1000 English Idioms and Phrases - Muhammad Nabeel
2017-09-13

Enhance your speaking skills and listening comprehension by learning English idiomatic expressions Welcome to another new exciting book of Coach Shane's English expression series. In this book, you would find 1000 English idioms and phrases with practical examples, dialogues/conversations and explanations. In this version, I made many changes compare to previous version. Because, I rearranged all English idiomatic expressions in alphabetical order, so you can use this book like an American idioms dictionary. Also, you would find some illustrated pictures in some places. In previous edition, I have received some complains, so that's why, I fixed many things in this edition. I tried to explain the English phrasal verbs and idioms in detail. You would know how to use them

effectively. I picked up these common English expressions from sitcoms, movies, news, etc. Having learned these sayings, idioms and phrasal verbs, you would be able to understand movies, sitcoms, and news. I hope this book would be a great book for intermediate and advanced level ESL (English as a second language) peoples.

The Void Captain's Tale - Norman Spinrad 2011-09-29
Welcome aboard the sex-drive void ship . . . Captain Genro commands the giant spaceship Dragon Zephyr - on board are ten thousand passengers in electrocoma, a smaller number of conscious passengers eagerly utilising the ship's dream chambers - and a Pilot. In the context of space travel, the Pilot is merely a biological component in the machine. Always a woman, her function

is to launch the ship into the Jump by means of a cosmic orgasm. She is a pariah, shunned by all. Void Captain Genro should never even have spoken to his Pilot, let alone tried to embark on a relationship with her. When he did so, the result was every space traveller's nightmare. A Blind Jump into the Void . . .

Vocabulary Development -

Timothy Rasinski 2019-04-18
Knowledge of word meanings is critical to success in reading. A reader cannot fully understand a text in which the meaning to a significant number of words is unknown. Vocabulary knowledge has long been correlated with proficiency in reading. Yet, national surveys of student vocabulary knowledge have demonstrated that student growth in vocabulary has been stagnant at best. This volume offers new insights into vocabulary knowledge and vocabulary teaching. Articles range from a presentation of theories of vocabulary that guide instruction to innovative methods and approaches for teaching vocabulary. Special emphasis is placed on teaching academic and disciplinary vocabulary that is critical to success in content area learning. Our hope for this volume is that it may spark a renewed interest in research into vocabulary and vocabulary instruction and move toward making vocabulary instruction an even more integral part of

all literacy and disciplinary instruction.
