Winesburg, Ohio - Sherwood Anderson 1999

Winesburg, Ohio (1919) is

Sherwood Anderson's

masterpiece, a cycle of short stories concerning life in a small Ohio town at the end of the nineteenth century. At the centre is George Willard, a young reporter who becomes the confidant of the town's 'grotesques' - solitary figures unable to communicate with others. George is their conduit for expression and solace from loneliness, but he has his own longings which eventually draw him away from home to seek a

career in the city. He carries with him the dreams and unuttered words of remarkable characters such as Wing Biddlebaum, the disgraced former teacher, and the storytelling Doctor Parcival. This new edition corrects errors in earlier editions and takes into account major criticism and textual scholarship of the last several decades.

Bayou Folk - Kate Chopin

2021-02-23

Bayou Folk (1894) is a short story collection by American author Kate Chopin. Chopin, a pioneering feminist and gifted writer, sought to portray the experiences of Southern women and ethnic minorities struggling to survive in an era decimated by war and economic hardship. Bayou Folk collects twenty-three of her stories. "Beyond the Bayou" is the story of La Folle, a thirty-five year old black woman living on the outskirts of a Louisiana plantation.

Traumatized with memories of the war, she has spent her entire life on one side of the bayou. From her modest cabin, she entertains visits from the owner of Bellissime plantation and his young children. La Folle holds a special fondness for Chéri, the owner's young son, whom she entertains with stories of a world she has seldom, if ever, seen, a world "beyond the bayou." When a terrible accident occurs, however, she is forced to face her deepest fears, or else suffer the most unthinkable

loss of all. In "Désirée's Baby," the most acclaimed of Chopin's short stories, a young woman married to plantation owner Armand Aubigny awaits the birth of her first child. When the child is born with a racially ambiguous appearance, however, Aubigny quickly blames his wife, whose parents are suspected of having African American heritage. Banished from the plantation, Désirée leaves her young family behind, unaware of the secret her husband declined to share. Bayou Folk showcases the literary talent of Kate Chopin, a writer with an eye for characters on the fringe, people whose hearts often clash with the rules and demands of culture in the American South. With a beautifully designed cover and professionally typeset manuscript, this edition of Kate Chopin's Bayou Folk is a classic of American literature reimagined for modern readers.

The Awakening and Selected Stories - Kate Chopin

2003-02-04

Kate Chopin's groundbreaking depiction of a woman who dares to defy the expectations of society in the pursuit of her desire. When *The Awakening* was first published in 1899, charges of sordidness and immorality seemed to consign it into obscurity and irreparably damage its author's reputation. But a century after her death, it is widely regarded as Kate Chopin's great achievement. Through careful, subtle changes of style, Chopin shows the transformation of Edna Pontellier, a young wife and mother, who - with tragic consequences - refuses to be caged by married and domestic life, and claims for herself moral and erotic freedom. The Complete Works of Kate Chopin - Kate Chopin
2006-05-01

In 1969, Per Seyersted gave the world the first collected works of Kate Chopin. Seyersted’s presentation of Chopin’s writings and biographical and bibliographical information led to the rediscovery and celebration of this turn-of-the-century author. Newsweek hailed the two-volume opus—“In story after story and in all her novels, Kate Chopin’s oracular feminism and prophetic psychology almost outweigh her estimable literary talents. Her revival is both interesting and timely.” Now for the first time, Seyersted’s *Complete Works* is available in a single-volume paperback. It is the first and only paperback edition of Chopin’s total oeuvre. Containing twenty poems, ninety-six stories, two

novels, and thirteen essays—in short, everything Chopin wrote except several additional poems and three unfinished children’s stories—as well as Seyersted’s original revelatory introduction and Edmund Wilson’s foreword, this anthology is both a historical and a literary achievement. It is ideal for anyone who wishes to explore the pleasures of reading this highly acclaimed author.

The Awakening and Selected Short Stories - Kate Chopin
2018-06-28

The Awakening, originally titled *A Solitary Soul*, is a novel by Kate Chopin, first published in 1899. Set in New Orleans and the Southern Louisiana coast at the end of the nineteenth century, the plot centers on Edna Pontellier and her struggle to reconcile her increasingly unorthodox views on femininity and motherhood with the prevailing social attitudes of the turn-of-the-century American South. It is one of the earliest American novels that focuses on women's issues without condescension.

It is also widely seen as a landmark work of early feminism, generating mixed reaction from contemporary readers and criticism. The novel's blend of realistic narrative, incisive social commentary, and psychological complexity makes *The Awakening* a precursor of American modernist literature.

Passing - Nella Larsen
2019-09-09

Generally regarded as Nella Larsen's best work, *Passing* was first published in 1929 but has received a lot of renewed attention because of its close examination of racial and sexual ambiguities. It has achieved canonical status in many American universities. Clare Kendry is living on the edge. Light-skinned, elegant, and ambitious, she is married to a racist white man unaware

of her African American heritage, and has severed all ties to her past after deciding to 'pass' as a white woman. Clare's childhood friend, Irene Redfield, just as light-skinned, has chosen to remain within the African American community, and is simultaneously allured and repelled by Clare's risky decision to engage in racial masquerade for personal and societal gain. After frequenting African American-centric gatherings together in Harlem, Clare's interest in Irene turns into a homoerotic longing for Irene's black identity that she abandoned and can never embrace again, and she is forced to grapple with her decision to pass for white in a way that is both tragic and telling.

roles of women in literature.
The Awakening - Kate Chopin
2020-12-01

First appearing in 1899 *The Awakening* is regarded as work presaging both feminist fiction and literary modernism. The author's clear vision of a woman's internal and external conflicts continue to demand engagement and response from readers. *The Awakening* follows *Edna Pontellier* as she recognizes and attempts to deal with her confining lot as a woman and mother in the 19th century American South. Torn between traditional roles and an inchoate desire for independence and a more passionate life, she faces more than one difficult choice, leading to a grim reckoning. Initially receiving a mixed critical reception, including much condemnation for its frank depiction of adultery, the novel has gone on to be recognized as both a classic piece of fiction and a groundbreaking work of women's realism. The poignant portrayal of the protagonist attempting to determine her

true feminine identity makes this one of the first novels willing to openly confront women's issues, to make clear that traditional roles could be limiting and to legitimize an emotional life that transcended society's boundaries. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Awakening* is both modern and readable.

The Awakening (100 Copy Collector's Edition) - Kate

Chopin 2019-11-12

Edna Pontellier struggles with her role as a housewife, and yearns for social freedom. Her increasingly unorthodox views on femininity and motherhood fuel her desires and passion, despite the prevailing social attitudes of the South. On a quest of self discovery, Edna flees her domestic role in search of love and spiritual freedom in a world that isn't ready for her. *The Awakening* is one of the earliest novels that focuses on women's issues without condescension. The novel was particularly controversial upon publication because Chopin didn't condemn Edna's desire for an affair. Instead, Chopin focused on human behaviour and the complexities of social structures while exploring the banalities of everyday life and the consequences of social norms. This cloth-bound book includes a Victorian inspired dust-jacket, and is limited to 100 copies.

The Feminine Sublime -
Barbara Claire Freeman
1997-04

Summary: The Feminine Sublime provides the first comprehensive feminist critique of the theory of the sublime. Barbara Claire Freeman argues that traditional theorizations of the sublime depend on unexamined assumptions about femininity and sexual difference, and that the sublime could not exist without misogynistic constructions of "the feminine." Taking this as her starting point, Freeman suggests that the "other sublime" that comes into view from this new perspective not only offers a crucial way to approach representations of excess in women's fiction but allows us to envision other modes of writing the sublime.

Kate Chopin - Per Seyersted 1980-04-01

Kate Chopin was a nationally acclaimed short story artist of the local color school when she in 1899 shocked the American

reading public with *The Awakening*, a novel which much resembles *Madame Bovary*. Though the critics praised the artistic excellence of the book, it was generally condemned for its objective treatment of the sensuous, independent heroine. Deeply hurt by the censure, Mrs. Chopin wrote little more, and she was soon forgotten. For decades the few critics who remembered her concentrated on the regional aspects of her work. In the *Literary History of the United States*, where Kate Chopin is highly praised as a local colorist, *The Awakening* is not even mentioned. In recent years, however, a few critics have given new attention to the novel, emphasizing its courageous realism. In the present book, Mr. Seyersted carries out an extensive re-examination of both the life and work of the author, basing it on her total oeuvre. Much new Kate Chopin material, such as previously unknown stories, letters, and a diary, has recently come to light. We can now see that she was a much

more ambitious and purposeful writer than we have hitherto known. From the beginning, her special theme was female self-assertion. As each new success increased her self-confidence, she grew more and more daring in her descriptions of emancipated woman who wants to dictate her own life.

Mr. Seyersted traces the author's growth as an artist and as a penetrating interpreter of the female condition, and shows how her career culminated in *The Awakening* and the unknown story "The Storm." With these works, which were decades ahead of their time, Kate Chopin takes her place among the important American realist writers of the 1890's.

Why Translation Matters -

Edith Grossman 2010-01-01

"Why Translation Matters

argues for the cultural importance of translation and for a more encompassing and nuanced appreciation of the translator's role. As the acclaimed translator Edith Grossman writes in her introduction, "My intention is to stimulate a new consideration of an area of literature that is too often ignored, misunderstood, or misrepresented." For Grossman, translation has a transcendent importance: "Translation not only plays its important traditional role as the means that allows us access to literature originally written in one of the countless languages we cannot read, but it also represents a concrete literary presence with the crucial capacity to ease and make more meaningful our relationships to those with whom we may not have had a connection before. Translation always helps us to know, to see from a different angle, to attribute new value to what once may have been unfamiliar. As nations and as individuals, we have a critical

need for that kind of understanding and insight. The alternative is unthinkable".-- Jacket.

Thinks... - David Lodge 2012-03-31

Ralph Messenger is a man who knows what he wants and generally gets it. Approaching his fiftieth birthday, he has good reason to feel pleased with himself. As Director of the prestigious Holt Belling Centre for Cognitive Science at the University of Gloucester he is much in demand as a pundit on developments in artificial intelligence and the study of human consciousness - 'the last frontier of scientific enquiry'. He enjoys an affluent life style subsidised by the wealth of his American wife, Carrie. Known to colleagues on the conference circuit as a womaniser and to

Private Eye as a 'Media Dong', he has reached a tacit understanding with Carrie to refrain from philandering in his own back yard. This resolution is already weakening when he meets and is attracted to Helen Reed, a distinguished novelist still grieving for the sudden death of her husband more than a year ago, who has rented out her London house and taken up a post as writer-in residence at Gloucester University, partly to try and get over her bereavement. Fascinated and challenged by a personality and a world-view radically at odds with her own, Helen is aroused by Ralph's bold advances, but resists on moral principle. The stand-off between them is shattered by a series of events and discoveries that dramatically confirm the truth of Ralph's dictum, 'We can never know for certain what another person is thinking.'

New Essays on The Awakening - Wendy Martin, PH.D. 1988-07-29

When *The Awakening* was first published in 1899 it was an extraordinarily controversial book. One of the first American novels to concern itself with themes of adultery and divorce, it was widely attacked as 'vulgar' and 'unhealthy'. In her introduction to this collection, Wendy Martin discusses the historical background of the novel and analyses the heroine's evolution from a role of traditional femininity to one of autonomous individualism. The essays that follow explore other central themes of the

novel, as well as locating Chopin in the tradition of American women novelists and discussing her status as a pre-modernist writer.
