An Idiot Abroad - Karl Pilkington 2010-09-03 Presenting the Travel Diaries of Karl Pilkington: Adventurer. Philosopher. Knob head. Karl Pilkington isn't keen on travelling. Given the choice, he'll go on holiday to Devon or Wales or, at a push, eat English food on a package holiday in Majorca. Which isn't exactly Michael Palin, is it? So what

happened when he was convinced by Ricky Gervais and Stephen Merchant to go on an epic adventure to see the Seven Wonders of the World? Travel broadens the mind, right? You'd think so...

Off Track Planet's Travel Guide for the Young, Sexy, and Broke - Editors of Off Track Planet, 2013-05-14

The VERY Embarrassing Book of Dad Jokes - Ian Allen
2013-08-08

Why did the banana go to the doctors? Because he wasn't peeling very well! Proving the age-old maxim that 'it's in the way that you tell them', Dads - for the best part of forever - have always been renowned for being truly god-awful joke tellers. Whether it's telling them at the wrong moment, misremembering the punchline or it just simply being one of those jokes that were terrible to begin with, Dads are an embarrassment to the whole family when it comes to trying to tell jokes. The VERY Embarrassing Book of Dad Jokes is full to the brim with jokes that only your dear old Dad would dare say - jokes that will make you groan, sigh ... and then probably make you

groan again. Dads take great pleasure in these kinds of jokes and some of them are so rubbish they actually blossom into proper rib-ticklers - but don't tell your dad that, it'll only encourage him!

I Could Pee on This -

Francesco Marciuliano

2012-08-03

Animal lovers will laugh out loud at the quirkiness of their feline friends with these insightful and curious poems from the singular minds of funny cats. In this hilarious, bestselling book of tongue-in-cheek poetry. The author of the internationally syndicated comic strip Sally Forth helps cats unlock their creative potential and explain their odd behavior to ignorant humans. With titles like "Who Is That on Your Lap?," "This Is My Chair," "Kneel Before Me," "Nudge," and "Some of My Best Friends Are Dogs," the poems collected in *I Could Pee on This* perfectly capture the inner workings of the cat psyche. With photos of the cat "authors" throughout, this whimsical animal book reveals kitties at their wackiest, and most exasperating (but always

lovable). Ideal for that "crazy cat lady" or "cat mom/dad" in your life this collection of poems makes for the perfect cat-themed gift for anyone who's obsessed with our feline friends.

No Baloney - Frank Maloney

2012-02-24

From the streets of Peckham to the neon-lit strip of Las Vegas, Frank Maloney's life has been a roller-coaster ride that even he finds hard to believe at times. The Cockney-born son of Irish parents, who once harboured thoughts of becoming a priest, instead went on to manage Lennox Lewis for 12 years and help him become the undisputed heavyweight champion of the world. In *No Baloney*, Frank lifts the lid on the world of big-time boxing and its household names, and gives a remarkable account of his time with Lewis, revealing stories and offering opinions that can only come from a true insider. He also gives an insight into the way money, sex, drugs, politics, bribery and corruption have played their part in the sport. But Maloney's

story is not just about boxing. It is also about one of life's characters, whose colourful story is told with a brand of humour and emotion that makes it compelling reading. Before settling on a career in boxing, he tried his hand at being a jockey, street trader, chef, pub landlord, cab driver and greengrocer. Along the way there have been girls, fights, a murder investigation and a broken marriage, but through it all there has also been a determination to succeed against the odds. Once dubbed a 'Mental Midget' and 'Pugilistic Pygmy' by Don King, Frank Maloney has gone on to have the last laugh over the flamboyant American promoter and over those who believed he would fail. For, above all, No Baloney is the story of a man who has been lucky enough to experience the kind of life he could not have imagined in his wildest dreams all those years ago in south-east London - and Maloney has made sure he's lived it to the full.

Saturday Night Peter - Peter Kay 2010

Edinburgh, Blackpool, Bolton the glamour of it all! Picking up from where Peter's bestselling autobiography *The Sound of Laughter* left off, *Saturday Night Peter* charts the hilarious journey his career took as he left the beautiful bosom of *Damn You, Autocorrect!* - Jillian Madison 2012-05-31 *Damn You, Autocorrect!* brings together some of the laugh-out-loud funny and painfully embarrassing posts from the hit website, which highlight the hilarity that often ensues when text messaging goes wrong: girlfriends getting together for 'manila penis,' ('mani pedis'); a husband texting his wife that he 'laid' the babysitter (paid); a friend asking if someone got tickets to the 'Lady Vagina' (Lady Gaga) concert, and the most popular image on the website so far: a father texting his daughter that he and his mother were going to divorce, when they were in fact just going to Disney. Oops. The phenomenally successful Damnyouautocorrect.com began when author Jillian Madison innocently tried to

invite some friends over for gelato. Autocorrect, however, had another idea, and asked them over for a night of 'fellatio' instead. And that's just the tip of the iceberg. Damn You, Autocorrect! includes 200 never before seen submissions to the website, as well as an introduction from the author and website creator, Jillian Madison.

Ricky Gervais Presents: The World of Karl Pilkington -

Karl Pilkington 2006-10-10

In this pithy and hilarious book, Karl Pilkington is in conversation with (the often bewildered) Ricky Gervais and Stephen Merchant, the writers and stars of The Office and Extras, unwittingly outwitting even those comedy Goliaths as he struggles in vain to make sense of the world around him. Unencumbered by erudition and impervious to logic, Karl ambles down a heuristic path to enlightenment under the edifying influence of Ricky and Steve. His pronouncements on such diverse and contentious topics as population control, simian affairs within human

society, the sartorial deliberations of solitary spacemen and how long you can stay alive with your head chopped off, are matched in the vehemence with which they are proposed only by the degree to which they are ill-conceived. Featuring Karl's original illustrations, imaginative scribbles and the best conversations of the world record-breaking Podcasts, The Ricky Gervais Show, this is a unique trip into the world of one of our most innovative thinkers, visionaries and prophets, or as Gervais knows him, "the funniest man I've ever met."

Happyslapped by a Jellyfish -
Karl Pilkington 2008-05

A collection of hilarious and compelling insights and anecdotes, diary entries, poems, ♦true♦ facts and cartoons on travel from Karl Pilkington, unlikely star of the Ricky Gervais Show, the world's most successful podcast ♦ now in paperback. This is the travel book for people who don't particularly like travelling, it's Karl

Pilkington, star of The Ricky Gervais Podcast Show, with a suitcase, occasionally with his passport, more often with a bemused suspicion of anything vaguely exotic, and an observant eye for the disappointments, tedium, general weirdness and absurdities of being a tourist abroad and at home. From staring at Mount Vesuvius in case it erupts and the horrors of a Lanzarote nudist beach to the curiosities to be seen in the world's weirdest museum.

Told with his inimitable deadpan humour, Pilkington's stories are interspersed with fond reflections on life back in England, from Salford joy riders to what his girlfriend's mum and dad have for dinner on a Thursday (it's chops and veg. in case you're wondering).

The Book of General Ignorance - John Mitchinson
2007-08-07

NEW YORK TIMES
BESTSELLER •

Misconceptions, misunderstandings, and flawed facts finally get the heave-ho in

this humorous, downright humiliating book of reeducation based on the phenomenal British bestseller. Challenging what most of us assume to be verifiable truths in areas like history, literature, science, nature, and more, The Book of General Ignorance is a witty "gotcha" compendium of how little we actually know about anything. It'll have you scratching your head wondering why we even bother to go to school. Think Magellan was the first man to circumnavigate the globe, baseball was invented in America, Henry VIII had six wives, Mount Everest is the tallest mountain? Wrong, wrong, wrong, and wrong again. You'll be surprised at how much you don't know! Check out The Book of General Ignorance for more fun entries and complete answers to the following: How long can a chicken live without its head? About two years. What do chameleons do? They don't change color to match the background. Never have; never will. Complete myth. Utter

fabrication. Total Lie. They change color as a result of different emotional states. How many legs does a centipede have? Not a hundred. How many toes has a two-toed sloth? It's either six or eight. Who was the first American president? Peyton Randolph. What were George Washington's false teeth made from? Mostly hippopotamus. What was James Bond's favorite drink? Not the vodka martini.

Skeletons - Jane Fallon

2014-03-27

The bestselling author of *Getting Rid of Matthew* and *My Sweet Revenge* tells a story of discovered secrets and the price of keeping them in her stunning novel *Skeletons* Jen has discovered a secret. It's not hers to share, but is it hers to keep? If she tells her husband Jason, he might get over the shock but will he forgive her for telling the truth? She might drive a wedge through their marriage. If she tells someone else in Jason's family - the family she's come to love more than her own - she'd not only

tear them apart but could also find herself on the outside: she's never really been one of them, after all. But if she keeps this dirty little secret to herself, how long can she pretend nothing is wrong? How long can she live a lie? Jen knows the truth - but is she ready for the consequences?

Praise for *Jane Fallon*:

Paradise Beneath Her Feet -

Isobel Coleman 2013-02-26

Now with a new Preface and Afterword by the author

"Outstanding . . . [Isobel

Coleman] takes us into remote villages and urban

bureaucracies to find the brave men and women working to

create change in the Middle East.”—Los Angeles Times In this timely and important book, Isobel Coleman shows how Muslim women and men across the Middle East are working within Islam to fight for women’s rights in a growing movement of Islamic feminism. Journeying through Saudi Arabia, Iraq, Iran, Afghanistan, and Pakistan, Coleman introduces the reader to influential Islamic feminist thinkers and successful grassroots activists working to create economic, political, and educational opportunities for women. Their advocacy for women’s rights based on more progressive interpretations of Islam are critical to bridging the conflict between those championing reform and those seeking to oppress women in the name of religious tradition. Socially, culturally, economically, and politically, the future of the region depends on finding ways to accommodate human rights, and in particular women’s rights, with Islamic law. These reformers—and thousands of

others—are the people leading the way forward. Featuring new material that addresses how the Arab uprisings and other recent events have affected the social and political landscape of the region, *Paradise Beneath Her Feet* offers a message of hope: Change is coming to the Middle East—and more often than not, it is being led by women. Praise for *Paradise Beneath Her Feet* “Clearly written, deeply moving, and wonderfully enlightening.”—Reza Aslan, author of *No god but God* “[An] engrossing portrait of real Muslim women that reveals how Islamic feminists . . . are working with and within the culture, rather than against it . . . to forge ‘a legitimate Islamic alternative to the current repressive system.’ Coleman doesn’t diminish the enormity of the struggle, but she argues convincingly that it might yet rewrite Islam’s future.”—Publishers Weekly (starred review) “A nuanced view of Islam’s role in public life that is cautiously

hopeful.”—The Economist
“Eye-opening . . . Deeply religious, profoundly determined and modern in every way, these are twenty-first-century women bent on change. Hear them roar and see a future being born before our eyes.”—Booklist

The Sons of Maxwell Perkins

- Maxwell Evarts Perkins 2004

The relationships between legendary Scribner's editor Maxwell Perkins and three of his most important authors-- Ernest Hemingway, F. Scott Fitzgerald, and Thomas Wolfe-- are captured in a remarkable series of more than two hundred letters that speak out on such topics as the art of writing, editing, publishing, personal rivalries, and more.

Extreme Sleeps - Phoebe Smith 2014-09-28

In a sometimes scary, frequently funny, and intriguing journey around the UK, Phoebe attempts to discover and conquer its wildest places I had become official infatuated with what I call "extreme sleeping"—a kind of addictive high-adrenaline

sport—but rather than being defined by pushing the boundaries of physical activity, my particular pursuit was marked by a distinct lack of it. Veteran globetrotter Phoebe Smith sets out to prove that outdoor adventures are available in the UK which rival anything found elsewhere in the world. From spending the night in the decaying wreckage of a World War II bomber at Bleaklow, to pitching next to the adrenaline-inducing sheer drops of Lizard Point, Phoebe's extreme sleeps defy her perceptions of the great outdoors and teach her about herself along the way.

End of History and the Last Man - Francis Fukuyama
2006-03-01

Ever since its first publication in 1992, *The End of History and the Last Man* has provoked controversy and debate.

Francis Fukuyama's prescient analysis of religious fundamentalism, politics, scientific progress, ethical codes, and war is as essential for a world fighting fundamentalist terrorists as it was for the end of the Cold War. Now updated with a new afterword, *The End of History and the Last Man* is a modern classic.

Karlology - Karl Pilkington
2008-11-17

Karl Pilkington's third book, follow-up to bestselling *The World of Karl Pilkington* and *Happyslapped by a Jellyfish*, is a voyage through some of the most curious facts and fictions about our world. Drawing on what little he learned during his days of education, Karl explores the world of

knowledge through a school curriculum, with chapters devoted to biology, history, art, and English, among others, each topic approached with Karl's inimitable combination of innocent wonder and down-to-earth wisdom. Full color throughout, the book is illustrated with Karl's hand-drawn cartoons and comic strips and it features e-mail contributions from a host of celebrities and experts who Karl has quizzed to further his knowledge. The Office - Ricky Gervais
2002

Do you know what upsets David Brent? Wasted talent, yeah? People could come to him, and they could go, scuse me David, but youve been in the business 12 years, can you just spare us a moment to tell us how to, you know, run a team, how to keep them task-orientated while, you know, happy? But they dont. Thats the tragedy. So the Brentmeister General is now prepared to share with us the scenes of his daily life. The

scenarios that really illustrate the principles of great team management. His morale-boosting comedy (remember when he got Dawn to actually believe she was sacked?), his fund of earthy wisdom (there should be no ego when youre pulling together to do something good) along with glimpses of the fervent soul beyond the work-related arena, the impassioned singer-songwriter of the potentially highly successful band Foregone Conclusion (a.k.a. supported by Texas). These scripts will show how anyone can be a great boss and a funny person, how to use humour to boost morale, how to have a laugh at work, with women, at us. Investment in people. Thats what its all about really. The staff. Letting them know that they are our most important commodity. Its like, if youre cleaning a floor, and youre up against it, then come to me, and Ill help us clean our floor together not literally. Including 500 screengrabs from the series and unseen email correspondence between David

Brent and his BBC Producer, *The Office: The Scripts* is the definitive comedy script book, providing fans with an invaluable opportunity to relive their favourite moments over and over again.

Soundings - Doreen

Cunningham 2022-07-12

“This book is a gorgeous journey...You will be glad you’ve joined her.” —Susan Orlean, author of *On Animals* and *The Library Book* In this memoir of motherhood, love, and resilience, a woman and her toddler son follow the grey whale migration from Mexico to northernmost Alaska. In this striking blend of nature writing, whale science, and memoir, Doreen Cunningham interweaves two stories:

tracking the extraordinary northward migration of the grey whales with a mischievous toddler in tow and living with an Iñupiaq family in Alaska seven years earlier.

Throughout the journey she explores the stories of the whales and their young calves—their history, their habits, and their attempts to survive the changes humans have brought to the ocean. Cunningham’s voice is powerful: sharp, profound, sensitive, and unflinching. A story of courage and resilience, *Soundings* is about the migrating whales and all we can learn from them as they mother, adapt, and endure, their lives interrupted and threatened by global warming. It is also a riveting journey onto the Arctic Sea ice and into the changing world of Indigenous whale hunters, where Doreen becomes immersed in the ancient values of the Iñupiaq whale hunt and falls in love. For this is Doreen’s story, too—a fierce, feminist tale, touching on her childhood and her time living

in a Women's Refuge with her baby, becoming a mother, just like the whales. Lyrical, brave, and fearlessly honest, Soundings is an unforgettable journey.

1,227 QI Facts To Blow Your Socks Off - John Lloyd

2012-12-20

QI is the smartest comedy show on British television, but few people know that we're also a major legal hit in Australia, New Zealand, Israel and Africa and an illegal one on BitTorrent. We also write books and newspaper columns; run a thriving website, a Facebook page, a Twitter feed; and produce an iPhone App and a sister Radio 4 programme. At the core of what we do is the astonishing fact - painstakingly researched and distilled to a brilliant and shocking clarity.

In Einstein's words:

'Everything should be as simple as possible, but not simpler.'

Did you know that: cows moo in regional accents; the entire internet weighs less than a grain of sand; the dialling code from Britain to Russia is 007; potatoes have more

chromosomes than human beings; the London Underground has made more money from its famous map than it has from running trains; Tintin is called Tantan in Japanese because TinTin is pronounced 'Chin chin' and means penis; the water in the mouth of a blue whale weighs more than its body; Scotland has twice as many pandas as Conservative MPs; Saddam's bunker was designed by the grandson of the woman who built Hitler's bunker; Under the Wildlife and Countryside Act of 1981, it is explicitly illegal in Britain to use a machinegun to kill a hedgehog. 1,227 QI Facts To Blow Your Socks Off will make you look at the universe (and your socks) in an alarming new way.

Why Do I Say These Things? - Jonathan Ross 2008-11-20

Why is catalogue shopping responsible for Jonathan Ross's inimitable sense of style? Why might wearing cape and mask be a fast track to heaven? Why does Jonathan wince every time he sees a Hoover? And why did he fall in love with a deep-sea

diver? Why? Because this is Jonathan Ross. And nothing is out of bounds when it comes to talking about life as he knows it. From sex and pugs to rock 'n' roll and genital warts, Jonathan holds forth as only he can. This sharply observed, laugh-out-loud, outrageous page-turner will leave you asking just one question . . . Why didn't he write it sooner? *The Further Adventures of an Idiot Abroad* - Karl Pilkington 2013

The nation's favourite idiot is back. Safely home from his latest travels, Karl has decided it is time to share his hard-earned wisdom of the world. Taking the Bucket List of '100 Things to Do Before You Die' as his starting point, Karl combines brilliant stories from his recent adventures to Alaska, Siberia and beyond with entertaining, highly-opinionated views on what other people aspire to do with their lives. Why on earth would anybody want to run with the bulls in Pamplona? Go 'storm chasing' through Tornado Alley? Have lunch

with the Queen? Or touch hands with the Pope? The *Further Adventures of An Idiot Abroad* is a fitting finale to two years of eventful globe-trotting. Frank, funny and strangely inspiring, this is Karl's final word on travel.

My Shit Life So Far - Frankie Boyle 2009-10-01

Ever since being brought up by The Beatles, Frankie Boyle has been a tremendous liar. Join him on his adventures with his chum Clangy The Brass Boy and laugh as he doesn't accidentally kill a student nurse when a party gets out of hand.

The Moaning of Life - Karl Pilkington 2013-10-10

"Why are we here?" The only time I ever asked myself that was on a surprise holiday to Lanzarote.' Left to his own devices, Karl Pilkington would be happy with his life just as it is. But now he's hit forty, everyone keeps asking him why he's so reluctant to marry his girlfriend and why he doesn't want to have kids. It's time for Karl to face up to the biggest question of the lot - what does

it all mean? Karl thought he'd seen it all filming *An Idiot Abroad*, but now he's off around the globe to learn how other cultures deal with life's big issues. Find out how Karl copes as he . . . - Has plastic surgery in LA - Models for a Japanese life drawing class - Helps deliver a baby in Bali Have his experiences changed him? Find out in this hilarious new book.

More Flanimals - Ricky Gervais 2006

Ricky Gervais's second book on this species takes students to a higher level. For serious Flanophiles, Gervais introduces some new members in this advanced spotter's guide. Learn about how Flanimals evolved and what the inside of a Flanimal looks like.

Extras - Pamela Freeman 2006-11-30

The complete scripts of the award-winning series, with exclusive behind-the-scenes photographs by Rich Hardcastle. Meet Andy Millman, actor. Never forgets his lines because he never gets any. And meet Maggie Jacobs,

actor. Would love to throw herself into a good part, but she's more likely just to put her foot in it. With an agent who works part-time at Carphone Warehouse, sometimes you have to take a small role on the path to acting fame. But now, after years spent struggling to make it big, Andy has landed a pilot for his sitcom script. Will he finally get the recognition he craves? *Extras: the Scripts* is the perfect memento for fans of the show and a stylish record of the astonishing writing talent of Ricky Gervais and Stephen Merchant.

Clips From A Life - Denis Norden 2008-12-07

Classic stills from the life of one of Britain's most venerated entertainers.

The Call of the Weird - Louis Theroux 2008-09-04

After a decade of making documentaries about offbeat characters on the fringes of US society, Louis had the urge to return to America and track down the people who most fascinated him. It would be a reunion tour, but this time without the cameras and the

sense of performance being filmed inevitably brings. It would allow him to get closer to people, to discover what really motivated them and what had happened to the assorted dreamers, outlaws and eccentrics since he last saw them. On a journey that took him from the porn sets of Los Angeles to the gangsta rappers of Memphis, from a convention of UFO contactees in Arizona to Northern Idaho for a festive get-together of neo-Nazis, he asked what 'weird people' have to tell us about our own secret natures. Had he learned anything about himself by being among them? Do we choose our beliefs or do our beliefs choose us? Louis Theroux's first book is a hilarious, thought-provoking and at times surreal voyage into the heart of weirdness.

Karlology - Karl Pilkington
2008-11-17

A voyage through the strange yet mesmerising mind of cult author Karl Pilkington, now in ePub format By his own admission Karl Pilkington left formal education behind with only an E in History to his name and not much else. Ever since, his thirst for knowledge has nagged. With this in mind, Karl has embarked on a tour of discovery to make up for the lost years of learning, and to find out more stuff. Karlology is the result. So what exactly has Karl Pilkington learned so far? This is a man, it should be noted, who thinks owning 1,777 acres of the moon is a good idea, and believes that the human testicles should be

relocated to the earlobes.
