The Professor and the Madman Movie Tie-in - Simon Winchester
2019-09-15

New York Times Bestseller Simon Winchester's classic about the making of the Oxford English Dictionary—soon to be a major motion picture

starring Sean Penn and Mel Gibson. The making of the Oxford English Dictionary was one of the most ambitious projects ever undertaken. As definitions were collected, the overseeing committee, led by Professor James Murray, was stunned to discover that one man, Dr. W. C. Minor, had submitted more than ten thousand. But their surprise would pale in comparison to what they were about to discover when the committee insisted on honoring him. For Dr. Minor, an American Civil War veteran, was also an inmate at an asylum for the criminally insane. Masterfully researched and eloquently written, *The Professor and the Madman* is an extraordinary tale of madness, genius, and the incredible obsessions of two remarkable men that led to the making of the Oxford English Dictionary—and literary history. “The linguistic detective story of the decade... Winchester does a superb job of historical research.”—William Safire, *New York Times Magazine*

The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.
