**The Crystal Gryphon** - Andre Norton 2014-07-01

The adventures of Witch World continue as a cursed hero and his true love struggle for survival in a vast parallel universe of magic and high fantasy. Kerovan of Ulmsdale has long borne the curse of his ancestors' depredations. After pillaging a sanctum of the Old Ones, his bloodline has been forever marred by painful sickness and death. Kerovan was born strong and hardy, but he walks on hooves instead of human feet and

sees through eyes of amber—just as the Old Ones had. Bound in marriage to the beautiful Joisan of Ithkrypt, Kerovan seeks to claim his rightful place as Lord-heir of Ulmsdale. But first, the couple—separated by distance, yet linked in spirit—must unlock the powers held within a mystical necklace Joisan wears. The small crystal gryphon bears secrets that will bring them to the farthest reaches of the wilderness on a quest to save their people and their world from doom. Science Fiction Writers of America Grand Master Andre Norton's beloved novels of sword and sorcery have sold millions of copies worldwide. The Crystal Gryphon is the 3rd book in the Witch World: High Hallack Cycle, but you may enjoy reading the series in any order.

**Lost Talismans and a Tequila** - Annette Marie 2020-07-10

I thought I was a good judge of character, but recent events proved me wrong. Now, in a brilliant demonstration of my newfound caution, I'm putting all my faith in a demon who's tried to kill me before. I don't have any other options, so it's time to find one of the most illegal, reviled, and scarce mythics out there: a demon-mage summoner.

*The Magic and Science of Jewels and Stones* - Isidore Kozminsky 1922

**A Lapidary of Sacred Stones** - Claude Lecouteux 2012-12-04

A comprehensive dictionary of sacred and magical gem lore that draws on the rarest source texts of Antiquity and the Middle Ages • Reveals the healing and magical virtues of familiar gemstones, such as amethyst, emerald, and diamond, as well as the lore surrounding exotic stones such as astrios, a stone celebrated by ancient magicians • Examines bezoars (stones formed in animals' bodies) and “magnets” that attract materials other than metal • Based on ancient Arabic, Greek, Jewish, and European sources, ranging from the observations of Pliny the Elder to extremely rare texts such as the *Picatrix* and *Damigeron's Virtue of Stones* Our ancestors believed stones were home to sacred beings of power, entities that if properly understood and cultivated could provide people protection from ill fortune, envy, and witchcraft; grant invisibility and other magical powers; improve memory; and heal the sick from a wide variety of diseases. These benefits could be obtained by wearing the stone on a ring, bracelet, or pendant; through massage treatments with

the stone; or by reducing the gem into a powder and drinking it mixed with water or wine. Drawing from a wealth of ancient Arabic, Greek, Jewish, and European sources—from the observations of Pliny the Elder to extremely rare texts such as the *Picatrix* and *Damigeron's Virtue of Stones*--Claude Lecouteux provides a synthesis of all known lore for more than 800 stones. He includes such common examples as the emerald, which when engraved with the figure of a harpy holding a lamprey in its claws will banish panic and nightmares, and beryl, which when appropriately carved can summon water spirits or win its owner high renown, as well as more exotic stones such as astrios, a stone celebrated by ancient magicians and whose center glows like a star. Lecouteux also examines bezoars--stones formed in animals' bodies--as well as “magnets” that attract materials other than iron, such as gold, flesh, cotton, or scorpions. This comprehensive dictionary of sacred and magical gem lore, drawn from the rarest sources of Antiquity and the Middle Ages, represents a one-of-a-kind resource for gem enthusiasts and magical practitioners alike.

**The Sixth and Seventh Books of Moses** - Lauron William De Laurence 1910

A popular grimoire (black book) of spirit evocation noted for its multiplicity of seals and sigils. Although attributed to the biblical Moses and his brother Aaron, the earliest appearance of the work can only be traced as far as the 18th century.

*The Cambridge History of Magic and Witchcraft in the West* - David J. Collins, S. J. 2015-03-02

This book presents twenty chapters by experts in their fields, providing a thorough and interdisciplinary overview of the theory and practice of magic in the West. Its chronological scope extends from the Ancient Near East to twenty-first-century North America; its objects of analysis range from Persian curse tablets to US neo-paganism. For comparative purposes, the volume includes chapters on developments in the Jewish and Muslim worlds, evaluated not simply for what they contributed at various points to European notions of magic, but also as models of alternative development in ancient Mediterranean legacy. Similarly, the

volume highlights the transformative and challenging encounters of Europeans with non-Europeans, regarding the practice of magic in both early modern colonization and more recent decolonization.

**“The” Occult and Curative Powers of Precious Stones** - William Thomas Fernie 1973

The Magic of Jewels and Charms - George Frederick Kunz 1915

Grimoires - Owen Davies 2010-09-23

What is a grimoire? The word has a familiar ring to many people, particularly as a consequence of such popular television dramas as *Buffy the Vampire Slayer* and *Charmed*. But few people are sure exactly what it means. Put simply, grimoires are books of spells that were first recorded in the Ancient Middle East and which have developed and spread across much of the Western Hemisphere and beyond over the ensuing millennia. At their most benign, they contain charms and remedies for natural and supernatural ailments and advice on contacting spirits to help find treasures and protect from evil. But at their most sinister they provide instructions on how to manipulate people for corrupt purposes and, worst of all, to call up and make a pact with the Devil. Both types have proven remarkably resilient and adaptable and retain much of their relevance and fascination to this day. But the grimoire represents much more than just magic. To understand the history of grimoires is to understand the spread of Christianity, the development of early science, the cultural influence of the print revolution, the growth of literacy, the impact of colonialism, and the expansion of western cultures across the oceans. As this book richly demonstrates, the history of grimoires illuminates many of the most important developments in European history over the last two thousand years.

**The Seren Stone** - Lisa Shambrook 2022-04-05

Loren has always loved the fabled stone necklace her mother keeps hidden in her jewellery box. Steeped in lore and legend, it is said that it must be guarded from all who seek it. Unable to resist the lure of the beautiful stone, Loren accidentally invokes its magical properties, catapulting them to another realm. Soon everything is wrong. The Welsh valleys are flooded, the moon is fractured, and dragons—who should only live in storybooks—fill the skies. As Loren and her two siblings are drawn into a future that is barely recognisable, they team up with Orca, a cowardly lechrad, who helps them travel the enchanted land and protect the stone. They’ll need to fight evil and right their wrongs if they ever hope to return home again—and the stone’s peculiar magic might be their only chance.

Lighting the Eye of the Dragon - Jessica Eckstein 2013-10-29

Today the art of Feng Shui, once shrouded in secrecy and superstition, is taking on new life as a powerful, practical method for enhancing one's career, health and personal growth. Unfortunately, these techniques, as taught in the U.S.A., tend to be filled with incomplete, incorrect and unnecessarily complex information. Now Dr. Baolin Wu, renown Feng Shui practitioner and living master of the complete cannon of Taoist arts, presents publicly, for the first time, the inner teachings of the White Cloud Monastery in Beijing, as passed to him from a 1,000 year old oral tradition. Unlike other books on Feng Shui, this volume explains the inner reasons behind many common placement techniques, as well as detailing the exceptional meditation and Qi Gong exercises that have until now been held as hereditary secrets of the White Cloud monastery.

**Cauldron of the Gods** - Jan Fries 2005

Imagine the forest. As darkness falls, the somber beeches disappear in misty twilight and shadows seem to gather under their branches. Far away, the blackbird's call tells of the coming of the night. The birds cease their singing, silence descends, soon the beasts of the night will make their appearance. Between tangled roots, hidden by nettles and brambles, the earth seems to ripple. A few humps of earth seem to

emerge from the ground. They are the last traces of burial mounds, of mounds, which were tall and high 2500 years ago. Many of them have disappeared, hidden by tangled roots of beech and oak, ploughed flat by careless farmers, others again show caved-in tops where grave robbers have looted the central chamber. The locals shun these hills. There are tales that strange fires can be seen glowing on the mounds, and that on spooky nights, great armed warriors arise from their resting places. Then the doors to the deep are thrown open and unwary travelers have to beware of being invited into the halls of the dead and unborn. Here the kings of the deep feast and celebrate, time passes differently and strange treasures may be found. Who knows the nights when the gates are open? Who carries the primrose, the wish-flower, the strange blossom that opens the doors to the hollow hills?

**Wicca For Beginners** - Arin Corvinus 2019-12-09

If You Want to Build A Collection Of Magical Stones Or Want To Learn Crystal-Centred Spells, Then Keep Reading. The ancient Egyptians used clear quartz, emerald, and lapis lazuli in jewelry. They would also carve magical amulets for health, protection, and to purge evil spirits. The ancient Greeks used hematite to make their bodies invulnerable. And to this day, Jade is highly valued in China as a "dream stone" that helps to access the shamanic realm while meditating. Healers and shamans consider crystals to be alive due to their capability to impart healing energies to plants, animals, and people. And eventually, everything is energy, and everything is connected. Hence our intentions and thoughts can be harnessed and sent into the universe. Crystals are able to interact with that energy and help us to manifest the desired changes in our life. With that being said, author Arin Corvinus, reveals in her new book **Wicca For Beginners: Your Practical Handbook Of Wicca Crystal Magick** the lore of harnessing the energies of crystals, magical stones, and metals. Next to providing you the key concepts of crystal magic, you will learn how to prepare crystals for your magical practices and how to build a personal relationship with them. Eventually, you will discover how to use these crystals in your spell work and for magical creations such as amulets, elixirs, crystal baths, and much more. Crystals are creations of

the earth. And as such everyone is free to benefit from them - no matter if you're a solitary Wiccan or part of a coven. What you will discover in *Wicca For Beginners: Historical application and uses of crystals and stones* How to choose your crystals based on their properties and your intuition Step-by-step instructions to cleanse and charge your crystals for use in magic 5 amazing methods to harness projective and receptive energies of crystals by communicating and bonding methods The secret lore of attuning yourself with the energy coming from your crystal Profiles of 21 highly potent and widely used crystals every practitioner of contemporary witchcraft should know Discover the one crystal Grammy-winning singer Adele keeps close when performing Step by step explanations how to use crystals for your magical work and how to amplify their energies with herbs, candles and the elements Useful recipes of energizing crystal elixirs and regenerating crystal baths How to make magical items such as talismans, amulets, and charms harnessing the energies of crystals, the elements, and the deities of the moon and sun A powerful method using magical synergies of multiple crystals to amplify your spells and intensify your intentions A profound practice to invoke deeper states of consciousness using one specific crystal And so much more. While *Wicca For Beginners* provides many step-by-step instructions ideal for the nice practitioner of magick, it also encourages you to eventually deviate from the prescribed routines and blend in your own personality. *Revelations of the Ruby Crystal* - Barbara Hand Clow 2015-07-17  
A debut novel from bestselling author Barbara Hand Clow • An intricately layered erotic thriller that reveals esoteric teachings on prophecy, power, ritual, and divination • Includes dramatic insights into

the suppressed discoveries of the first Christian heretics and secret power rituals at work in the Vatican • From the author of *The Pleiadian Agenda* and *The Mayan Code* In her debut as a novelist, bestselling author and acclaimed spiritual teacher Barbara Hand Clow weaves an erotically charged story of romance, deep earth forces, psychic powers, aristocracy, and Vatican world control centered on an ancient ruby that inspires mystical visions. Set in Rome in 2012, the story follows Sarah Adamson, a beautiful young Catholic graduate student from Boston studying at the Vatican Library for her thesis on the first Christian heretic, Marcion of Pontus. She is being courted by two utterly different men: Simon Appel, a descendent of the kabbalist Isaac Luria who covers Vatican affairs for the New York Times, and Armando Pierleoni, the heir to an ancient Italian aristocratic family with strong ties to the Vatican. After a terrible encounter with the dark side at a castle in Tuscany, Sarah is given a ring set with a ruby crystal, a powerful stone that was once the third eye of an ancient Buddha statue in Nepal. With the mystic ring on her finger, Sarah's visionary abilities are ignited. She remembers her past life as the Sibyl of Cumae, a Roman oracle whose powers are now being channeled by the Vatican to maintain world control. As Sarah's research and visions reveal the cause of evil in the Church and Simon's reporting exposes the depth of the sexual abuse scandals surrounding the Vatican, the two form an alliance with an ex-lover of both Simon and Armando, Claudia, who describes secret priestly power rituals going on in Vatican City. As the heightened energies of the winter solstice of 2012 arrive and 2013 dawns, will Simon and Sarah be able to harness their divine powers for transformation? Will the Vatican seek new direction as it elects a new pope? Revealing the very nature of how evil gets into the world, this novel of romance, mystery, heresy, and spirituality uncovers the esoteric foundations for the emergence of a golden new age.

**The Secret Language of Stones** - M. J. Rose 2017-06-06

"As World War I rages ... young, ambitious jewelry maker [and Parisian] Opaline Duplessi spends her time making trench watches for soldiers at the front, as well as mourning jewelry for the mothers, wives, and lovers of those who have fallen. People say that Opaline's creations are magical ... Opaline does have a rare gift even she can't deny, a form of lithomancy that allows her to translate the energy emanating from stones. Certain gemstones, combined with a personal item, such as a lock of hair, enable her to receive messages from beyond the grave. In her mind, she is no mystic, but merely a messenger, giving voice to soldiers who died before they were able to properly express themselves to loved ones. Until one day, one of these fallen soldiers communicates a message -- directly to her"--Provided by publisher.

*Alternative & Mystical Healing Therapies* - Edwin A. Noyes M.D. MPH  
2015-10-27

The lies told in the Garden, you shall not die and you will become wise

like God, (become a god), are the foundational pillars of paganism/nature worship. From these religions many proclaimed healing methods which are not based on known science have evolved. They are a component of pagan spirituality, not some healing modality accidentally discovered. Such healing practices are the right arm for evangelism in the Neo-PaganNew Age movement. The devil, by deception, offers his counterfeit system of healing to entice man to give him the honor and worship due only to Jesus Christ the Divine Son of God. Many are deceived into believing that there is no spiritual danger in partaking of these proclaimed healing practices This book exposes the terrible spiritual dangers posed by the New Age holistic health movement, which combines valid healing remedies with various mystical healing arts. Valuable insights are given herein into the traps of the paranormal from a Christian perspective. Today there many who are more interested in health at any cost than Gods will at any price.

*The Book of Talismans, Amulets and Zodiacal Gems* - William Thomas Pavitt 1914
