**Understanding Spiritual Gifts** - Sam Storms 2020-09-01

What are spiritual gifts? Author and pastor Sam Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts. Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ. In this comprehensive guide to the spiritual gifts, Storms addresses the many bizarre and misleading interpretations that abound and confronts the tendency to downplay the urgency of spiritual gifts for Christian living and ministry. He explains how spiritual gifts, both the more miraculous and the somewhat mundane, are given to build up the body of Christ. God has graciously provided these "manifestations of the Spirit" so that believers might encourage, edify, strengthen, instruct, and console one another, all with a view to an ever-increasing, incremental transformation into the image of Jesus Christ. Throughout this guide, Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every born-again believer. God does not call upon us to speculate about the nature of this power or to embrace it as a mere idea. His desire is that we avail ourselves of it to partner with him in his purposes on the earth. His desire is that we cry out to him that he might intensify, expand, increase, and deepen the manifestation of this power through us in ever more demonstrative and tangible ways in our lives.

*Understanding Spiritual Gifts* is useful as a reference to address common questions about the gifts, but it also serves as a training manual for using and exercising the gifts in ministry. It is perfect for any individual or group who wants to grow in their understanding of the gifts for today.

**Questions and Answers on Spiritual Gifts** - Howard Carter 1991-01-01

"The importance of the gifts of the Holy Spirit to the essential functioning of the Church of Jesus Christ cannot be over-estimated. Without them, the Church lacks the spiritual equipment so necessary for an aggressive conflict with the powers of darkness; she is also deprived of that edifying enrichment derived from the manifestation of the Holy Spirit's presence and power in her midst. If a person is 'called' to be a son of God, that person is also a prospective recipient of the gifts of the Holy Spirit." - Howard Carter Howard Carter pioneered a quest for revelation of this supernatural subject and was regarded as an authority on the gifts of the Spirit. He founded England's first Pentecostal Bible School and helped to establish a major denomination in that country. *Questions and Answers on Spiritual Gifts* was taken from a series of discussions at Hampstead Bible College in London, England. Howard Carter answered a broad range of questions like: How do you explain the visions of Daniel? If someone has the gift of healing, does it mean that he can heal anyone? Do the gift of discernment and the word of wisdom sometimes overlap? The questions and answers in this book provide and eye-opening, easy-to-understand education on spiritual gifts. "If we ignore the gifts of the Holy Spirit we despise the heritage which is granted to us in Christ." Prepare to receive and to move in the gifts and callings God placed in your life!

Kris goes through strategic and important teaching about prophecy versus the office of prophet, specifically in the context of the Church. *The Spiritual Gifts Handbook* - Randy Clark 2018-03-20

Foundational Teaching from a Charismatic Healing Minister and a Catholic Scholar International healing minister Randy Clark teams up with Mary Healy, a respected Catholic scholar, to show not only that the gifts of the Spirit still exist today, but that they are not optional; they are the necessary tools God has given for both building his Church and

spreading the Gospel. With wisdom and practical insight, Clark and Healy walk you through biblical texts, dispel misconceptions, and show that there is an endless variety of gifts. They also show how the gifts are not just for a select few, but distributed freely by the Holy Spirit among believers. **Spiritual Gifts for Today Vol. 4** - Gerda Brown 2015-05-19

This book the fourth of four volumes "Spiritual Gifts For Today" deals with the Power Gifts; Faith, Healing, and Miracles. These are without doubt the most spectacular of all of the nine gifts of the Spirit. When functioning under the anointing of the Holy Spirit the results are outstanding though not always instant. Some questions may arise concerning THE POWER GIFTS SUCH AS: Is faith the same as the gift of Faith? Does God still heal multitudes as in the early church? Is the day of miracles past? These questions and many more are answered in "Spiritual Gifts for Today." Gerda Brown a seasoned teacher for 60 years proves that the power gifts are still necessary for the church and in the world today. The world is in great turmoil with murders, crime, and uprisings taking place daily in many countries, and it takes the Power Gifts both inside and outside of the church to make an impact for the better. The natural man cannot understand how it will come to pass but the Holy Spirit will, if we let him help us to enter into the territory of the miraculous."

**Practicing the Power** - Sam Storms 2017-02-07

The Bible teaches us that we are to be filled with God's Spirit and that God's presence and grace is manifested among his people as they serve, love, and minister to one another. Yet some of the gifts that God offers to his people aren't commonly seen in many churches today. Gifts of prophecy, healing, tongues, and other supernatural gifts of God seem to be absent, and many Christians are unsure how to cultivate an atmosphere where God's Spirit can work while remaining committed to the foundational truth of God's Word. How can Christians pursue and implement the miraculous gifts of the Spirit without falling into fanatical excess and splitting the church in the process? In Practicing the Power, pastor and author Sam Storms offers practical steps to understanding and exercising spiritual gifts in a way that remains grounded in the word and centered in the gospel. With examples drawn from his forty years of ministry as a pastor and teachers, Storms offers a guidebook that can help pastors, elders, and church members understand what changes are needed to see God move in supernatural power and to guard against excess and abuse of the spiritual gifts. If you long to see God's Spirit move in your church and life, and aren't sure why that isn't happening or where to begin, this book is for you.
