In the Night Room - Peter Straub 2004-10-26

In his latest soul-chilling novel, bestselling author Peter Straub tells of a famous children's book author who, in the wake of a grotesque accident, realizes that the most basic facts of her existence, including her existence itself, have come into question. Willy Patrick, the respected author of the award-winning young-adult novel In the Night Room, thinks she is losing her mind—again. One day, she is drawn helplessly into the parking lot of a warehouse. She knows somehow that her daughter, Holly, is being held in the building, and she has an overwhelming need to rescue her. But what Willy knows is impossible, for her daughter is dead. On the same day, author Timothy Underhill, who has been struggling with a new book about a troubled young woman, is confronted with the ghost of his nine-year-old sister, April. Soon after, he begins to receive eerie, fragmented e-mails that he finally realizes are from people he knew in his youth—people now dead. Like his sister, they want urgently to tell him something. When Willy and Timothy meet, the frightening parallels between Willy's tragic loss and the story in Tim's manuscript suggest that they must join forces to confront the evils surrounding them.

The Haunter of the Ring - Robert E. Howard 2015-02-12

This early work by Robert E. Howard was originally published in the 1934 and we are now republishing it with a brand new introductory biography. 'The Haunter of the Ring' is one of Howard's stories featuring the character John Kirowan and is part of the Cthulhu Mythos. Robert Ervin Howard was born in Peaster, Texas in 1906. During his youth, his family moved between a variety of Texan boomtowns, and Howard - a bookish and somewhat introverted child - was steeped in the violent myths and legends of the Old South. At fifteen Howard began to read the pulp magazines of the day, and to write more seriously. The December

1922 issue of his high school newspaper featured two of his stories, 'Golden Hope Christmas' and 'West is West'. In 1924 he sold his first piece - a short caveman tale titled 'Spear and Fang' - for \$16 to the not-yet-famous Weird Tales magazine. Howard's most famous character, Conan the Cimmerian, was a barbarian-turned-King during the Hyborian Age, a mythical period of some 12,000 years ago. Conan featured in seventeen Weird Tales stories between 1933 and 1936 which is why Howard is now regarded as having spawned the 'sword and sorcery' genre. The Conan stories have since been adapted many times, most famously in the series of films starring Arnold Schwarzenegger.

Fairy Tale - Stephen King 2022-09-06

Legendary storyteller Stephen King goes into the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher - for their world or ours. Charlie Reade looks like a regular high school kid, great at baseball and football, a decent student. But he carries a heavy load. His mom was killed in a hit-and-run accident when he was ten, and grief drove his dad to drink. Charlie learned how to take care of himself - and his dad. Then, when Charlie is seventeen, he meets a dog named Radar and her aging master, Howard Bowditch, a recluse in a big house at the top of a big hill, with a locked shed in the backyard. Sometimes strange sounds emerge from it. Charlie starts doing jobs for Mr. Bowditch and loses his heart to Radar. Then, when Bowditch dies, he leaves Charlie a cassette tape telling a story no one would believe. What Bowditch knows, and has kept secret all his long life, is that inside the shed is a portal to another world. King's storytelling in Fairy Tale soars. This is a magnificent and terrifying tale about another world than ours, in which good is pitted against overwhelming evil, and a heroic boy - and his dog - must lead the battle.

Hold My Place - Cassondra Windwalker 2022-01-25

From the Helen Kay Chapbook Award-Winning poet Cassondra Windwalker, an unsuspecting librarian falls head-over-heels for a married man, but when she finds herself caught up in a whirlwind romance, she discovers her new husband's past wives have all met early deaths—and some aren't ready to let go yet. Obsession never dies. When librarian Sigrun falls head-over-heels for the sophisticated and very married Edgar Leyward, she never expects to find herself in his bed—or his heart. Nevertheless, when his enigmatic wife Octavia dies from a sudden illness, Sigrun finds herself caught up in a whirlwind romance worthy of the most lurid novels on her bookshelves. Sigrun soon discovers Octavia wasn't Edgar's first lost love, or even his second. Three women Edgar has loved met early deaths. As she delves into her beloved's past through a trove of discovered letters, the edges of Sigrun identity begin to disappear, fading into the women of the past. Sigrun tells herself it's impossible for any dark magic to be at play—that the dead can't possibly inhabit the bodies of the living—but something shadowy stalks the halls of the Leyward house and the lines between the love of the present and the obsessions of the past become increasingly blurred—and bloody. Mixing lyrical prose with simmering terror, Hold My Place is a modern gothic horror worthy of Shirley Jackson's nightmares and Daphne DuMaurier's dangerous lovers. "Hold My Place is a dark, sensuous tale about obliterating love, and Windwalker's superb prose fairly drips with beauty. You simply must read this haunting book." —Mercedes M. Yardley, Bram Stoker Award-winning author of Little Dead Red "Sinister undertones steadily build into a genuine sense of doom...as thought-provoking as it is harrowing." —Publishers Weekly "With ethereal prose [Hold My Place]'s departure from genre tropes will make it a favorite with gothic-horror and dark-romance readers." —Booklist "A satisfying blend of romance and ghost story.... Hold My Place is anything but ordinary or predictable, despite its firm roots in the horror world." —Midwest Book Review "Brimming with muted eroticism, Hold My Place is a dark romance novel punctuated by longing, lingering spirits and love without end." —Foreword Reviews

The Institute - Stephen King 2019-09-10

From #1 New York Times bestselling author Stephen King whose "storytelling transcends genre" (Newsday) comes "another winner: creepy and touching and horrifyingly believable" (The Boston Globe) about a group of kids confronting evil. In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis's parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special

talents—telekinesis and telepathy—who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and ten-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, “like the roach motel,” Kalisha says. “You check in, but you don’t check out.” In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don’t, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from the Institute. As psychically terrifying as Firestarter, and with the spectacular kid power of It, The Institute is “first-rate entertainment that has something important to say. We all need to listen” (The Washington Post).

Elevation - Stephen King 2019-11-12

From legendary master storyteller Stephen King, a riveting story about “an ordinary man in an extraordinary condition rising above hatred” (The Washington Post) and bringing the fictional town of Castle Rock, Maine together—a “joyful, uplifting” (Entertainment Weekly) tale about finding common ground despite deep-rooted differences, “the sign of a master elevating his own legendary game yet again” (USA TODAY). Although Scott Carey doesn't look any different, he's been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no matter how heavy they are. Scott doesn't want to be poked and prodded. He mostly just wants someone else to know, and he trusts Doctor Bob Ellis. In the small town of Castle Rock, the setting of many of King's most iconic stories, Scott is engaged in a low grade—but escalating—battle with the lesbians next door whose dog regularly drops his business on Scott's lawn. One of the women is friendly; the other, cold as ice. Both are trying to launch a new restaurant, but the people of Castle Rock want no part of a gay married couple, and the place is in trouble. When Scott finally understands the prejudices they face—including his own—he tries to help. Unlikely alliances, the annual foot race, and the mystery of Scott's affliction bring out the best in people who have indulged the worst in themselves and others. “Written in masterly Stephen King's signature translucent...this uncharacteristically glimmering fairy tale calls unabashedly for us to rise above our differences” (Booklist, starred review). *Elevation* is an antidote to our divisive culture, an “elegant whisper of a story” (Kirkus Reviews, starred review), “perfect for any fan of small towns, magic, and the joys and challenges of doing the right thing” (Publishers Weekly, starred review).

Set in the fictional town of Castle Rock, Maine Stephen King teams up with long-time friend and award-winning author Richard Chizmar for the first time in this original, chilling novella that revisits the mysterious town of Castle Rock. There are three ways up to Castle View from the town of Castle Rock: Route 117, Pleasant Road, and the Suicide Stairs. Every day in the summer of 1974, twelve-year-old Gwendy Peterson has taken the stairs, which are held by strong—if time-rusted—iron bolts and zig-zag up the precarious cliffside. Then one day when Gwendy gets to the top of Castle View, after catching her breath and hearing the shouts of kids on the playground below, a stranger calls to her. There on a bench in the shade sits a man in black jeans, a black coat, and a white shirt unbuttoned at the top. On his head is a small, neat black hat. The time will come when Gwendy has nightmares about that hat... The little town of Castle Rock, Maine has witnessed some strange events and unusual visitors over the years, but there is one story that has never been told—until now.
