**Dare to Speak** - Suzanne Nossel 2020-07-28

"A must read."—Margaret Atwood A vital, necessary playbook for navigating and defending free speech today by the CEO of PEN America, Dare To Speak provides a pathway for promoting free expression while also cultivating a more inclusive public culture. Online trolls and fascist chat groups. Controversies over campus lectures. Cancel culture versus censorship. The daily hazards and debates surrounding free speech dominate headlines and fuel social media storms. In an era where one tweet can launch—or end—your career, and where free speech is often invoked as a principle but rarely understood, learning to maneuver the fast-changing, treacherous landscape of public discourse has never been more urgent. In Dare To Speak, Suzanne Nossel, a leading voice in support of free expression, delivers a vital, necessary guide to maintaining democratic debate that is open, free-wheeling but at the same time respectful of the rich diversity of backgrounds and opinions in a changing country. Centered on practical principles, Nossel's primer equips readers with the tools needed to speak one's mind in today's diverse, digitized, and highly-divided society without resorting to curbs on free expression. At a time when free speech is often pitted against other progressive axioms—namely diversity and equality—Dare To Speak presents a clear-eyed argument that the drive to create a more inclusive

society need not, and must not, compromise robust protections for free speech. Nossel provides concrete guidance on how to reconcile these two sets of core values within universities, on social media, and in daily life. She advises readers how to: Use language conscientiously without self-censoring ideas; Defend the right to express unpopular views; And protest without silencing speech. Nossel warns against the increasingly fashionable embrace of expanded government and corporate controls over speech, warning that such strictures can reinforce the marginalization of lesser-heard voices. She argues that creating an open market of ideas demands aggressive steps to remedy exclusion and ensure equal participation. Replete with insightful arguments, colorful examples, and salient advice, Dare To Speak brings much-needed clarity and guidance to this pressing—and often misunderstood—debate.

[Speaking Effectively](#) - Air University Press 2019-07-09

Dr. Kline presents techniques on how to speak successfully. He provides examples and pointers for both the novice and the skilled speaker. Dr Kline's book, Speaking Effectively, is an essential resource for anyone faced with any kind of speaking situation. It contains hints, anecdotal examples, and the accumulated wisdom of decades of speaking experience. John is highly regarded in government, religious, and corporate circles and widely in demand because he is a great speaker

and because he can help anyone communicate more effectively. He brings that expertise forward in a way that both teaches and entertains.

**Speaking With One Voice** - Chantal Benoit-Barné 2021-09-23

This book explores the dynamics and challenges that underlie the ability of organizations to speak with one voice. Contributions by experienced and emerging scholars shed light on the nature and regulation of the communication processes whereby the many and diverse voices of a collective can unite, act, and speak as a distinct entity, thus contributing to its organizing. By focusing on communicational events, whether in the context of for-profit and non-profit organizations, political protests or social movements, chapters guide the reader through the diverse manifestations and concrete ways of dealing with the imperative for organizations of all kinds to speak with one voice. In doing so, the book creates bridges between different perspectives with regard to the notion of voice and its significance for the study of organizing; between fields of study; and between theory and empirical research aimed at investigating organizing beyond the boundaries of the formal organization. Offering a thorough and comprehensive investigation of the dynamics between multivocality and univocality in the organizing of various collectives, this book will be an important resource for scholars and students of organizational communication, management studies, media studies and rhetorical studies.

**Your Voice Matters** - Susan Skog 2019-08-26

Featuring some of the bravest, most inspiring young voices of our time, YOUR VOICE MATTERS: STAND UP, SPEAK OUT is a road map for using your own voice with more confidence, power, and impact. Whether you want to speak your truth, stand up for others, or advocate for a cause. Listen to the calls-to-action from more than 30 young and contemporary leaders. Then, join them and channel your own hopes, passions, fears, and struggles. To improve your world-and maybe even ignite a movement that ripples across the earth. If you long to be the voice of your generation, this book is for you!

**Giving Voice to Values** - Mary C. Gentile 2010-08-24

How can you effectively stand up for your values when pressured by your boss, customers, or shareholders to do the opposite? Drawing on actual business experiences as well as on social science research, Babson College business educator and consultant Mary Gentile challenges the assumptions about business ethics at companies and business schools. She gives business leaders, managers, and students the tools not just to recognize what is right, but also to ensure that the right things happen. The book is inspired by a program Gentile launched at the Aspen Institute with Yale School of Management, and now housed at Babson College, with pilot programs in over one hundred schools and organizations, including INSEAD and MIT Sloan School of Management. She explains why past attempts at preparing business leaders to act ethically too often failed, arguing that the issue isn't distinguishing what is right or wrong, but knowing how to act on your values despite opposing pressure. Through research-based advice, practical exercises, and scripts for handling a wide range of ethical dilemmas, Gentile empowers business leaders with the skills to voice and act on their values, and align their professional path with their principles. Giving Voice to Values is an engaging, innovative, and useful guide that is essential reading for anyone in business.

**Speak** - Tunde Oyeyeyin 2022-05-03

From Tunde Oyeyeyin, the massively popular Peloton instructor, fitness star, and founder of SPEAK, comes an empowering, inspiring book that shows how she transformed grief, setbacks, and flaws into growth, self-confidence, and triumph—for fans of Shonda Rhimes, Brene Brown, and Glennon Doyle. On any given day, thousands of devoted people clip into their bikes and have their lives changed by Tunde Oyeyeyin. From her platform in a Peloton studio, she encourages riders with her trademark blend of positivity, empathy, and motivational “Tunde-isms,” to push themselves to their limits both on and off the bike. Now, fans and readers everywhere can learn about her personal journey, and discover how they too can “live a life of purpose, on purpose” with Speak, a memoir-manifesto-guide to life inspired by her immensely popular Instagram Live

series of the same name. Taking us through each step of the SPEAK acronym—Surrender, Power, Empathy, Authenticity, and Knowledge—Oyenyin shares the lessons she has learned about loss, love, body image, and how she has successfully created an intentional, joyful life for herself, offering an accessible blueprint for anyone looking to make a positive change in their lives.

Untamed Voices - Debbie McGillivray 2014-02-21

Do you believe that animals have thoughts, feelings and emotions? Do you wonder where animals go when they pass out of their physical body? Do you believe that animals can express the wisdom of their soul? Stories of Love, Loss, Forgiveness and Survival. If you listen, they will speak. What they say is sure to surprise, enlighten and open your heart in ways you never thought possible. Sue Steffens, owner of Tigers for Tomorrow Exotic Animal Preserve and Debbie McGillivray, a Professional Animal Communicator combine forces to give the animals a voice. They take us on a journey into the spirit of these magnificent beings and share with you direct messages from the animals while uncovering their wisdom, depth of emotion, intelligence and psychic awareness. It is time to give the animals a voice. They know more about this world and our species than you may think. Open your heart and prepare to view the world with new eyes and a new understanding of the world around you and the animals who are more than just flesh and blood, but messengers from God. What do the animals need to tell us? Where do they go when they die? Can animals sense world changes and disaster? What advice do they have for us? \*A portion of the proceeds from every book sale will be donated back to the animals. Animal Communication, Animal Rescue, Animal Stories, Pet Loss, Giving the animals a voice. (Black and white version)

Let Your Life Speak - Parker J. Palmer 2015-06-22

PLEASE NOTE: Some recent copies of Let Your Life Speak included printing errors. These issues have been corrected, but if you purchased a defective copy between September and December 2019, please send proof of purchase to [josseybasseducation@wiley.com](mailto:josseybasseducation@wiley.com) to receive a replacement copy. Dear Friends: I'm sorry that after 20 years of happy

traveling, Let Your Life Speak hit a big pothole involving printing errors that resulted in an unreadable book. But I'm very grateful to my publisher for moving quickly to see that people who received a defective copy have a way to receive a good copy without going through the return process. We're all doing everything we can to make things right, and I'm grateful for your patience. Thank you, Parker J. Palmer With wisdom, compassion, and gentle humor, Parker J. Palmer invites us to listen to the inner teacher and follow its leadings toward a sense of meaning and purpose. Telling stories from his own life and the lives of others who have made a difference, he shares insights gained from darkness and depression as well as fulfillment and joy, illuminating a pathway toward vocation for all who seek the true calling of their lives.

Playful Mindfulness - Ted DesMaisons 2019-03-21

Playful Mindfulness brings together wisdom from the worlds of mindfulness (paying attention to the present moment with curiosity and kindness) and improvisation (making life up courageously as you go along) so readers can find greater confidence, calm, and connection. CONFIDENCE. CALM. CONNECTION. Do you long to express that creative project or idea but tell yourself you're not good or clever or funny enough, so why even try? Do you dream of a wide-open life filled with moments of wonder, delight and surprise but find yourself trapped in routine and smothered by stress? Do you yearn for deep, meaningful connection with those around you but feel yourself ever more isolated by social media and modern technology? HOPE IS ON THE WAY. In these pages, Ted DesMaisons takes your hand and leads you on a beautiful, surprising and unruly adventure into the lands where mindfulness and improvisation overlap. There, you'll discover the same freedom, ease, and joy that thousands of his students at Stanford and elsewhere have found for themselves.

**The Right to Speak** - Patsy Rodenburg 2015-05-21

This bestselling book by one of the world's foremost voice and acting coaches is a classic in its field. Practical, passionate and inspiring, it teaches how to use the voice fully and expressively, without fear and in any situation. Patsy Rodenburg has trained thousands of actors, singers,

lawyers, politicians business people, teachers and students: her book distills that knowledge and experience so that everyone can enjoy the right to speak. This second edition contains new revisions and additional content taking into account the effect of social media on communication skills, the need for empathetic listening, how scientific discovery now illuminates why and how voice exercises work and cultural and global issues of ethics and storytelling.

*The Second Circle: Using Positive Energy for Success in Every Situation* - Patsy Rodenburg 2017-09-26

The key to unlocking your power—and the inspired life that comes with it—from the renowned voice and acting coach. You know that person: the one with that certain something. And you've probably dismissed that something as unattainable, simply innate. But it's a myth that some are born with "it" and others aren't. Everybody can have that presence—and the peaceful self-acceptance that powers it. Patsy Rodenburg reveals that the secret is learning to inhabit "the second circle": the optimal state between the first circle of introversion and self-doubt and the third of aggression and narcissism. She provides exercises to help you break the habits that constrict your real power and to better cope with the negative behaviors and attitudes of those around you. With wisdom and patience, Rodenburg teaches you how to communicate effectively at home, work, school, and—most important—with yourself. The Second Circle will empower you to meet life's most extraordinary trials with brio and to embrace the joys and challenges of every single day.

**Your Voice Is Your Calling Card** - Suzann Rye 2009-06-01

"A step-by-step approach . . . touches on the spiritual, the emotional, and the physical aspects of performance"—includes free audio bonuses (Roger N. Quevillon, coauthor of *Living in Clarity*). Whether a professional stage performer, teacher, coach, or business professional, everyone is a performer. This primer is the ultimate voice and performance coaching package for overcoming nerves and stage fright and becoming a remarkable, inspiring speaker. "The holistic approach to voice training offered in this book will benefit speakers looking to break free of formulaic approaches to overcoming speech fright that just don't

work. A 'must add' for every speaker's library." —Susan Berkley, author of *Speak to Influence* "Tackles your fears, expands your comfort zone, and emphasizes several breathing/projection exercises to improve your delivery." —Mark Cravens, author of *The Ten Commandments of Investing™* "A wonderful guidebook for anyone who relies on their voice. In particular, the section on vocal training provides an incredibly comprehensive explanation of the many aspects of voice quality and provides a full set of exercises allowing them to be developed." —Michael Nicholas, author of *Being the Effective Leader* "I was amazed by [Suzanne's] profound understanding of the mechanics of the vocal instrument, but perhaps even more importantly, I realized what a remarkable advocate of the holistic dimension of the voice she is. This book contains a wealth of practical knowledge. It is both helpful and inspiring. I invite you to let Suzanne be your guide in this fascinating journey to discover your own inner voice and build it step by step to make it 'your calling card.'" —Nabil Doss, President, 2008-2009, Canadian Association of Professional Speakers, Montreal Chapter [Speaking Shakespeare](#) - Patsy Rodenburg 2015-11-10

In *Speaking Shakespeare*, Patsy Rodenburg tackles one of the most difficult acting jobs: speaking Shakespeare's words both as they were meant to be spoken and in an understandable and dramatic way. Rodenburg calls this "a simple manual to start the journey into the heart of Shakespeare," and that is what she gives us. With the same insight she displayed in *The Actor Speaks*, Rodenburg tackles the playing of all Shakespeare's characters. She uses dramatic resonance, breathing, and placement to show how an actor can bring Hamlet, Rosalind, Puck and other characters to life. This is one book every working actor must have. *The Actor Speaks* - Patsy Rodenburg 2015-11-10

In *The Actor Speaks*, Patsy Rodenburg takes actors and actresses, both professional and beginners, through a complete voice workshop. She touches on every aspect of performance work that involves the voice and sorts through the kinds of vexing problems every performer faces onstage: breath and relaxation; vocal range and power; communication with other actors; singing and acting simultaneously; working on

different sized stages and in both large and small auditoriums; approaching the vocal demands of different kinds of scripts. This is the final word on the actor's voice and it's destined to become the classic work on the subject for some time to come.

*The Need for Words* - Patsy Rodenburg 2018-02-22

Patsy Rodenburg explores how we speak, what we speak and the impact of the spoken word. As one of the world's leading voice coaches, she describes practical ways to approach language, and uses Shakespeare, Romantic poetry, modern prose and a range of other texts to help each of us discover our own unique need for words. In Part One the author attacks the myth that there is only one correct way to speak by clearing away the blocks that can make language inaccessible. Part Two, a series of language and text exercises, connects the voice to the shape and quality of individual words and phrases. Drawing on the author's time spent coaching in the worlds of business and politics, this new edition reflects on how the way we use words has changed since the book was first published. It brings a renewed focus on the language of power - spoken in the worlds of politicians and company directors - which will give readers an insight into the potency of clear, direct communication. Finally, new language exercises provide readers with unmediated access to this new research, allowing them to practice and master the language and words that drive the modern world.

**Archer's Voice** - Mia Sheridan 2016-11-01

Fall in love with this emotional New York Times bestselling romance between two tortured souls who find their chance at happiness in the most unexpected way. I wanted to lose myself in the small town of Pelion, Maine. To forget everything I had left behind. The sound of rain. The blood. The coldness of a gun against my skin. For six months, each breath has been a reminder that I survived -- and my dad didn't. I'm almost safe again. But the moment I meet Archer Hale, my entire world tilts on its axis . . . and never rights itself again. Until I trespass into his strange, silent, and isolated world, Archer communicates with no one. Yet in his whiskey-colored eyes, something intangible happens between us. There's so much more to him than just his beauty, his presence, or

the ways his hands communicate with me. On me. But this town is mired in secrets and betrayals, and Archer is the explosive center of it all. So much passion. And so much hurt. But it's only in Archer's silence that we might just find what we need to heal . . . and live. Includes an exclusive extended epilogue from Archer's POV! Named one of the "Top Romance Novels of All Time" by Goodreads! A New York Times, USA Today, and Wall Street Journal bestseller!

**Speak and Be Heard** - Richard Di Britannia 2019-09-07

Is your voice sabotaging your first impression by being weak, croaky or nasal? Are people asking you to slow down or speak up when you talk? Do you find your voice hurts after a short speech or are your opinions being ignored? All of these factors are the results of poor speech habits which 'Speak and Be Heard' aims to remove from your vocal routine! 'Speak and Be Heard' contains a collection of 101 voice and breathing exercises suitable for beginners to accomplished Toastmasters aimed at naturally improving your voice. Written by voice actor and audiobook narrator Richard Di Britannia, his exercises aim to help you speak with confidence and curate a warm, rich, natural voice that people enjoy listening to. You will learn: Ways to empower yourself with three key concepts that create a great voice. How to identify weaknesses in your own voice and how to fix them. Exercises to rectify breathing problems and strengthen the muscles used when talking. How to make your voice deeper or higher in pitch. Routines to clearly vocalise all forty-four phonemes of the English language such as 'st', 'th', and drills on difficult to pronounce words. Unlike books dedicated to tongue twisters or recitations of long speeches which can be overwhelming, 'Speak and Be Heard' is even suitable for those with complex vocal issues. It deconstructs and rebuilds your voice through Di Britannia's bespoke system. If you struggle with a particular vocal sound, mouth-shape or just have an anxiety when talking, 'Speak and Be Heard' aims to help you overcome your weaknesses! Order the paperback and receive the Kindle edition for free!

**Courageous Cultures** - Karin Hurt 2020-07-28

From executives complaining that their teams don't contribute ideas to

employees giving up because their input isn't valued--company culture is the culprit. *Courageous Cultures* provides a road map to build a high-performance, high-engagement culture around sharing ideas, solving problems, and rewarding contributions from all levels. Many leaders are convinced they have an open environment that encourages employees to speak up and are shocked when they learn that employees are holding back. Employees have ideas and want to be heard. Leadership wants to hear them. Too often, however, employees and leaders both feel that no one cares about making things better. The disconnect typically only widens over time, with both sides becoming more firmly entrenched in their viewpoints. Becoming a courageous culture means building teams of microinnovators, problem solvers, and customer advocates working together. In our world of rapid change, a courageous culture is your competitive advantage. It ensures that your company is "sticky" for both customers and employees. In *Courageous Cultures*, you'll learn practical tools that help you: Learn the difference between microinnovators, problem solvers, and customer advocates and how they work together. See how the latest research conducted by the authors confirms why organizations struggle when it comes to creating strong cultures where employees are encouraged to contribute their best thinking. Learn proven models and tools that leaders can apply throughout all levels of the organization, to reengage and motivate employees. Understand best practices from companies around the world and learn how to apply these strategies and techniques in your own organization. This book provides you with the practical tools to uncover, leverage, and scale the best ideas from every level of your organization.

**Discerning the Voice of God** - Priscilla C. Shirer 2012-01-01

Do you feel that the ability to hear God's voice is for other people and not for you? Is it only for people who lived in Biblical times? Not at all! The God who loved you enough to die for you loves you enough to talk to you. And wherever you are in your spiritual walk, God will find a way to speak to you in a way you will understand. Become acquainted with the Voice that has spoken from a fire and a cloud; with visible signs and an invisible Spirit; through a burning bush and burning hearts. Hear from

some of the most well-known Christians in history about how God speaks to them—and discover for yourself how you can discern the voice of God.

**Speak Up** - Miranda Paul 2020

Illustrations and easy-to-read, rhyming text encourage the reader to speak up about everything from their own name being mispronounced to someone bring a weapon to school. Includes author's note about real people who have found their voices, when to speak up, and how to express oneself without speaking.

**Speak** - Louisa Hall 2015-07-07

A thoughtful, poignant novel that explores the creation of Artificial Intelligence—illuminating the very human need for communication, connection, and understanding. In a narrative that spans geography and time, from the Atlantic Ocean in the seventeenth century, to a correctional institute in Texas in the near future, and told from the perspectives of five very different characters, *Speak* considers what it means to be human, and what it means to be less than fully alive. A young Puritan woman travels to the New World with her unwanted new husband. Alan Turing, the renowned mathematician and code breaker, writes letters to his best friend's mother. A Jewish refugee and professor of computer science struggles to reconnect with his increasingly detached wife. An isolated and traumatized young girl exchanges messages with an intelligent software program. A former Silicon Valley Wunderkind is imprisoned for creating illegal lifelike dolls. Each of these characters is attempting to communicate across gaps—to estranged spouses, lost friends, future readers, or a computer program that may or may not understand them. In dazzling and electrifying prose, Louisa Hall explores how the chasm between computer and human—shrinking rapidly with today's technological advances—echoes the gaps that exist between ordinary people. Though each speaks from a distinct place and moment in time, all five characters share the need to express themselves while simultaneously wondering if they will ever be heard, or understood.

**Let Them Speak** - Rick Jetter 2018-02-14

We say, "Student voice matters," but are we really listening? This book

will inspire you to find out what your students really think, feel, and need. You'll learn how to listen to and use student feedback to improve your school's culture. All you have to do is ask-and then Let Them Speak. *How to Speak Boy* - Tiana Smith 2020-01-07

Two sworn enemies start to fall in love through anonymous notes in *How to Speak Boy*, a fun and charming YA novel from Tiana Smith. Quinn and Grayson have been fierce speech and debate rivals for years. They can't stand one another, either in competition or in real life. But when their AP Government teacher returns their school assignments to the wrong cubbies, they begin exchanging anonymous notes without knowing who the other one is. Despite their differences, the two come together through their letters and find themselves unknowingly falling for the competition. Before the state tournament, the two of them need to figure out what they want out of life, or risk their own future happiness. After all, what's the point of speech and debate if you can't say what's in your heart?

**Speak** - De'Asia Scott 2017-11-16

It's Amaya's first month at a new school in a new state, and she's too scared to speak. Amaya has a stutter. At her old school she got bullied for how she talked, but she had finally just started making friends. And then her mom got a new job and moved them to DC, where she had to start all over again! Now Amaya is mad at her mom and scared at school. The only friend she shares her feelings with is her dog, Journey, who can talk back! If Amaya doesn't start speaking soon, she'll keep getting in trouble and will never make friends. Can Journey and her classmates help Amaya find her voice? The authors of this story are part of an innovative program run by Reach Incorporated. Reach develops grade-level readers and capable leaders by preparing teens to serve as tutors and role models for younger students, resulting in improved literacy outcomes for both. Learn more at [reachincorporated.org](http://reachincorporated.org). Books were created in collaboration with Shout Mouse Press. Shout Mouse is a nonprofit writing program and publishing house for unheard voices. Through writing workshops designed for all levels of literacy, Shout Mouse empowers writers from marginalized backgrounds to tell their

own stories in their own voices and, as published authors, to act as agents of change. Learn more at [shoutmousepress.org](http://shoutmousepress.org)  
*Finding Her Voice* - Faye Z. Belgrave 2021-09-01  
Find the strength and confidence needed to speak up, be heard, and assert yourself in a world filled with microaggressions and discrimination. Have you experienced stress, frustration, anger, or sadness as a Black girl in a predominantly White space? Have there been times when you were the only Black voice to speak up in class or in a social situation? Maybe you have felt lonely as the only Black person in a group. Unfortunately, you are far from alone. However, there are steps you can take to build self-empowerment, develop skills to address microaggressions, and explore your feelings and experiences in a meaningful way. This workbook can help you get started. Written by three powerful women who are lifelong advocates for racial justice, *Finding Her Voice* provides activities and exercises to help you challenge dominant culture, cultivate self-compassion and self-confidence, and build resilience in a world still filled with microaggressions and discrimination. You'll learn how to navigate awkward or difficult situations at school, with friends, and on social media. You'll also find real stories from other teens who share your experiences. By reading about situations faced by other Black girls in White spaces and responding to the critical questions and exercises in the workbook, you'll learn to recognize and address some of the challenges unique to the Black girl experience. Finally, you'll learn to strengthen your wonderful sense of self and own your power, and discover ways to share your amazing gifts with the world.

**The Woman's Voice** - Patsy Rodenburg 2023-02-09

Why are women still often not properly listened to? Why are they sometimes perceived to be less interesting than they are? Why do women tend to rush when they speak? Why do many women feel the pressure to sound like girls when they speak? From one of the world's leading experts on voice work comes this book, which is a call to arms for women to reclaim their voices. Arguing that power and voices are directly linked to breath, Rodenburg makes the case that Western society's oppression

of women has diminished their natural ability to breathe. She examines all of these questions, and many more, to decipher what lies at the heart of female empowerment when it comes to the voice. Combining elements of experience and practice from her prolific career, Rodenburg interrogates Shakespeare's texts and presentation of female characters; develops the notion of rhetoric in relation to the female voice; and applies concepts explored in her previous books, such as the three circles of presence. Exploring the female voice through practical exercises and stories from the front line, as well as profoundly personal and formative experiences from her own life, Rodenburg defines the art of accessing the voice within and reclaiming the woman's right to speak

**The Right to Speak** - Patsy Rodenburg 1992

First Published in 1993. Routledge is an imprint of Taylor & Francis, an informa company.

**Speaking With Skill** - Dudley Knight 2013-11-18

Actors and other professional voice users need to speak clearly and expressively in order to communicate the ideas and emotions of their characters - and themselves. Whatever the native accent of the speaker, this easy communication to the listener must always happen in every moment, onstage, in film or on television; in real life too. This book, an introduction to Knight-Thompson Speechwork, gives speakers the ownership of a vast variety of speech skills and the ability to explore unlimited varieties of speech actions - without imposing a single, unvarying pattern of "good speech". The skills gained through this book enable actors to find the unique way in which a dramatic character embodies the language of the play. They also help any speaker to communicate to a listener with total intelligibility without compromising the speaker's own accent; and to vary speech actions to meet different language needs. Supporting audio provides 116 tracks illustrating the exercises described in the book.

Voice And The Actor - Cicely Berry 2011-05-31

Voice and the Actor is the first classic work by Cicely Berry, Voice Director of the Royal Shakespeare Company and world-famous voice teacher. Encapsulating her renowned method of teaching voice

production, the exercises in this straightforward, no-nonsense guide will develop relaxation, breathing and muscular control - without which no actor or speaker can achieve their full potential. Illustrated with passages used in Cicely Berry's own teaching, Voice and the Actor is the essential first step towards speaking a text with truth and meaning. Inspiring and practical, her words will be a revelation for beginner and professional alike.

**The People Speak** - Colin Firth 2012

The People Speak tells the story of Britain through the voices of the visionaries, dissenters, rebels and everyday folk who took on the Establishment and stood up for what they believed in. Here are their stories, letters, speeches and songs, from the Peasants Revolt to the Suffragettes to the anti-war demonstrators of today. They are some of the most powerful words in our history. Compiled by the Oscar-winning actor Colin Firth, influential writer Anthony Arnone and the acclaimed historian David Horspool, The People Speak reminds us that democracy has never been a spectator sport.

*Raise Your Voice* - Kathy Khang 2018-07-31

It can be hard to speak up when power dynamics keep us silent and marginalized, especially when race, ethnicity, and gender are factors. Activist Kathy Khang roots our voice and identity in the image of God, showing how we can raise our voices for the sake of God's justice. We are created to speak, and we can both speak up for ourselves and speak out on behalf of others.

*Exit, Voice, and Loyalty* - Albert O. Hirschman 1970

An innovator in contemporary thought on economic and political development looks here at decline rather than growth. Albert O. Hirschman makes a basic distinction between alternative ways of reacting to deterioration in business firms and, in general, to dissatisfaction with organizations: one, "exit," is for the member to quit the organization or for the customer to switch to the competing product, and the other, "voice," is for members or customers to agitate and exert influence for change "from within." The efficiency of the competitive mechanism, with its total reliance on exit, is questioned for certain

important situations. As exit often undercuts voice while being unable to counteract decline, loyalty is seen in the function of retarding exit and of permitting voice to play its proper role. The interplay of the three concepts turns out to illuminate a wide range of economic, social, and political phenomena. As the author states in the preface, "having found my own unifying way of looking at issues as diverse as competition and the two-party system, divorce and the American character, black power and the failure of 'unhappy' top officials to resign over Vietnam, I decided to let myself go a little."

*The Power of Voice* - Denise Woods 2021-01-26

Foreword by Academy Award-winner Mahershala Ali "A comprehensive masterpiece. . . . Throughout the course of my life, I have struggled to be heard. With Denise's insightful tutelage and easy-to-apply techniques, I have not only manage to find my voice, but to powerfully express myself so others listen! If you want to feel inspired and completely empowered give yourself the gift of this beautiful read!"—Halle Berry, Academy Award-winning actor An internationally renowned and highly sought-after Hollywood voice coach shares proven practices to help anyone utilize the often-untapped power of their own authentic voice. From a toddler's first words to professional public speaking, from a marriage proposal to asking for a raise, our voice is our most crucial instrument of expression. The world judges us by our voice. And yet there has been no authoritative guide to mastering its full capacity and expressing our true selves in every aspect of life, from relationships and family to work. Until now. As one of the nation's most sought-after vocal coaches, Denise Woods has worked with everyone from Mahershala Ali, Will Smith, and Idris Elba to Kirsten Dunst and Jessica Chastain. In *The Power of Voice*, for the first time ever, Woods shares the secrets, tips, lessons, and stories that have helped Hollywood's biggest stars become confident, effective communicators. Readers will learn how to: Articulate clearly Gain confidence in any situation Release tension and stress Address speech issues such as upspeak, vocal fry, and nasality Become powerful public speakers Find their truest form of expression With her unmatched ability to teach vocal mastery in real-world terms, Woods offers a much-

needed, proven, practical, and invaluable set of tools that will forever change how we communicate and, ultimately, how we see ourselves and affect others.

*Speak with Impact* - Allison Shapira 2018-10-16

When you know what to say and how to say it, people listen. Find your powerful voice, and step into leadership. Speak with impact. Every day, you have an opportunity to use your voice to have a positive impact -- at work or in your community. You can inspire and persuade your audience -- or you can distract and put them to sleep. Presentation styles where leaders are nervous, ramble, and robotic can ruin a talk on even the most critical topics. As your performances become weak, your career projects start to dim. To get ahead and make an impact, you need to deliver well-crafted messages with confidence and authenticity. You must?sound?as capable as you are. Public speaking is a skill, not a talent. With the right guidance, anyone can be a powerful speaker. Written by former opera singer turned CEO and TEDx speaker Allison Shapira, *Speak with Impact* unravels the mysteries of commanding attention in any setting, professional or personal. Whether it's speaking up at a meeting, presenting to clients, or talking to large groups, this book's easy-to-use frameworks, examples and exercises will help you: Engage your audience through storytelling and humor Use breathing techniques to overcome stage fright Strengthen and project your voice by banishing filler words/uptalk Use effective body language and build your executive presence Compose a clear message and deliver confident, authentic presentations Learn to conquer fear, capture attention, motivate action, and take charge of your career with?Speak with Impact.

**Queen, Speak Out** - Christine H. Sandoval 2021-04-06

"Christine writes with empathy, clarity, and discernment. She shares practical insights that will move you to reclaim the power of your voice and be yourself." -Karen Arrington, Author of NAACP Image Award-Winning Book, *Your Next Level Life* Has anyone told you that you're not enough or left you with a nagging feeling of worthlessness? If so, you've been unjustly misled. Inhibited. Insulted. Invisible. Are these words trampling loudly through the chambers of your mind—echoing lies,

spurring self-doubt and imposter syndrome? "Who am I to . . . ?" is an oft-recurring, disempowering narrative. Yet it's the opposite of what's true. You are worthy of taking up space, being seen, and being heard. By speaking out, you activate your greatest weapon—your voice—to claim what's rightfully yours. Who are you not to . . . \* Go after your dreams. \* Be in-charge of your life. \* Be the person you were meant to be. \* Live a full, satisfying, and free life. \* Empower others as you empower yourself. In *Queen, Speak Out*, you'll discover the step-by-step path to dismantle obsolete, crippling beliefs and leverage the power of your voice to be as you are. Imagine what waking up to and owning your greatness could look like for you. Christine H. Sandoval is a writer, coach, and entrepreneur, helping finishers in transition rebuild their self-worth after an exit. She currently lives in Austin, Texas, with her husband Mike and dog Asher.

**The Right to Speak** - Patsy Rodenburg 2022-08-25

"It shouldn't surprise us that politicians, clerics, rock singers as well as actors queue up to train their voices under the supervision of Patsy Rodenburg. This book will explain her popularity among her pupils." – Sir Ian McKellen Practical, passionate and inspiring, this book teaches how to use the voice fully and expressively, without fear and in any situation. Patsy Rodenburg is one of the world's foremost voice and acting coaches, having trained thousands of actors, singers, lawyers, politicians, business people, teachers and students: her book distils that knowledge and experience so that everyone can enjoy the right to speak. Part one is a discursive account of our right to speak which examines impediments to clear, natural, confident speech and establishing habits that will help overcome these, while part two is a practical 'workbook' containing exercises and practical tips, providing a step-by-step approach to using the voice effectively. Covering speech and phonetics, dialects and accents, vocalising heightened emotions, singing, auditions, recording and caring for the health of your voice, these approachable and informative exercises aren't just designed to benefit actors and singers, but a wide range of readers who wish to improve the use of their voice to help them at work or when communicating in formal and informal

situations. This *Bloomsbury Revelations* edition also considers the effect of social media on communication skills, the need for empathetic listening, how scientific discovery now illuminates why and how voice exercises work, and cultural and global issues of ethics and storytelling. *Speak* - Laurie Halse Anderson 2011-05-10

The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.
