WWII & NYC - Kenneth T. Jackson 2012

Accompanies a major exhibition at the New York Historical Society from October 2012 through to May 2013. WWII & NYC will appeal to those interested in the history of World War II as well as the history of New York City. Published in conjunction with the groundbreaking exhibition WWII & NYC at the New-York Historical Society, this fascinating book captures the little-told but epic story of New York in the years 1939 - 1945, and the war's impact on the metropolis. This captivating story unfolds in four different sections. The first covers the years 1933-41 and recreates the noisy contest of opinions in New York over whether the U. S. should involve itself in the war, and introduces the scientists at Columbia University who conducted top-secret research to develop the atom bomb. 1942-45 saw a city mobilizing for war, as industries converted to wartime production and huge terminals surrounding the port shipped men and supplies to Europe. The reader then follows New Yorkers to war with stories of individuals who served. The concluding section captures scenes of war's end with the surrender of Germany and Japan. Fully illustrated and cleverly designed, this captivating book will

be a must read for all those interested in New York City as well as the history of World War II.

Thomas Goodfellow 2021-11-15

"Rambo meets Sherlock Homes in the explosive climax to Thomas H. Goodfellow's THE INSURMOUNTABLE EDGE trilogy." - Rob Errera, IndieReader.com Overview of Three Book Story Two children savagely stoned to death in the California desert. Top employees of a U.S. defense contractor dying at an alarming rate. A cryptic message sent by a strange, secretive source warns the contractor's products have been corrupted and could be used against the U.S. Armed Forces. They all seem to be connected. But how? Only two men on earth are capable of putting it all together those men are Jack Wilder and Jeff Bradshaw, two of the greatest special operations forces soldiers who have ever lived. There's a problem though. Jack and Jeff are off-duty at Jack's ranch while Jeff tries to recover from a severe case of post-traumatic stress disorder. Jack's seventeen-year-old ward, a hellcat named Adelaide, is also on the ranch. Nothing seems more impossible than getting the three of them to leave their safe commune. But then, a mysterious blue Maybach shows up at the ranch. The Maybach's visit sends Adelaide, Jack and Jeff off on a dangerous trail of murder and intrigue as they confront the insurmountable edge. "Author Thomas H. Goodfellow brings the final installment of THE INSURMOUNTABLE EDGE series barreling into the station with General Jack Wilder's offbeat crew in yet another fast, fun read for action thriller fans." - Rob Errera, IndieReader.com Please visit [www.TheInsurmountableEdge.com](http://www.TheInsurmountableEdge.com) to learn more about author Thomas H. ### **Shadowbound** - Dianne Sylvan 2014-03-25

Spread throughout the dark corners of our world lies the Shadow World, a society of vampires who feed off the living. In Austin, Texas, one

woman must quell the cravings rising within her, as the very fate of the world rests in her hands... Ever since her Prime, David Solomon, returned from the dead, Miranda Grey has been hungry. The transformation from ordinary vampires into the ultrapowerful children of Persephone has left both Miranda and David craving the taste of death—and their appetites are growing. Meanwhile, a formerly vague threat from a fringe group of humans has turned into a full-on war. The Order of the Morningstar has devoted itself to eradicating vampires and has begun to assassinate Primes all over the globe. The Shadow World's fate depends on the Circle of Signets descended from those who subdued Morningstar hundreds of years ago—but if even a single one is killed, the war is almost certainly lost. Now, with the help of a strange new ally, Miranda must put aside her hunger and access long-forgotten magic to save the Circle, but time is running out...

### Film Remakes - NA NA 2016-10-03

This is the first book to provide a comprehensive and systematic account of the phenomenon of cinematic remaking. Drawing upon recent theories of genre and intertextuality, Film Remakes describes remaking as both an elastic concept and a complex situation, one enabled and limited by the interrelated roles and practices of industry, critics, and audiences. This approach to remaking is developed across three broad sections: the first deals with issues of production, including commerce and authors; the second considers genre, plots, and structures; and the third investigates issues of reception, including audiences and institutions.

### **The Red Dragon** - L. Ron Hubbard 2013-05-17

As a lieutenant in the US Marine Corps—as handsome and cocky as Richard Gere—Michael Stuart was once considered an officer and a gentleman. But that's all changed. Now he's seen as a renegade, a traitor and a thief. Stuart is a man without a country . . . and perhaps without a prayer. Why? Because in a daring plot to foil the Japanese puppet regime in China, he set out to reinstate the country's true emperor. Known now as The Red Dragon, Stuart is a soldier of fortune in war-torn Manchuria—and a man of honor in a world of treachery. Stuart's latest adventure takes him from Peking to the Great Wall and beyond. He's in a

race against time and against the Japanese super-spy known as the Hell-Cat, both of them in hot pursuit of an elusive black chest. For Stuart, the ultimate prize is one filled with mystery, power, and treasure—not only in the chest itself, but in the love of the beautiful woman who has sent him on this mission. . . . It was on Hubbard’s second journey to East Asia that he met British Secret Service agent, Major Ian MacBean, who introduced him to “The Great Game,” the geopolitical tug-of-war between China, Japan, and Britain. Hubbard also learned of the trade in stolen Chinese treasures, and was exposed to the secret criminal society known as The Red Dragon—inspiring this story of the same name. He has captured a singular time in this storied land. “Hubbard delivers a tidy finale that shows why he was one of the most popular genre writers of his generation.” - Publishers Weekly

**When Christ and His Saints Slept** - Sharon Kay Penman 2010-04-01

In *When Christ and His Saints Slept* master storyteller and historian Sharon Kay Penman illuminates one of the lesser-known but fascinating periods of English history. The next addition in this highly acclaimed historical fiction series of the middle ages, and the first of a trilogy that will tell the story of Henry II and Eleanor of Aquitaine. *When Christ and His Saints Slept* begins with the death of King Henry I, son of William the Conqueror and father of Maude, his only living legitimate offspring.

**There'll Be Hell to Pay** - Sharon Hannaford 2016-07-25

**THIS TIME IT'S PERSONAL** Just a few months ago Gabi thought her life was damn near perfect. She could never have imagined that meeting one man would spark a chain of events that would change everything. The only resemblance to her previous life is her relentless hunt for supernatural criminals. Right now, her world has narrowed to two points of focus; co-leading the newly formed Special Investigations Department alongside Julius, her Master Vampire Consort, and searching for the traitorous Vampire Caspian and his pregnant Dark Magus cohort, Mariska. Catching up with friends and making peace with her mother are also on her agenda for the week, but life may just have other plans. Even the most rookie supernatural investigator would figure out that things aren't going well for the Magi of the City, but the High Council is

maintaining its silence and remaining distant from the other races. The safety and security of the City's population is falling ever more heavily on the shoulders of the fledgling Werewolf Alliance, leaving Kyle, Trish and the other Pack Alphas to handle a rising influx of demons committed to infiltrating the City and wreaking havoc. There are many scenarios that keep Gabi from her sleep, and when one of those concerns becomes a sickening reality, it rocks her to the core. Taking one of those most dear to her is a dangerous game, one that few would play, knowing what she and Julius are capable of. The list of suspects is short and the guilty party soon shows their hand, but is this all just a ruse and what could they hope to accomplish by riling up such powerful enemies? There is no rest for the team as, with one emergency over, they are handed a scrap of information that will ultimately lead them straight to Caspian and Mariska. But are they truly ready for the final standoff? Who will make the ultimate sacrifice and how will the rest deal with the repercussions of an ancient prophesy that culminates in the birth of Mariska's twin children? This is the nail-biting conclusion to the Hellcat Series. Buckle up boys and girls - there's turbulence ahead.

**A Cold Day in Hell** - Sharon Hannaford 2013-11

The City may be calm, but is the Hunter about to become the hunted? For the first time in months the City is peaceful, so peaceful that Gabi's suspension from the *Societas Malus Venatori* doesn't feel like a punishment. Her relationship with Julius is stronger than ever and Kyle has finally found his soul mate, even if he seems to need some convincing. Gabi thinks boredom is her most serious problem. She couldn't be more wrong. The visitor Julius has been both expecting and dreading arrives, bringing with him dire news. An old enemy, out to destroy them, has revealed to the Masters of the Vampire race that Gabi is a Dhampir. The visitor's presence also answers the question that's been simmering in Gabi's head for years; the truth of her origins. This truth brings with it a deeper understanding of the implications of her very existence, and she doesn't like what she discovers. But it's too late to change what's been done and Julius must now answer to the *Princeps'* Court. As Gabi makes plans to leave the City, drawing danger away from

friends and family, a dark prophesy by the Magi Oracles forces her to change course. She will not be leaving the City alone, and she will not be running from the threat. She, Julius and a handful of others will be heading straight into the mouth of the beast. They must present themselves at Court before the Princeps travel to the City and inadvertently uncover one of the most closely guarded secrets of the Magi world. While the Princeps wear a face of impartiality and civility, what boils beneath the surface is a storm of selfishness, greed, lust and perversion. Danger lurks in every corner and it soon becomes clear that someone is determined to ensure that Gabi will never get the chance of a fair hearing. Old friends and old enemies do what they have always done best, while new friends and new enemies emerge at every turn. Only one thing is sure; it'll be a cold day in Hell before Hellcat goes down without a fight. Put the coffee on and warm up your page-turning finger, it's going to be a long night.

*The Post-traumatic Theatre of Grotowski and Kantor* - Magda Romanska  
2014-10-01

Despite its international influence, Polish theatre remains a mystery to many Westerners. This volume attempts to fill in current gaps in English-language scholarship by offering a historical and critical analysis of two of the most influential works of Polish theatre: Jerzy Grotowski's 'Akropolis' and Tadeusz Kantor's 'Dead Class'. By examining each director's representation of Auschwitz, this study provides a new understanding of how translating national trauma through the prism of performance can alter and deflect the meaning and reception of theatrical works, both inside and outside of their cultural and historical contexts.

*Burned* - Karen Marie Moning 2015-11-24

NEW YORK TIMES BESTSELLER • "Mac is back and badder than ever!"—J. R. Ward MacKayla Lane and Jericho Barrons return in the blockbuster Fever series from Karen Marie Moning. It's easy to walk away from lies. Power is another thing. MacKayla Lane would do anything to save the home she loves. A gifted sidhe-seer, she's already fought and defeated the deadly Sinsar Dubh—an ancient book of terrible evil—yet its hold on her has never been stronger. When the wall that protected humans from the seductive, insatiable Fae was destroyed on Halloween, long-imprisoned immortals ravaged the planet. Now Dublin is

a war zone with factions battling for control. As the city heats up and the ice left by the Hoar Frost King melts, tempers flare, passions run red-hot, and dangerous lines get crossed. Seelie and Unseelie vie for power against nine ancient immortals who have governed Dublin for millennia; a rival band of sidhe-seers invades the city, determined to claim it for their own; Mac's former protégé and best friend, Dani "Mega" O'Malley, is now her fierce enemy; and even more urgent, Highland druid Christian MacKeltar has been captured by the Crimson Hag and is being driven deeper into Unseelie madness with each passing day. The only one Mac can depend on is the powerful, dangerous immortal Jericho Barrons, but even their fiery bond is tested by betrayal. It's a world where staying alive is a constant struggle, the line between good and evil is blurred, and every alliance comes at a price. In an epic battle against dark forces, Mac must decide who she can trust, and what her survival is ultimately worth. Look for all of Karen Marie Moning's sensational Fever novels: DARKFEVER | BLOODFEVER | FAEFEVER | DREAMFEVER | SHADOWFEVER | ICED | BURNED | FEVERBORN | FEVERSONG Praise for Burned "Karen Marie Moning is back, delivering the kind of spellbinding, addictive, twisted tale we love to devour. Magic and madness, intrigue and illusion, passion and power, sexual tension and more sexual tension. . . . Burned is a book that shouldn't be missed. Thrilling, suspenseful, sexy—it has all the right stuff to delight the most ardent of Fever fans."—USA Today "Dark, delicious suspense! Karen Marie Moning is my author of choice and Fever is my series of choice for action-packed suspense with a spine-tingling paranormal twist."—#1 New York Times bestselling author Lisa Gardner "A masterwork by an incomparable writer. Burned is brilliant, sexy, and dangerous. I adore Moning! No one does it better."—#1 New York Times bestselling author Sylvia Day "Prepare for a heart-stopping trip into the epic Fever world, filled with gasp-out-loud surprises and sweltering sensuality."—#1 New York Times bestselling author Kresley Cole "Burned gets the highest rating from me. I wanted to run through town shouting 'Mac is back! Mac is back!' Grab some snacks, something to drink, and settle down for a cover-to-cover read that will likely keep you up all night."—New York

Times bestselling author Linda Howard "One of the most anticipated books in romance . . . Burned is told through several viewpoints, but the dominating view is Mac's, and it's wonderful to have her back, as well as get to spend time with the two Alphas in her life."—Heroes and Heartbreakers "Deeply complex, heady and action-packed."—RT Book Reviews

Caine's Reckoning - Sarah McCarty 2013-05-01

The Hell's Eight is the only family he's ever needed...until he meets the only woman he's ever wanted. Caine Allen is a hardened Texas Ranger - definitely not the marrying kind. But when he rescues a kidnapped woman and returns her to town, the preacher calls in a favour...one Caine's honour won't let him refuse. From the moment he beds Desi, Caine knows turmoil will follow. Desi might have the face of a temptress, but she also has a will of iron and while she needs his protection, she's determined that no man will control her again. They establish an uneasy bond, but it isn't enough for Caine. He wants all Desi has to offer. He wants her body, her demands...everything. Yet there's still a bounty on Desi's head, and keeping her satisfied is proving easier than keeping her alive. 'Intense, edgy and passionate, this is old-school historical romance at its finest.' - Romantic Times 'Caine's Reckoning is a can't-put-it-down adventure story...Superb writing and characterisation, along with a well-described setting, bring the story alive and pull readers into the action.' - Romance Reviews Today

Wethering the Storm - Samantha Towle 2013

"Music journalist Tru Bennett has done the impossible: capture the heart of rock-star bad boy Jake Wethers. Now they're busy planning a wedding and navigating their new life together in the U.S. Of course, Tru misses London and her best friend, Simone, but living happily ever after with Jake in LA is going to be great ... right? Wrong. Even the bright California sun can't whitewash the dark side of celebrity coupledness. Greedy music execs, merciless paparazzi, and Jake's wild past are lurking around every corner. Making matters worse, Jake announces he doesn't want kids, which just may be a deal breaker. Tru loves Jake more than anything. But when a devastating crisis threatens to destroy everything they've fought for, the couple must face the hard truth: What if, this time, love is not enough?"--Amazon.com, viewed September 23, 2013.

**Acts of Rebellion** - Ward Churchill 2003-12-16

What could be more American than Columbus Day? Or the Washington Redskins? For Native Americans, they are bitter reminders that they live in a world where their identity is still fodder for white society. "The law has always been used as toilet paper by the status quo where American Indians are concerned," writes Ward Churchill in *Acts of Rebellion*, a collection of his most important writings from the past twenty years. Vocal and incisive, Churchill stands at the forefront of American Indian concerns, from land issues to the American Indian Movement, from government repression to the history of genocide. Churchill, one of the most respected writers on Native American issues, lends a strong and

radical voice to the American Indian cause. Acts of Rebellion shows how the most basic civil rights' laws put into place to aid all Americans failed miserably, and continue to fail, when put into practice for our indigenous brothers and sisters. Seeking to convey what has been done to Native North America, Churchill skillfully dissects Native Americans' struggles for property and freedom, their resistance and repression, cultural issues, and radical Indian ideologies.

**Stepping Back to Look Forward** - Charles H. W. Foster 1998

This timely collection of essays - written by nine recognized forestry and environmental specialists - tells the story of the conservation, use, and changes in the Commonwealth's forests over time. The book traces the development of pre-settlement, colonial, and post-Revolutionary War forest practices, and concludes with recommendations as to how history might be used to inform and shape future policy. Underscored is the importance of private and local leadership, such as the unique Massachusetts town forest movement. Economic contributions and educational programs are detailed, as well as the ways Massachusetts' leadership has influenced national forestry. Written for the layperson, and reflecting the particular experience and style of each contributor, the history will appeal to a range of readers from local conservation activists to forestry professionals and policymakers.

**The Sandman Universe Presents Hellblazer (2019-) #1** - Simon Spurrier 2019-10-30

The second year of the Sandman Universe begins with the long-awaited arrival of one of DC's most iconic characters...John Constantine, Hellblazer! He's cheated death and damnation more times than he can count, but never like this. Long ago, in the crucible of a magical war waged across countless futures, Constantine was murdered by an all-powerful adversary: a twisted version of Timothy Hunter, bloated with evil. But over the past year strange forces have conspired to restart Tim Hunter's tale, and somehow-amid sorcery, insanity and secret agendas-this older, wiser, wilier shade of Constantine has been dragged back with it. Unlike young Tim, John remembers every second of a life that went very, very wrong. Now he must ask himself why he, the last person in the

world to deserve a second chance, has been given one. Is John Constantine here to put Tim Hunter on the right track and avert a terrible outcome? Or is it because he's the only person in existence with the guts to do what REALLY must be done? After all, he's a nasty piece of work, chief...ask anybody. This oversize one-shot sets the stage, and is the perfect jumping-on point, for a new era of Sandman Universe tales beginning in November...and is the official start of the strangest chapter yet in John Constantine's long life!The second year of the Sandman Universe begins with the long-awaited arrival of one of DC's most iconic characters...John Constantine, Hellblazer! But two years after Tess married the decorated cop and bore his child, she helped put him behind bars for savagely murdering ten women. Even locked up in a maximum security prison, he vowed he would come after her and make her pay. Now the cunning killer has escaped—and the most dangerous

game of all begins. . . . After a lifetime of fear, Tess will do something she's never done before. She's going to learn to protect her daughter and fight back, with the help of a burned-out ex-marine. As the largest manhunt four states have ever seen mobilizes to catch Beckett, the clock winds down to the terrifying reunion between husband and wife. And Tess knows that this time, her only choices are to kill—or be killed.

**Heart's Insanity** - Ellie Masters 2016-07-15

Skye Summers endured a tragic past. She wants what the past stole, and despite lingering scars, she's surviving and thriving. Now she cures the sick, heals the wounded, and takes care of those clinging to life. The only person she can't heal is herself, because Skye is too broken for love. Ash Dean has it all: Fame, fortune, and the adoration of screaming fans. The constant parties, drugs, alcohol, and an endless string of one-night stands are taking their toll. He gives and his fans take, until he's lost within the crowd. He wants someone to see him for the man he wishes to be rather than the one he's become. One fate... Two lives... Three Days... No sex. That's the proposition... It would be insane to accept and Skye's a fool to agree, but she's tired of playing it safe. It's time to take a leap of faith, besides what could go wrong?

**Jane Two** - Sean Patrick Flanery 2016-04-05

A coming of age debut novel from The Boondock Saints and Young Indiana Jones actor Sean Patrick Flanery. A young Mickey navigates through the dense Texas humidity of the 70s and out onto the porch every single time his Granddaddy calls him, where he's presented with the heirloom recipe for life, love, and manhood. But all the logic and insight in the world cannot prepare him to operate correctly in the presence of a wonderfully beautiful little girl who moves in just behind his rear fence. How will this magical moment divide Mickey's life into a "before and after" and permanently change his motion and direct it down the unpaved road to which only a lucky few are granted access?

All Hell Breaks Loose - Sharon Hannaford 2012-12-15

In the City, the Werewolves are restless. Gabi is striving to get back to life as usual. Dealing with the aftermath of being kidnapped and tortured by Dante, wrapping her head around being a Dhampir, and trying to

figure out Julius's unexpected attitude as he withdraws from her and becomes cool and distant. As if that isn't enough to cope with, she receives the disturbing news that someone she cares about has been dragged unwillingly into her world after a brutal and calculated Werewolf attack. As rogue Werewolves run rampant through the City, it becomes clear there will be no gentle reintroduction to Gabi's duties as Hunter for the Societas Malus Venatori. Once again the Vampires join forces with the SMV to contain the threat, but the odds seem stacked against them and the casualties keep mounting. Tensions run high as the perpetrators manage to stay one step ahead of the Hunters and the senseless violence continues. No one suspects betrayal from within, until Gabi's pets unmask a traitor. But the traitor isn't the real threat and the war has only just begun. This time their nemesis isn't playing by any rules and no one is safe in this deadly, new game. Not even the Master Vampire of the City. As the undeniable chemistry between Gabi and Julius reignites, they realise the danger isn't only to the human population of the City, but threatens to overwhelm them all. What they finally uncover brings Gabi into very real conflict with the SMV Council and leaves her questioning her life-long allegiances. Not all monsters come in obvious monster packages and sometimes what you're fighting to protect is what you should be fighting against. Not everyone will walk away from this fight intact. Strap in, hang on and grab a breath while you can. All hell is about to break loose! "The Hellcat series is one wild ride ... one of the best new series to hit the dark urban fantasy world, ever! Two words: more, please." Diane Nelson (Sand in my Shoes Reviews)

**Autobiography of Mother Jones** - Mary Harris Jones 2012-04-30

This important addition to labor and feminist literature speaks tirelessly and effectively on behalf of workers' rights and unions in the late 19th and early 20th centuries.

Supreme Courtship - Christopher Buckley 2008-09-03

President of the United States Donald Vanderdamp is having a hell of a time getting his nominees appointed to the Supreme Court. After one nominee is rejected for insufficiently appreciating To Kill A Mockingbird,

the president chooses someone so beloved by voters that the Senate won't have the guts to reject her -- Judge Pepper Cartwright, the star of the nation's most popular reality show, Courtroom Six. Will Pepper, a straight-talking Texan, survive a confirmation battle in the Senate? Will becoming one of the most powerful women in the world ruin her love life? And even if she can make it to the Supreme Court, how will she get along with her eight highly skeptical colleagues, including a floundering Chief Justice who, after legalizing gay marriage, learns that his wife has left him for another woman. Soon, Pepper finds herself in the middle of a constitutional crisis, a presidential reelection campaign that the president is determined to lose, and oral arguments of a romantic nature. Supreme Courtship is another classic Christopher Buckley comedy about the Washington institutions most deserving of ridicule.

**The Dark Shadows Daybook** - Patrick McCray 2021-08-17

Rondo Award-winning website, The Collinsport Historical Society, presents this wide-ranging collection of essays, insights, and observations from its long-running column, The Dark Shadows Daybook. From the earliest episodes to speculation on the future of the franchise, author Patrick McCray celebrates the grand themes and iconic characters of Dark Shadows with a devout irreverence. Winner of the 2018 Rondo Award for Writer of the Year, Patrick McCray chronicles the unforgettable series by exploring its episodes in articles and asides, all originally written on the anniversary of their filming. With a new introduction by Emmy award-winning humorist, Dana Gould, The Dark Shadows Daybook is affectionate, spontaneous, and refreshingly raucous reading for fans of the series and anyone else looking to learn why Dark Shadows matters.

**To Hell and Back (Hellcat Series Book 4)** - Sharon Hannaford 2014

SOME SECRETS ARE WORTH DYING TO PROTECT When Werewolves start turning up dead, drained of blood, the City's Alphas turn accusing eyes on the Vampires. It doesn't take much to get the newly-formed Werewolf Alliance riled up. But once Vampires start dying the same way it becomes clear they have a mutual enemy. An unexpected visitor brings news that vulnerable supernaturals from neighbouring towns are also

being kidnapped and murdered, and that the City seems to be the focus of the violence. With no idea of the motives behind the attacks, Gabi and the rest of the City's defenders immediately commit to eliminating whoever, or whatever, is behind the bizarre and gruesome acts. Adding to the chaos, demons suddenly attack in unprecedented numbers, stretching the City's supernatural resources thin. The reappearance of an old foe from the Etherworld sparks fears that Mariska is back, still seeking revenge. And that once again she's made powerful, dark alliances. When all fingers point to something hellbent on uncovering whatever secrets the City hides, eyes finally turn to the Magi. A war will be waged for the greatest supernatural prize of them all, and the outcome is impossible to predict. Not even the presence of a powerful Princep and the shocking revelation of Julius's true potential can assure victory for the pure of heart. This time Gabi is determined to get Mariska in her crosshairs, and she's ready and willing to even the score. But there is no guarantee that everyone will survive this trip to Hell and back!

*Treasured by a Tiger* - Felicity Heaton 2017-09-09

Despised by his tiger shifter pride as an abomination, Grey has ventured far from home, deep into the bowels of Hell in search of answers about the machinations of Archangel, the mortal hunter organisation who held his twin captive. With no knowledge of the realm, and little skill with the local languages, he quickly finds himself at a dead end—until he crosses paths with a beautiful hellcat female who rouses his darkest most dangerous instincts. Lyra has been a fool, falling for the charms of a male whose only desire was to make a fast buck by selling her. Shackled and collared, her strength muted by magic, she awaits her time on the stage at a black-market auction, but before it can come, all hell breaks loose and she seizes a chance to escape—and runs straight into a majestic warrior who steals her breath away and tempts her like no other as he battles alone to free everyone. When Lyra offers her services as a translator to repay Grey for saving her, will he be strong enough to resist the needs she awakens in him and spare himself the pain of her inevitable rejection when she discovers the truth about him? And when the powerful male in charge of the slave ring starts a bloody hunt for

Lyra, can she escape another collar and find the courage to trust the tiger who is capturing her heart? *Treasured by a Tiger* is the fourteenth book in the *Eternal Mates Romance* series. **Raising Hell** - Sharon Hannaford 2018-06-05  
The rest period is over and the ultimate endgame round has just begun.

The City has seen a peaceful lull for the past three years. The Werewolf Alliance has settled into their role as peacekeepers, stamping out threats the moment they rear their heads. The Magi have recovered from their losses both in numbers and strength and the Veil is more solid than ever. The Vampires never rest; the desire to create Dhampirs grows despite the law and the deadly consequences, but even their weapons are gathering dust. And yet all of them know this peace is an illusion; a small space in time to rest and regroup. Because the Decuria still exist in the shadows and the Prophecy calls to all sides. The battle of the millennium is looming and only one side can win. A new player has joined the game as old foes prepare to once more roll the dice. The board pieces are set, the gameplan is decided and the protectors of the City are the only ones who don't know the rules. Kyle and Trish have the family they never dared to wish for. Not only two daughters but an ever-growing, ever-strengthening Werewolf Pack. The love and security of family is everything they desired, but the weight of responsibility is burdensome and they can never let down their guard. Just when they thought everything was black and white, they are faced with a new choice; one that is all shades of grey, one that could change the Werewolf world forever. Still reeling from the shock of the decision they must make, the fragile peace is inevitably broken, leaving the Pack blind-sided and chasing their tails. It will take everything they have to keep their family and friends safe. They will have to find strength in their weaknesses and vulnerability in their strengths if they are to survive this assault. Can they ever be prepared for the consequences of that which has been prophesied? Fasten that safety belt and grab a handhold, this will not be a quiet Sunday afternoon drive.

**Letting Go** - Philip Roth 2010-12-23

Gabe Wallach, freshly discharged from the Korean War army, reeling from his mother's recent death, and thus freed from old attachments, is hungrily seeking new ones. He's drawn to Paul Herz, a fellow graduate in literature, and to Libby - Paul's moody, Catholic-turned-Jewish wife. Gabe wonders: how to reconcile the ordered 'world of feeling' found in books with the anarchy of life, responsible adulthood, and his own love affairs?

When Gabe meets Martha Reganhart, a spirited, outspoken, divorced mother of two, she poses the greatest challenge that he, and his moral enthusiasm, will face. Letting Go is Philip Roth's blistering first full-length novel.

**Capitals of Punk** - Tyler Sonnichsen 2019-04-09

Capitals of Punk tells the story of Franco-American circulation of punk music, politics, and culture, focusing on the legendary Washington, DC hardcore punk scene and its less-heralded counterpart in Paris. This book tells the story of how the underground music scenes of two major world cities have influenced one another over the past fifty years. This book compiles exclusive accounts across multiple eras from a long list of iconic punk musicians, promoters, writers, and fans on both sides of the Atlantic. Through understanding how and why punk culture circulated, it tells a greater story of (sub)urban blight, the nature of counterculture, and the street-level dynamics of that centuries-old relationship between France and the United States.
