Heaven is for Real Deluxe Edition - Todd Burpo 2011-10-31

#1 New York Times best-seller with more than 11 million copies sold and Amazon's #17 best-selling book of all time. *Heaven Is for Real* was the best-selling non-fiction book of 2011 as reported by Nielsen's Bookscan, and was developed as a major motion picture by Sony in 2014. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren't expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was

extraordinary, detailing their little boy's trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how "really, really big" God is, and how much God loves us. Retold by his father, but using Colton's uniquely simple words, *Heaven Is for Real* offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." *Heaven Is for Real* will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Continue the Burpos story in *Heaven Changes Everything: The Rest of Our Story*. *Heaven Is for Real* also is available in Spanish, *El cielo es real*.

Mary's Mantle Consecration - Christine Watkins 2019-01-24

This is a Marian Consecration that people don't want to see end. Healing miracles, reunited families, and Catholic conversions have occurred because of the graces that flow from this self-guided retreat. Mary's Mantle Consecration: A Spiritual Retreat for Heaven's Help, endorsed by Bishop Myron J. Cotta, offers an outpouring of grace upon your life and your loved ones. St. Pope John Paul II said that his consecration to Mary was "a decisive turning point in my life." It can be the same for you. Mary's Mantle Consecration comes to us in tumultuous times. Today it is important that we consecrate ourselves to the Mother of God, entrusting our lives to her protection, guidance, and care, inviting her to conform us to the likeness of her Son. There is so much need and brokenness in the world, in the Church, in our families, and in our hearts. By preparing for consecration through the power of the Rosary, a little fasting, and a two-minute daily reading of a beautiful meditation on a virtue or gift of the Holy Spirit (people's favorite part), we can expect heaven's help. This self-guided retreat for consecration is perfect for individuals, couples, families, groups and parishes. It comes with an additional opportunity to dive even deeper into God through a companion workbook with quotes from saints, passages of Scripture, and insightful questions for reflection, called Mary's Mantle Consecration Prayer Journal.
