Two Centuries of US Military Operations in Liberia - Niels Hahn 2020-03-31

This book reviews the history of the United States-Liberia relations from the early 1820s to 2015, with particular attention paid to the role of the US armed forces. Contrary to most literature on the genesis and development of Liberia, this book demonstrates how US military power has been the primary influence shaping Liberia's history. This includes the role played by the US military in the founding of Liberia, the protection of the country during the European formal colonial era, multiple covert operations in securing US-friendly administrations in Liberia, and direct military interventions when necessary to secure American interests in the region.

Hand-book of the Law of Torts - Edwin Ames Jaggard 1895

Gage - Sawyer Bennett 2022-07-05

Veteran player Gage Heyward retired from the league following a successful career. Now the Titans need him, but does he have what it takes to get back on the ice and pull this team together? After achieving the goals I set for myself, I walked away from my professional hockey career. It was a tough decision, but the right one at the time. When the Titans organization approached me about joining the team they were rebuilding following a devastating plane crash, I felt a passion for the game and a competitive spirit I hadn't felt in years. The opportunity to make a huge difference to a lot of people spoke to me, and I accepted their offer and headed to Pittsburgh without a second thought. Jenna Holland is also new to town, having moved from Phoenix to Pittsburgh to take a job with the Titans. Her past has left her with scars—both physical and emotional—and she's slow to trust others. But the more I learn about Jenna, the more I want to know. The more I need to know. Because the beautiful blonde with honey gold eyes and a wall around her heart has me enamored. My game on the ice is the best it's ever been, but it's my game off the ice I'm focused on these days. Because while Jenna may not be willing to take a chance, I know the potential is there for something big. Something life changing. Now I just need to convince her to take the shot.

The Pecker Briefs - Sawyer Bennett 2018-04-17

I never thought a pecker would get me in so much trouble. I mean, sure... if you're talking about a certain anatomical feature of mine that the ladies just love. Given my bachelor status and appreciation for all things curvy and feminine, I could absolutely see that. But a different pecker is making my life much harder than it needs to be. My name is Ford Daniels, partner at the law firm of Knight & Payne, and my latest case has me wading through the finer points of peckers—woodpeckers that is. Specifically, the red-cockaded woodpecker. I swear, I can't make this stuff up but that's what the sexy-as-hell blonde chained to a tree told me this morning. Her name is Viveka Jones and she is so much more than a pretty face. She's got wit, charm, and razor-sharp smarts. Turns out my client is looking to bulldoze the red-cockaded woodpecker's natural habitat in favor of a multimillion-dollar subdivision and the sexy attorney with legs for days (and days), just happens to be counsel for an animal rights group looking to put a halt to construction. My client's pissed, but all I can think about is getting Viveka across the table from me. And then on the table underneath me. Perhaps up against the wall. And then— Well, let's just say when it's all said and done, I'm hoping the red-cockaded woodpecker isn't the only pecker that gets some attention from Miss Viveka Jones.

Riggs - Sawyer Bennett 2021-10-26

Known as the team loner, Riggs Nadeau gives his all on the ice, but nothing extra off it. A beautiful stranger is about to cause chaos in his very structured world. As a professional hockey player, people think I live a charmed life. On the surface, I do. But they don't know the horrors of my childhood, or the real reason that I have custody of my seventeen-year-old sister, Janelle. And that's exactly the way I like it. They may think I'm a prick because I don't like to share, but that's fine. They don't know me, and they don't need to. In an effort to help Janelle get settled in Phoenix and stay out of trouble at school, I set her up with a job at Clarke's Corner, the local bookstore owned by the girlfriend of a teammate. It's there that she makes friends with Veronica Woodley, the extremely annoying, arrogant, money-hungry divorcee who I don't want anywhere near my sister. Janelle insists I'm completely wrong about Veronica, but I refuse to accept that. I have to keep reminding myself that that the gorgeous blond with legs for days is off limits. Through a series of events, I start to see Veronica for what she really is—an amazing woman who has survived her own hell to come out even stronger. I have to admit, we're more alike than not and the attraction between us burns hot. Maybe I was all wrong about my ability to love and commit, but when the past comes back to haunt me, can I be the man that Veronica, and Janelle, deserve?

Confessions of a Litigation God - Sawyer Bennett 2016-08-29

My name is Matt Connover. I am a Litigation God. Other lawyers quake before me. Women crawl on their knees just to spend the night in my bed and when I'm finished with them, I walk away without a backward glance. I am well satisfied with my life and there isn't a damn thing I'd change about it. That is, until McKayla Dawson came along. She was meant to be for one night only. But she got under my skin, and now I want her back underneath my body. It's torture working with her in my law firm... day in and day out. But I have to think maybe the Fates have intervened to throw us together because she is unlike anyone I've ever known, and thus I need to pay careful attention to these Legal Affairs. **** Confessions of a Litigation God is a stand alone, full length novel. It follows the affair of Matt Connover and McKayla Dawson as told in Legal Affairs. This book is told strictly from Matt's point of view and has many additional scenes as well as an extended epilogue. You do not need to have read Legal Affairs to enjoy this novel.

Locked Box - Eve Dangerfield 2021-05-12

Sugar Daddy - Sawyer Bennett 2016-05-24

USA TODAY BESTSELLER • “This book devastated me in the most wonderful way,” raves Meredith Wild. In *Sugar Daddy*, the author of the *Cold Fury* series proves that vengeance is sweet—but seduction is to die for. Sela Halstead lost her innocence in a way that no sixteen-year-old should ever have to endure. She’s spent years trying to forget that night even while wondering about the identities of the monsters who brutalized her—until a telltale tattoo flashes across Sela’s TV screen. The incriminating ink belongs to Jonathon Townsend, the millionaire founder of The Sugar Bowl, a website that matches rich older men with impressionable young women. Obsessed with revenge, Sela infiltrates Townsend’s world, only to come face-to-face with a tantalizing complication: Beckett North, his charismatic business partner. The tech mastermind behind The Sugar Bowl, Beck always gets what he wants, in business and in bed. And yet, for a man who’s done every dirty thing imaginable, there’s something about the naïve, fresh-faced Sela that sparks his hottest fantasies. Because with her, it’s not just about sex. Beck opens up to her in ways he never has with other girls. So why does he get the feeling that she’s hiding something? In a world of pleasure and power, the shocking truth could turn them against each other—or bind them forever. The *Arizona Vengeance* series from New York Times bestselling author Sawyer Bennett can be read together or separately: BISHOP ERIK LEGEND And don’t miss her Carolina *Cold Fury* novels: ALEX GARRETT ZACK RYKER HAWKE MAX ROMAN LUCAS VAN REED MAREK The *Love Hurts* series features sexy standalone novels: SEX IN THE STICKS JILTED And the *Sugar Bowl* series is one treat you’ll want to read in order: SUGAR DADDY SUGAR RUSH SUGAR FREE “One of the best voices in contemporary romance.”—New York Times bestselling author Lauren Layne Praise for *Sugar Daddy* “Beck and Sela are so scorching and real together that I didn’t want to let them go. I can’t wait to devour the rest of this series!”—#1 New York Times bestselling author Meredith Wild “A totally gripping take on romance and revenge!”—New York Times bestselling author Lauren Blakely “*Sugar Daddy* is raw, gritty, and exceptionally hot. I couldn’t put it down.”—New York Times bestselling author Marquita Valentine Includes an excerpt from another Loveswept title.

Her Summer with the Marine - Susan Meier 2014-03-10

The last person Ellie McDermott wanted to run into after returning to her hometown is Finn Donovan, her high school nemesis and the guy she crossed the line from enemies to lovers with one night years ago. Now ex-military, tattooed, and still sexy as hell, Finn is a complication Ellie doesn't need-she needs to concentrate on saving her family business. Finn's entire life, Ellie was there, going head-to-head with him in every class, bee, and test. So it's no surprise she'd show up just as he was about to take over her father's struggling business. It is a surprise, though, that his attraction to her is even more explosive than it had been. Acting on their attraction is one thing, but Finn has to turn a profit to save his own family, and nothing-not even love-will get in his way. The *Donovan Brothers* series is best enjoyed in order. Reading Order: Book #1 *Her Summer with the Marine* Book #2 *Chasing the Runaway Bride* Book #3 *Head Over Heels for the Boss*

Sexy Lies and Rock and Roll - Sawyer Bennett 2016-11-14

From New York Times Bestselling author, Sawyer Bennett, comes a SEXY new stand alone romance... When you're a rock god, fame and fortune are your two best friends, but they can be fickle bed mates. It seems everyone wants a piece of me. I'm being sued, pressured to sign contracts, and fending off rabid women who want to steal my virtue. Just kidding on that one. We all know I don't have much virtue left. That's why I need Emma Peterson. The sharp-as-a-tack and sexy-as-sin lawyer saved my ass before and I know she can do it again. The only problem is that sweet, prim and totally straight-laced Emma doesn't want anything to do with me. Not professionally, and certainly not personally. But c'mon. Everyone wants me, and even though it would take a crow bar of epic proportions to get her to spread those sexy legs for me, all I want is her mind. I swear. Her beautiful, brilliant mind to make sense of my crazy world. Good thing I have something up my sleeve to get her to say "yes". Some might call it blackmail. I call it something else. Looks

like Emma Peterson just became my biggest defender. If only I can resist wanting to screw my attorney six ways to Sunday. **Sexy Lies and Rock & Roll* is a sexy stand alone and can be read independent of the other Legal Affairs books.

Embracing My Submission - Jenna Jacob 2012-10-29

Haunted for years by dreams of a savage, amber eyed Dominant with lips so enticing my soul ached in frustration and lust. None of the Dominants at Genesis, my local BDSM club ever stirred me in such blistering ways. While I tried to fill my submissive desires vicariously through interactions at the club, I attempted to convince myself it was enough. But it wasn't. My dream Dom made certain I hungered for more. Forced beyond what I could bear, my passion and frustration exploded. I threw in the towel, determined to stop chasing a dream and gave up completely on finding submissive surrender. But fate intervened when two gunshots split the night. Forced to confront my desires and insecurities, I was shocked to realize that my dreams may have held a deeper meaning. Were they compelling me to finally embrace my submission?

The Talent Code - Daniel Coyle 2009-04-28

What is the secret of talent? How do we unlock it? This groundbreaking work provides readers with tools they can use to maximize potential in themselves and others. Whether you're coaching soccer or teaching a child to play the piano, writing a novel or trying to improve your golf swing, this revolutionary book shows you how to grow talent by tapping into a newly discovered brain mechanism. Drawing on cutting-edge neurology and firsthand research gathered on journeys to nine of the world's talent hotbeds—from the baseball fields of the Caribbean to a classical-music academy in upstate New York—Coyle identifies the three key elements that will allow you to develop your gifts and optimize your performance in sports, art, music, math, or just about anything. • **Deep Practice** Everyone knows that practice is a key to success. What everyone doesn't know is that specific kinds of practice can increase skill up to ten times faster than conventional practice. • **Ignition** We all need a little motivation to get started. But what separates truly high achievers from the rest of the pack? A higher level of commitment—call it passion—born out of our deepest unconscious desires and triggered by certain primal cues. Understanding how these signals work can help you ignite passion and catalyze skill development. • **Master Coaching** What are the secrets of the world's most effective teachers, trainers, and coaches? Discover the four virtues that enable these “talent whisperers” to fuel passion, inspire deep practice, and bring out the best in their students. These three elements work together within your brain to form myelin, a microscopic neural substance that adds vast amounts of speed and accuracy to your movements and thoughts. Scientists have discovered that myelin might just be the holy grail: the foundation of all forms of greatness, from Michelangelo's to Michael Jordan's. The good news about myelin is that it isn't fixed at birth; to the contrary, it grows, and like anything that grows, it can be cultivated and nourished. Combining revelatory analysis with illuminating examples of regular people who have achieved greatness, this book will not only change the way you think about talent, but equip you to reach your own highest potential.

The Cigarette Century - Allan Brandt 2009-01-06

From agriculture to big business, from medicine to politics, *The Cigarette Century* is the definitive account of how smoking came to be so deeply implicated in our culture, science, policy, and law. No product has been so heavily promoted or has become so deeply entrenched in American consciousness. *The Cigarette Century* shows in striking detail how one ephemeral (and largely useless) product came to play such a dominant role in so many aspects of our lives—and deaths.

Alex - Sawyer Bennett 2014-10-14

New York Times bestselling author Sawyer Bennett scores big-time with the first novel in a sexy new series hot enough to melt the ice. Hockey star Alexander Crossman has a reputation as a cold-hearted player on and off the rink. Pushed into the sport by an alcoholic father, Alex isn't afraid to give fans the proverbial middle finger, relishing his role as the MVP they love to hate. Management, however, isn't so amused. Now Alex has a choice: fix his public image through community service or ride the bench. But Alex refuses to be molded into the Carolina Cold Fury poster boy . . . not even by a tempting redhead with killer curves. As a social worker, Sutton Price is accustomed to difficult people—like Alex, who's been assigned to help her create a drug-abuse awareness program for at-risk youth as part of the team's effort to clean up his image. What she doesn't expect is the arrogant smirk from his perfect lips to stir her most heated fantasies. But Sutton isn't one to cross professional boundaries—and besides, Alex doesn't do relationships . . . or does he? The more she sees behind Alex's bad-boy façade, the more Sutton craves the man she uncovers. Code Name: Revenge - Sawyer Bennett 2022-04-19

When Kynan McGrath approached me about joining Jameson Force Security, I jumped at the chance. Just call me Dozer Burney, one half of the genius duo who keeps the team at the forefront of security technology. The move from NASA to Jameson also put me back on the east coast, closer to those who mean the most to me. Jessica Anderson has been my best friend since college. A single mom who found herself mixed up with a dangerous man years ago, she's been living a safe, quiet life in Miami after helping police put him behind bars. We both knew her safety, and that of her daughter, was reliant on him staying locked up. So when I see an alert that he's escaped from his maximum security prison, I know where he's heading to exact his revenge. Now it's a race against time to get to Jessica before he does. Protecting her with my life is easy, because there's one thing I've never admitted to anyone, not even myself—I have been in love with Jessica Anderson since the day I met her. And if we both make it out alive, I'll make sure she knows it every day for the rest of our lives.

Conflict of Interest in Medical Research, Education, and Practice - Institute of Medicine 2009-09-16

Collaborations of physicians and researchers with industry can provide valuable benefits to society, particularly in the translation of basic scientific discoveries to new therapies and products. Recent reports and news stories have, however, documented disturbing examples of relationships and practices that put at risk the integrity of medical research, the objectivity of professional education, the quality of patient care, the soundness of clinical practice guidelines, and the public's trust in medicine. *Conflict of Interest in Medical Research, Education, and Practice* provides a comprehensive look at conflict of interest in medicine. It offers principles to inform the design of policies to identify, limit, and manage conflicts of interest without damaging constructive collaboration with industry. It calls for both short-term actions and long-term commitments by institutions and individuals, including leaders of academic medical centers, professional societies, patient advocacy groups, government agencies, and drug, device, and pharmaceutical companies. Failure of the medical community to take convincing action on conflicts of interest invites additional legislative or regulatory measures that may be overly broad or unduly burdensome. *Conflict of Interest in Medical Research, Education, and Practice* makes several recommendations for strengthening conflict of interest policies and curbing relationships that create risks with little benefit. The book will serve as an invaluable resource for individuals and organizations committed to high ethical standards in all realms of medicine.

Deciding to Forego Life-sustaining Treatment - United States. President's Commission for the Study of Ethical Problems in Medicine and Biomedical and Behavioral Research 1983

Abstract: A comprehensive report by the US President's Commission for the Study of Ethical Problems in Medicine and Biomedical and Behavioral Research addresses some of the most important and troubling ethical and legal questions in modern medicine for consideration by health care professionals, lawyers, and relatives of patients regarding the sensitive topic of voluntary cessation of life-sustaining therapy for the seriously ill. It was concluded that the cases that involve true ethical difficulties are much fewer than commonly believed and that the perception of difficulties primarily occurs because of misunderstandings about the dictates of law and ethics. It also is concluded that, while competent informed patients have the authority to decline or accept health care, others must act on the behalf of incompetent patients. The report urges that health care institutions develop and use internal review methods that permit exploration of all relevant issues. The 7 report chapters are grouped around 2 themes: the various aspects of making

treatment decisions; and patient groups raising special concerns (e.g.: permanently-unconscious patients; seriously-ill newborns. (wz).

Jett - Sawyer Bennett 2021-07-20

Jett Olsson isn't looking for anything serious and she's not looking for anything at all, so why does it seem so hard to keep it professional? I love my life—the thrill of being on the ice as part of the Arizona Vengeance, the rush of winning, the adoration of the fans. And if that adoration means I don't have to spend the night alone, well even better. I'm content being single and always ready to mingle. But the day Emory Holland walks into a Vengeance team meeting my attention is caught like never before. I can tell right away she's full of smarts and sass, and the fact that she's hot as hell sure doesn't hurt either. She immediately shuts down my advances, so I opt for the road less traveled—straight to the friend zone. My approach works like a charm, and when she invites me into her bed for a no-strings, friends-with-benefits arrangement, I vow to give her everything I have. She's been hurt before, and if I'm able to help her heal while giving her a spectacularly satisfying time *pats self on back*, then I'll be happy. Or at least that's the lie I keep telling myself as the time ticks down on the final buzzer of our "relationship". Now the real question is, can I score the winning goal in a game neither of us realized we were playing?

If I Return - Sawyer Bennett 2018

The Complete Legal Affairs Series - Sawyer Bennett 2022-05-23

The law has never felt so hot! These lawyers might be all business in the courtroom (well, mostly), but it's no holds barred when court isn't in session! A fling with the boss, enemies who don't hate each other as much as they thought, a rockstar, and a pesky woodpecker make this a series you don't want to miss! The Legal Affairs series includes: * Legal Affairs: McKayla's Story * Confessions of a Litigation God: Matt's Story * Clash: Cal and Macy's Story Book 1 * Grind: Cal and Macy's Story Book 2 * Yield: Cal and Macy's Story Book 3 * Sexy Lies and Rock & Roll: Evan and Emma's Story * The Pecker Briefs: Ford and Viveka's Story
