*Offshore Oil and Gas Installations Security* - Mikhail Kashubsky 2015-12-16

Oil and natural gas, which today account for over 60% of the world's energy supply, are often produced by offshore platforms. One third of all oil and gas comes from the offshore sector. However, offshore oil and gas installations are generally considered intrinsically vulnerable to deliberate attacks. The changing security landscape and concerns about the threats of terrorism and piracy to offshore oil and gas installations are major issues for energy companies and governments worldwide. But, how common are attacks on offshore oil and gas installations? Who attacks offshore installations? Why are they attacked? How are they attacked? How is their security regulated at the international level? How has the oil industry responded? This timely and first of its kind publication answers these questions and examines the protection and security of offshore oil and gas installations from a global, industry-wide and company-level perspective. Looking at attacks on offshore installations that occurred throughout history of the offshore petroleum industry, it examines the different types of security threats facing offshore installations, the factors that make offshore installations attractive targets, the nature of attacks and the potentially devastating impacts that can result from attacks on these important facilities. It then examines the international legal framework, state practice and international oil and gas industry responses that aim to address this vital problem. Crucially, the book includes a comprehensive dataset of attacks and security incidents involving offshore oil and gas installations entitled the Offshore Installations Attack Dataset (OIAD). This is an indispensable reference work for oil and gas industry professionals, company security officers, policy makers, maritime lawyers and academics worldwide.

**American Headway** - John Soars 2010-06-04

Providing a foundation in the structure of the language by gradually building students' understanding of the basic grammar, vocabulary, and functions of English.

**American Headway** - Liz Soars 2004

*American Headway* - Liz Soars 2002-11-01

American Headway is a multilevel series for adults and young adults who want to use American English both accurately and fluently. Grammar and vocabulary are taught and explained thoroughly, and all four language skills are developed systematically. American Headway combines the best of traditional methods with more recent approaches to make the learning of English stimulating, motivating, and effective. American Headway 3 builds on the firm grammatical, lexical, and functional foundation laid in American Headway 1 and 2. Students broaden and deepen their understanding of English and extend their abilities to use it. Both fluency and accuracy are given equal attention at this intermediate level. Key features - Integrated skills work, where all four skills are developed in context - Universal topics selected from a wide variety of material - In-depth treatment of grammar, with clear presentations, self-check exercises in the Grammar Spot, and detailed explanations in the Grammar Reference followed by extensive practice activities - Systematic vocabulary syllabus, including dictionary training and work on systems such as collocation - Pronunciation work, which is integrated at appropriate points - Everyday English section, which practices functional language and social situations

**Hedwig and the Angry Inch** - Stephen Trask 2003

THE STORY: This groundbreaking Obie-winning Off-Broadway smash also won multiple awards for its hit film adaptation. It tells the story of internationally ignored song stylist Hedwig Schmidt, a fourth-wall smashing East German rock 'n' roll godde

**New Headway: Pre-Intermediate Fourth Edition: Student's Book** - John Soars 2012-03-15

**American Headway 2. Students Book + Oxford Online Skills Program Pack** - Liz Soars 2015-04

The world's most trusted English course, now with a new generation of digital support.

**American Headway, Level 2** - OXFORD UNIVERSITY PRESS 2015-06-11

The Headway series and its award-winning authors, Liz and John Soars, have helped around 100 million students in over 127 countries learn English. Teachers around the world have told us that Headway helps students succeed in and beyond the classroom. Read their stories at [www.oup.com/elt/provensuccess](http://www.oup.com/elt/provensuccess). AmericanHeadway third edition supports students to succeed beyond the classroom more than ever before. Students can: Accelerate their progress in speaking and prepare for high-stake tests with more conversation. Manage their own learning with new digital resources. The Oxford Online Skills Program allows students to improve their reading, writing, listening and speaking skills independently. iChecker Online Self-Assessment prepares students for exam success with a variety of exam-style test preparation exercises. American Headway also supports teachers to prepare successful lessons. In our American Headway global teacher survey (Oxford University Press, 2014), 89% of teachers reported that they are more creative and willing to try new activities after using American Headway. 71% said they are more passionate in their teaching. With the third edition, teachers can now: Download 100% new assessment material from the Testing Program. Bring the Student Book, Workbook, and all media together in one place and create a dynamic classroom environment with iTools classroom presentation software.

**American Headway Level 3** - Liz Soars 2015-09-17

**The 4 Disciplines of Execution** - Chris McChesney 2016-04-12  
BUSINESS STRATEGY. "The 4 Disciplines of Execution" offers the what but also how effective execution is achieved. They share numerous examples of companies that have done just that, not once, but over and over again. This is a book that every leader should read! (Clayton Christensen, Professor, Harvard Business School, and author of "The Innovator's Dilemma"). Do you remember the last major initiative you watched die in your organization? Did it go down with a loud crash? Or was it slowly and quietly suffocated by other competing priorities? By the time it finally disappeared, it's likely no one even noticed. What happened? The whirlwind of urgent activity required to keep things running day-to-day devoured all the time and energy you needed to invest in executing your strategy for tomorrow. "The 4 Disciplines of Execution" can change all that forever.

*American English File* - Clive Oxenden 2010-01-07

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.
