Our People - Rūta Vanagaitė 2020-03-15

A famous Nazi hunter and a descendent of Nazi collaborators team up on a journey to uncover Lithuania's Holocaust secrets. This remarkable book traces the quest for the truth about the Holocaust in Lithuania by two ostensible enemies: Rūta a descendant of the perpetrators, Efraim a descendant of the victims. Rūta Vanagaitė, a successful Lithuanian writer, was motivated by her recent discoveries that some of her relatives had played a role in the mass murder of Jews and that Lithuanian officials had tried to hide the complicity of local collaborators. Efraim Zuroff, a noted Israeli Nazi hunter, had both professional and personal motivations. He had worked for years to bring Lithuanian war criminals to justice and to compel local authorities to tell the truth about the Holocaust in their country. The facts that his maternal grandparents were born in Lithuania and that he was named for a great-uncle who was murdered with his family in Vilnius with the active help of Lithuanians made his search personal as well. Our People exposes the significant role in implementing the Final Solution played by local political leaders and the prewar Lithuanian administration that remained in place during the Nazi occupation. It also tackles the sensitive issue of the motivation of thousands of ordinary Lithuanians who were complicit in the murder of their Jewish neighbors. At the heart of the book, these are the issues that Rūta and Efraim discuss, debate, and analyze as they crisscross the country to visit dozens of Holocaust mass murder sites in Lithuania and neighboring Belarus. This book follows them on their remarkable journey as they search for neglected graves, interview eyewitnesses, and uncover hints of the rich life that had existed in hundreds of Jewish communities throughout Lithuania.

Whitehorn's Windmill - Kazys Boruta 2009-04-10

Because of his political views, Kazys Boruta spent years in prison both before and after WWII. In the last phase of his life in Soviet Lithuania, he earned a living by translations published under a pseudonym. Most of Whitehorn's Windmill (Baltaragio malūnas) was written in 1942, during the German occupation. Bearing a lyrical style that gives full rein to the oral folktale tradition Lithuania is famous for, the novel is by turns romantic, farcical, fantastic, and tragic. The sense of spirituality that permeates the work reflects Lithuania's pagan roots that were overlaid with an occasionally over-zealous Catholicism not so very long ago. The story is about Whitehorn the miller's efforts to find a match for his beautiful daughter, Jurga, against various calamities with and among suitors, neighbors, priests and other inhabitants of the village, and ultimately against the devil's spell. The interesting plot made the novel popular as juvenile literature, too.

A self-professed poet, Ludwig soon senses a growing change in his fatherland, a brutality brought upon it by inflation. When he falls in love with the beautiful but troubled Isabelle, Ludwig hopes he has found a soul who will offer him salvation—who will free him from his obsession to find meaning in a war-torn world. But there comes a time in every man's life when he must choose to live—despite the prevailing thread of history horrifically repeating itself. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

They succeed, finding not only that tribe but also a group of forest dwellers they dub "The Dreamers," who turn out to be fantastically long-lived but progressively more senile. Perina suspects the source of their longevity is a hard-to-find turtle; unable to resist the possibility of eternal life, he kills one and smuggles some meat back to the States. He scientifically proves his thesis, earning worldwide fame and the Nobel Prize, but he soon discovers that its miraculous property comes at a terrible price. As things quickly spiral out of his control, his own demons take hold, with devastating personal consequences.

Stalemate - Icchokas Meras 2020-11-24

A classic of Holocaust literature from “one of the great masters of the short novel.” —The New Yorker In

the Vilna Ghetto during World War II, Nazi Commandant Schoger demands that all children be sent to the death camp. When Abraham Lipman pleads with him to spare their lives, Schoger reconsiders, and tells Lipman there will be a chess match between himself and Lipman’s only surviving son, Isaac, a chess prodigy. If Isaac wins, the children will live, but Isaac will die. If Isaac loses, the children will die, but Isaac will live. Only a draw will save the ghetto from this terrible predicament. The chess game begins: a nightmarish contest played over the course of several evenings, witnessed by an audience impotent to act, staking the lives of their children on a stalemate. This is a moving story of a father and a son who shame their cruel perpetrator with their dignity, spirit, and extraordinary courage. *Stalemate* speaks to the power of humor even under the direst circumstances. As a parable that gives voice to the unspeakable, *Stalemate* is an antidote to despair. “Gripping . . . a truly memorable work.” —Booklist
