask on your exam, the Siegel's Series will prove valuable in the days or weeks leading up to your final. Features: Exposing you to the types of questions your professor will ask on the exam, Siegel's will prove valuable in the days or weeks leading up to your final. A great number of questions at the appropriate level of difficulty—20 to 30 essay Q&As and 90 to 100 multiple-choice Q&As—provide opportunity for you to practice spotting issues as you apply your knowledge of the law. Essay questions give you solid practice writing concise essay answers, and the model answers allow you to check your work. An entire chapter is devoted to preparing for essay exams. In checking your answers to multiple-choice questions, you can figure out where you may have erred: Answers explain why one choice is correct and the other choices are wrong. To help you learn to make the most of your study time, the introductory chapter gives instruction, advice, and tips for preparing for and taking essay exams . The table of contents helps you prepare for exams by clearly outlining the topics tested in each Essay question. In addition, you can locate questions covering topics you're having difficulty with by checking the index. Revised by law school professors, the Siegel's Series is updated on a regular basis.

**Powerful Teaching** - Pooja K. Agarwal 2019-05-13

Unleash powerful teaching and the science of learning in your classroom Powerful Teaching: Unleash the Science of Learning empowers educators to harness rigorous research on how students learn and unleash it in their classrooms. In this book, cognitive scientist Pooja K. Agarwal, Ph.D., and veteran K-12 teacher Patrice M. Bain, Ed.S., decipher cognitive science research and illustrate ways to successfully apply the science of learning in classrooms settings. This practical resource is filled with evidence-based strategies that are easily implemented in less than a minute—without additional prepping, grading, or funding! Research demonstrates that these powerful strategies raise student achievement by a letter grade or more; boost learning for diverse students, grade levels, and subject areas; and enhance students' higher order learning and transfer of knowledge beyond the classroom. Drawing on a fifteen-year scientist-teacher collaboration, more than 100 years of research on learning, and rich experiences from educators in K-12 and higher education, the authors present highly accessible step-by-step guidance on how to transform teaching with four essential strategies: Retrieval practice, spacing, interleaving, and feedback-driven metacognition. With Powerful Teaching, you will: Develop a deep understanding of powerful teaching strategies based on the science of learning Gain insight from real-world examples of how evidence-based strategies are being implemented in a variety of academic settings Think critically about your current teaching practices from a research-based perspective Develop tools to share the science of learning with students and parents, ensuring success inside and outside the classroom Powerful Teaching: Unleash the Science of Learning is an indispensable resource for educators who want to take their instruction to the next level. Equipped with scientific knowledge and evidence-based tools, turn your teaching into powerful teaching and unleash student learning in your classroom.
