

Naming Jack The Ripper

Russell Edwards

Yeah, reviewing a book **Naming Jack The Ripper Russell Edwards** could add your close contacts listings. This is just one of the solutions for you to be successful. As understood, execution does not recommend that you have fantastic points.

Comprehending as without difficulty as deal even more than supplementary will have the funds for each success. next-door to, the statement as with ease as sharpness of this Naming Jack The Ripper Russell Edwards can be taken as well as picked to act.

Jack the Ripper: Letters from Hell - Stewart P Evans
1997-02-20
The name 'Jack the Ripper' is instantly recognised throughout the world, yet many people probably don't know that the famous nickname first appeared in a letter or that this was where the whole legend of Jack the Ripper really began. This title poses a controversial question: was 'Jack the Ripper' merely a press invention?
[Jack the Ripper and the Case for Scotland Yard's Prime Suspect](#) - Robert House

2011-05-03
An investigation into the man Scotland Yard thought (but couldn't prove) was Jack the Ripper Dozens of theories have attempted to resolve the mystery of the identity of Jack the Ripper, the world's most famous serial killer. Ripperologist Robert House contends that we may have known the answer all along. The head of Scotland Yard's Criminal Investigation Department at the time of the murders thought Aaron Kozminski was guilty, but he

lacked the legal proof to convict him. By exploring Kozminski's life, House builds a strong circumstantial case against him, showing not only that he had means, motive, and opportunity, but also that he fit the general profile of a serial killer as defined by the FBI today. The first book to explore the life of Aaron Kozminski, one of Scotland Yard's top suspects in the quest to identify Jack the Ripper Combines historical research and contemporary criminal profiling techniques to solve one of the most vexing criminal mysteries of all time Draws on a decade of research by the author, including trips to Poland and England to uncover Kozminski's past and details of the case Includes a Foreword by Roy Hazelwood, a former FBI profiler and pioneer of profiling sexual predators Features dozens of photographs and illustrations Building a thorough and convincing case that completes the work begun by Scotland Yard more than a century ago, this book is essential reading

for anyone who wants to know who really committed Jack the Ripper's heinous and unforgettable crimes.

Monster - Aileen Wuornos & Christopher Berry-Dee
2016-06-30

Aileen Wuornos was executed in Florida, on the 9th of October, 2002 at the age of 46. She was the 10th woman to be sentenced to death in the USA since the death penalty resumed in 1976. Convicted for the murder of six men, in a two month period, Aileen claimed she acted in self defence however the investigation into these claims was poor and she later retracted her statement announcing to the Supreme Court, "I'm one who seriously hates human life and would kill again." All-too-often female prostitutes have been the victims of male serial killers - the killings of Aileen 'Lee' Wuornos were the inverse of this. She was a child prostitute, fleeing an abusive childhood at the hands of her grandparents, which led straight into a disastrous adulthood of difficult affairs with both men

and women. Her metamorphosis from victim to attacker had brutal consequences: a stream of dead men. Following a renewed interest in this woman after the film "Monster", this is her story in her own words. [Complete Jack The Ripper](#) - Donald Rumbelow 2016-02-18 Fully updated and revised, Donald Rumbelow's classic work is the ultimate examination of the facts, theories, fictions and fascinations surrounding the greatest whodunit in history. The Complete Jack the Ripper lays out all the evidence in the most comprehensive summary ever written about the Ripper. Rumbelow, a former London Metropolitan policeman, and an authority on crime, has subjected every theory - including those that have emerged in recent years - to the same deep scrutiny. He also examines the mythology surrounding the case and provides some fascinating insights into the portrayal of the Ripper on stage and screen and on the printed page. More

seriously, he also examines the horrifying parallel crimes of the Düsseldorf Ripper and the Yorkshire Ripper in an attempt to throw further light on the atrocities of Victorian London.

Jack The Ripper and the East End - Various 2012-04-24 In 1888, Whitechapel - at the heart of the inner East End - was the most (in)famous place in the country, widely imagined as a site of the blackest and deepest horror. Its streets and alleys were seen as violent and dangerous, overflowing with poverty and depravity. This book aims to uncover the reality of East End life. Sections look at slum housing, immigration, attitudes to women, poverty, violence and crime. The book examines how the brutal killings were reported and how the police tried to identify the murderer. A final section shows how Jack the Ripper has shaped our vision of London, and influenced our popular culture. Jack the Ripper and the East End coincides with an exhibition organised by the Museum of London at their

Museum in Docklands. Key surviving documents from the National Archives and the London Metropolitan Archives will be on display - in addition to material from the collections of the Museum of London such as photographs of the Whitechapel Mission. The illustrations for the book will include rare and unpublished photographs, sections of the 'master' Booth Map of Poverty, detectives' reports and original letters. The introduction will be written by Peter Ackroyd, who is the acknowledged expert on London, its darker aspects and how its history has seeped into its very stones. Leading historians and curators will provide additional insights. This is a book which will be valued for years to come for its enduring and important portrait of the Victorian East End.

[The Autobiography of Jack the Ripper](#) - James Carnac

2013-09-03

"It's either a genuine confession by Jack the Ripper, or it's an extraordinary novel...Only you can

decide."—Paul Begg, author of *Jack the Ripper: The Definitive History* In the Whitechapel neighborhood of London in 1888, five women were horribly mutilated and murdered by the infamous killer, Jack the Ripper. Though there were many suspects, the monster was never caught. This recently discovered memoir from the 1920s introduces a new suspect: James Willoughby Carnac, a little-known figure who claims to have been the Ripper. Carnac describes the events and geography of Whitechapel in 1888 with chilling accuracy, including details of the murders that appear to have been unavailable to the public at the time. He presents a credible motive for becoming Jack, and, for the first time ever, a reason for ending the killing spree. Ultimately, you, the reader, must decide if this is simply one of the earliest imaginings of the case—and a groundbreaking literary addition to the Ripper canon—or if it is the genuine autobiography of Jack the

Ripper himself. "A text that will no doubt be debated for years to come."—Alan Hicken, Montacute Museum, Somerset, England "Intricate and creepy."—The Daily Express (UK) "Easily read and worth it for the ending."—Kirkus [The Ardlamont Mystery](#) - Daniel Smith 2018-05-03

The real-life mystery featuring the two men - Joseph Bell and Henry Littlejohn - who inspired the creation of Sherlock Holmes. December 1893. Arthur Conan Doyle shocks his legions of fans by killing off the world's favourite fictional detective, Sherlock Holmes. Meanwhile, in Scotland, a sensational real-life murder trial is playing out. Alfred Monson, a scion of the aristocracy, is charged with killing a young army lieutenant, Cecil Hambrough, on the sprawling Ardlamont estate. The worlds of crime fiction and crime fact are about to collide spectacularly. Among the key prosecution witnesses that the Ardlamont case brought together were two esteemed Edinburgh doctors,

Joseph Bell and Henry Littlejohn. Bell - Doyle's tutor when the author studied medicine in the 1870s - had recently been unmasked as the inspiration behind the creation of Sherlock Holmes (Doyle said of Bell, 'It is most certainly to you that I owe Sherlock Holmes.'). But what the public did not know was that Bell and Littlejohn - a pioneer in the emerging field of forensic detection - had actually been investigating crimes together for more than twenty years. Largely unacknowledged, Littlejohn deserves equal billing as the prototype of Baker Street's most famous resident. In [The Ardlamont Mystery](#), author Daniel Smith re-examines the evidence of the case that gripped Victorian Britain, putting forward his own theory as to why Cecil Hambrough was murdered. Outlining the key roles of the men whose powers of deduction and detection had so inspired Doyle, Smith explores the real-world origins of Sherlock Holmes through the prism of a mystery as

engrossing as any case the Great Detective ever tackled. Will Bell and Littlejohn's shared faith in science and reason be enough to see justice win out?

Butcher - Gary C. King
2010-04-19

His Goal: To Kill An "Even Fifty" They called him "Uncle Willie." At night, Robert "Willie" Pickton visited the streets of Vancouver's Downtown Eastside. The women he picked up never came back. . . His Methods: Rape And Torture For years, police built a long list of missing prostitutes, women at the edge of society. Some people claimed there was a serial killer. One detective lost his job for saying so. But investigators didn't have a single body. . .until someone found a skull sawed in half. . . The Pig Farm Murders On land that had made his family millions, on a squalid pig farm near a school, a condo development and a Starbucks, Robert Pickton ran a house of horrors for decades. Friends, neighbors and community

leaders came and went, while Pickton committed debauchery, torture, and bloodletting rivaling the worst on record.

What he did to his victims was unspeakable. What he did to the bodies was unimaginable. How he got away with it is the most shocking crime of all. . .

Who Was Jack the Ripper? - Members of H. Division Crime Club 2019-10-19

Jack the Ripper is the ultimate cold case. The Whitechapel Murders of 1888 have remained unsolved for over 130 years and hundreds of theories have been suggested as to the killer's identity. Despite numerous books claiming to unmask the infamous Victorian villain, none have come close until now. The authors of this book are all members of H Division Crime Club, the world's largest body of experts on the Jack the Ripper murders. They have all come together for the first time in history to deliver their own personal research into each suspect and to finally nail down the identity of the man know as Jack the Ripper. Taking the

original police reports, eye witness accounts and research by the world's leading authorities into account, we ask two crucial questions: Who did the police suspect at the time? Who was in the area to commit the murders? Using 21st century profiling techniques, it is time to reveal the truth behind the men most likely to have been Jack the Ripper. With each chapter discussing a separate suspect in detail, this book is the ultimate guide to solving the world's greatest murder mystery.

"So Much Admired" - Russell Edwards 1988

When the Bullet Hits the Bone - Anthony Luciano Raimondi 2020-11-10

Anthony Raimondi was born into a world that most people would never venture into or experience or be part of. He was born into the world of organized crime. In this book, he tells of rampant corruption, payoffs, and bribes and of treachery and deceit and assassinations in the Vatican

and of the biggest heist in mob history. Look for Part 2 - When the Bullet Hits the Bone : The Dead Don't Walk

[They All Love Jack](#) - Bruce Robinson 2015-10-13

For over a hundred years, the mystery of Jack the Ripper has been a source of unparalleled fascination and horror, spawning an army of obsessive theorists and endless volumes purporting to finally reveal the identity of the brutal murderer who terrorized Victorian England. But what if there was never really any mystery at all? What if the Ripper was always hiding in plain sight, deliberately leaving a trail of clues to his identity for anyone who cared to look, while cynically mocking those who were supposedly attempting to bring him to justice? In *They All Love Jack*, the award-winning film director and screenwriter Bruce Robinson exposes the cover-up that enabled one of history's most notorious serial killers to remain at large. More than twelve years in the writing, this is no mere radical

reinterpretation of the Jack the Ripper legend and an enthralling hunt for the killer. A literary high-wire act reminiscent of Tom Wolfe or Hunter S. Thompson, it is an expressionistic journey through the cesspools of late-Victorian society, a phantasmagoria of highly placed villains, hypocrites, and institutionalized corruption. Polemic forensic investigation and panoramic portrait of an age, underpinned by deep scholarship and delivered in Robinson's inimitably vivid and scabrous prose, *They All Love Jack* is an absolutely riveting and unique book, demolishing the theories of generations of self-appointed experts—the so-called Ripperologists—to make clear, at last, who really did it; and, more important, how he managed to get away with it for so long.

The Escape of Jack the Ripper - Jonathan Hainsworth
2021-07-20

He was young, handsome, highly educated in the best English schools, a respected professional and a first-class

amateur athlete. He was also a serial killer, the Victorian equivalent of the modern-day Ted Bundy. His name was Montague Druiitt—also known as “Jack the Ripper.” His handiwork included the slaughter of at least five women of ill repute in the East End of London—an urban hell where women sold themselves for a stale crust of bread. His likely motivation for the location of his murders was to call attention to the atrocious conditions in which East Enders lived, just blocks from upper-class London’s wealth and opulence. This book, compiled from years of meticulous research, presents the thinking behind the murders, the man behind the moniker, and the circumstances behind his demise. In *The Escape of Jack the Ripper*, readers will learn: How a blood-stained Druiitt was arrested yet bluffed his way to freedom by pretending to be a medical student helping the poor How Druiitt confessed to his cousin, an Anglican priest How Druiitt’s family placed him

in a private, expensive asylum in France, only for him to flee when a nurse blew the whistle. How Druiitt's identity was concealed by his well-connected friends and family, thus hatching the mystery of Jack the Ripper. This fascinating story is revealed fully for the first time with many never-before-published photographs, including the newly discovered, last-known image of Druiitt. The serial killer of 1888 was not poor, not foreign, not unknown. He was M.J. Druiitt—the best of Britain.

Ripper Confidential - Tom Wescott 2017-03-01

Non-fiction work on the Jack the Ripper murders of 1888. *The Ultimate Jack the Ripper Sourcebook* - Keith Skinner 2013-02-07

Two experienced Ripperologists have applied their joint knowledge and expertise to the painstaking collation of all the known official records to produce the ultimate Ripper book - a narrative account of the murders encompassing all the known evidence. The most

complete work on the Ripper case ever, contains: the entire contents of the Scotland Yard files covering the full series of murders; extensive press reports; witness statements and extracts from police notebooks; documents missing from the official files and many rare photographs. The Ultimate Jack the Ripper Sourcebook is not only an invaluable reference, but is also a compelling account of the Victorian serial murderer whose identity remains one of criminology's greatest mysteries.

Naming Jack the Ripper - Russell Edwards 2014-10-01

In 2007, businessman Russell Edwards bought a shawl believed to have been left beside the body of the fourth victim, Catherine Eddowes. He knew that, if genuine, the shawl would be the only piece of crime scene evidence still in existence. It was the start of an extraordinary seven-year quest for Russell as he sought to authenticate the shawl and learn its secrets. He had no idea that this journey would

take him so far. After undergoing extensive forensic testing by one of the country's top scientists, the shawl was not only shown to be genuine, and stained with Catherine Eddowes' blood, but in a massive breakthrough the killer's DNA was also discovered - DNA that would allow Russell to finally put a name to Jack the Ripper . . .

Real Mary Kelly - Wynne Weston-Davies 2016-04

Many researchers have tried over the decades to discover Mary Jane Kelly's true identity. She was the final and most brutally murdered victim of Jack the Ripper, but almost nothing is known about her family or her earlier life. # In this thrilling book, Mary's great-nephew Wynne Weston-Davies, who is an author and surgeon, explores the inscrutable circumstances behind the Ripper's fifth and final victim and how the elusive life of Mary Jane Kelly is wholly intertwined with the mystery of her legendary killer. With echoes of *The Suspicions of Mr Whicher* and *Sherlock*

Holmes in his pomp, *The Real Mary Kelly* is not only a classic 'whodunit', but an engrossing and utterly original 'whoisit?' Features, authored/comment pieces and book reviews will run in traditional print media, with focus on the culture and arts pages of national and regional newspapers. Reviews and competitions will run on various online platforms including Jack the Ripper websites and associated social media and blogs.

The Bank Holiday Murders -

Tom Wescott 2013-10-18

"Emma Smith and Martha Tabram were once considered the first victims of Jack the Ripper. Accepted wisdom changed over time and they're now little more than footnotes to the Ripper mystery. But could it be that these early murders are in fact the key to unlocking the secret history of the Whitechapel murders? With new evidence and a fresh evaluation of the facts, we now find ourselves closer than ever to the answers that have eluded historians and criminologists for well over a

century."-- From back cover.

Naming Jack the Ripper -

Russell Edwards 2014-09-09

After 125 years of theorizing and speculation regarding the identity of Jack the Ripper, Russell Edwards is in the unique position of owning the first physical evidence relating to the crimes to have emerged since 1888. This evidence is from one of the crime scenes, and has now been rigorously examined by some of the most highly-qualified forensic scientists in the country who have ascertained its true provenance. With the help of modern forensic techniques, Russell's ground-breaking discoveries provide conclusive answers to many of the most challenging mysterious surrounding the case.

Jack the Ripper - Richard

Whittington-Egan 2013-10-15

The definitive work on Jack the Ripper and the various theories from the time of the murders to the present day

Jack the Ripper - Paul Begg

2012-10

Over 100 years have elapsed since what is believed to have

been Jack the Ripper's final murder, yet hundreds of books, television programs, and films continue to be produced every year on the subject. Jack the Ripper: Crime Scene Investigation takes readers back to the London of 1888 through unique reconstructions of the Ripper's murders. Detailed crime-scene recreations, plus thoroughly researched text written by experts, give readers the most complete view to date of the gruesome crimes that shook Victorian society.

Umbrella - Will Self

2013-01-08

"A brother is as easily forgotten as an umbrella."—James Joyce, Ulysses Radical and uncompromising, Umbrella is a tour de force from one of England's most acclaimed contemporary writers, and Self's most ambitious novel to date. Moving between Edwardian London and a suburban mental hospital in 1971, Umbrella exposes the twentieth century's technological searchlight as

refracted through the dark glass of a long term mental institution. While making his first tours of the hospital at which he has just begun working, maverick psychiatrist Zachary Busner notices that many of the patients exhibit a strange physical tic: rapid, precise movements that they repeat over and over. One of these patients is Audrey Dearth, an elderly woman born in the slums of West London in 1890. Audrey's memories of a bygone Edwardian London, her lovers, involvement with early feminist and socialist movements, and, in particular, her time working in an umbrella shop, alternate with Busner's attempts to treat her condition and bring light to her clouded world. Busner's investigations into Audrey's illness lead to discoveries about her family that are shocking and tragic.

I, Ripper - Stephen Hunter
2015-12-29

Includes an excerpt from The third note.

Jack the Ripper: Case Closed
- Gyles Brandreth 2017-06-15

London. 1894. 'I am not a detective, chief constable.' 'No, but you are a poet, a freemason and a man of the world. All useful qualifications for the business in hand.' So says Police Chief Macnaghten to Oscar Wilde, in a Chelsea drawing room in the company of Arthur Conan Doyle. The business they are gathered to discuss is none other than the case of Jack the Ripper, the most notorious murderer in England. And thus the three men set out to solve one of the world's most famous mysteries - the ultimate truth about the identity of Jack the Ripper. Case Closed is Arthur Conan Doyle's account of the events of 1894, the year of the return of Jack the Ripper. Based on Oscar Wilde's real-life friendship with Conan Doyle and the extraordinary but little-known fact that in 1894 the detective in charge of the Jack the Ripper investigations was Oscar Wilde's neighbour in Tite Street, Chelsea, this is a revelatory and gripping detective story, combining the intrigue of a classic murder

mystery with a witty and compelling portrait of one of the greatest characters of the Victorian age.

Jack the Ripper - The Whitechapel Society
2011-09-05

The latest research on the ultimate whodunnit by the world's leading society for Ripper studies The Whitechapel Murders of 1888 remain unsolved and hundreds of theories have been suggested as to the killer's identity. However, many of the suggestions naming the infamous Ripper remain ill-informed and ludicrous, until now. The authors of this book are all members of The Whitechapel Society, the world's largest organization for the study of Jack the Ripper. Each has spent many years researching a particular suspect and the results of their latest, cutting-edge investigations are published here for the first time. Based on indisputable facts and concrete evidence, the cases put forward in this collection allow readers to decide exactly

who they believe is the man behind the myth. With each chapter discussing a separate suspect in detail, this book is the ultimate guide to one of the most famous criminal investigations in history.

1888 - Peter Stubley
2012-09-01

In 1888 Jack the Ripper made the headlines with a series of horrific murders that remain unsolved to this day. But most killers are not shadowy figures stalking the streets with a lust for blood. Many are ordinary citizens driven to the ultimate crime by circumstance, a fit of anger or a desire for revenge. Their crimes, overshadowed by the few, sensational cases, are ignored, forgotten or written off. This book examines all the known murders in London in 1888 to build a picture of society. Who were the victims? How did they live, and how did they die? Why did a husband batter his wife to death after she failed to get him a cup of tea? How many died under the wheels of a horse-driven cab? Just how dangerous was London in 1888?

Asylum Record - 1902

Includes translations from Okayama Kojiin Shimpo, the Japanese organ of the Okayama Orphan Asylum, and financial statements of the Asylum.

Siberian Diamonds - V Osipov
2003-06-01

A personal account of the prospecting expeditions and discovery of kimberlite and of later diamond mining in Yakutia, Siberia in the Soviet Far East.

The Five - Hallie Rubenhold
2019

Miscast in the media for nearly 130 years, the victims of Jack the Ripper finally get their full stories told in this eye-opening and chilling reminder that life for middle-class women in Victorian London could be full of social pitfalls and peril.

Jack the Ripper - Paul Begg
2014-03-28

Two Ripper experts examine unsolved murders—from Great Britain and around the world—that occurred during the era of the notorious killer. The number of women murdered and mutilated by Jack the Ripper is impossible to

know, although most researchers now agree on five individuals. These five canonical cases have been examined at length in Ripper literature, but other contemporary murders and attacks bearing strong resemblance to the gruesome Ripper slayings have received scant attention. These unsolved cases are the focus of this intriguing book. The volume looks at a dozen female victims who were attacked during the years of Jack the Ripper's murder spree. Their terrible stories—a few survived to bear witness, but most died of their wounds—illuminate key aspects of the Ripper case and the period: the gangs of London's Whitechapel district, Victorian prostitutes, the public panic inspired by the crimes and fueled by journalists, medical practices of the day, police procedures and competency, and the probable existence of other serial killers. The book also considers crimes initially attributed to Jack the Ripper in other parts of Britain and the

world, notably New York, Jamaica, and Nicaragua. In a final chapter, the drive to identify the Ripper is examined, looking at suspects as well as several important theories, revealing the lengths to which some have gone to claim success in identifying Jack the Ripper. "When it comes to the meticulous details of a murder, the minute-by-minute examination of a crime and its policing, Messrs. Begg and Bennett are the very best in the true-crime genre."—Judith Flanders, Wall Street Journal

The Jack the Ripper Whitechapel Murders - Kevin O'Donnell 1997

Prisoner 4374 - A.J. Griffiths-Jones 2021-12-15

For more than a century, Dr. Thomas Neill Cream was a potential Jack The Ripper suspect. He was a sinister character, preying on the unfortunate souls who were forced to make a living as streetwalkers in Victorian London, and ultimately led those poor women to an

untimely and torturous death. These crimes eventually branded him the 'Lambeth Poisoner'. However, during the time of the heinous Ripper murders, Dr. Cream was incarcerated in Joliet Prison, Illinois. Over the decades, this fact alone has caused debate as to whether or not he deserves to be under suspicion of being the Whitechapel fiend. Was it possible that Dr. Cream bribed his way out of jail, perhaps using a doppelganger to take his place while secretly finding a passage to England with murder in mind? This fascinating book, told from the standpoint of Cream himself, explains the twisted logic behind his actions. The author has done considerable and meticulous research, tracing Cream's life from his adolescent years in Canada to his last moments on the gallows at Newgate. Jack the Ripper Book of the Year 2016 **The Ripper and the Royals** - Melvyn Fairclough 2002 More theories have been put forward about the Whitechapel murders of 1888 than about

any other unsolved crimes in the files of Scotland Yard. Who was 'Jack the Ripper'? Was he some lone maniac 'down on whores'? Or were the Ripper murders, as this book shows, the joint enterprise of a group of high-ranking desperadoes acting to protect the Prince of Wales's heir, the Duke of Clarence, from blackmail? Many hitherto unknown facts are presented in this authoritative book, which was first published in 1991 and includes a foreword by Joseph Sickert. Melvyn Fairclough skilfully unravels the nexus of intrigue that has threatened the Royal family for three generations.

Cold Cases: A True Crime Collection - Cheyna Roth
2020-07-14

Discover the fascinating true crime stories of JonBenét Ramsey, the Black Dahlia, the Isabella Stewart Gardner Museum theft, the Amber Alert case, the Cleveland Torso Murders, and more—a must-read for murderinos, armchair detectives, and online sleuths of all kinds! From mystifying

heists to shocking murders, Cold Cases: A True Crime Collection features case file facts, fascinating details, and chilling testimonies of the world's most famous cold cases. Written for true crime junkies who love to speculate on the facts and theories surrounding their favorite cases, this book reads like you're having a conversation with a friend or listening to your favorite crime podcast. Each chapter delves deep into the facts, while also illuminating the many theories surrounding these mysteriously fascinating cases: - The Zodiac Killer - The disappearance of Natalee Holloway - The murder of JonBenét Ramsey - The Isabella Stewart Gardner Museum heist - The Kingsbury Run murders, aka the Cleveland Torso murders - The Black Dahlia murder - The Freeway Phantom murders - D. B. Cooper's airplane heist - The Amber Alert case (the death of Amber Hagerman) - The Golden State Killer
Jack the Ripper - John J. Eddleston 2001-01-01

A detailed and meticulously researched encyclopedia on all aspects of Jack the Ripper, one of the world's most famous, and mysterious, serial killers. * 450+ entries arranged around themes such as suspects, victims, police, myths, and errors * Verbatim accounts of eight important letters written at the times of the murders that may be genuine, or that other writers have claimed to be genuine * A timeline of the era of Jack the Ripper, beginning with a poisoning in 1887 and ending with the writing of the Littlechild letter in 1913 * 12 maps detailing the location of each murder * Numerous photographs including explicit postmortem photos of many of the victims attributed to Jack the Ripper

Naming Jack the Ripper - Russell Edwards 2014-09-09
Bringing together ground-breaking forensic discoveries - including vital DNA evidence - and gripping historical detective work, Naming Jack the Ripper constructs the first truly convincing case for identifying the world's most

notorious serial killer. In 2007, businessman Russell Edwards bought a shawl believed to have been left beside the body of the fourth victim, Catherine Eddowes. He knew that, if genuine, the shawl would be the only piece of crime scene evidence still in existence. It was the start of an extraordinary seven-year quest for Russell as he sought to authenticate the shawl and learn its secrets. He had no idea that this journey would take him so far. After undergoing extensive forensic testing by one of the country's top scientists, the shawl was not only shown to be genuine, and stained with Catherine Eddowes' blood, but in a massive breakthrough the killer's DNA was also discovered -DNA that would allow Russell to finally put a name to Jack the Ripper . . .

[A Way of Life](#) - Reginald Kray 2016-02-25
When we think of the Kray Legend, we think of Sixties London, an underground culture that has all but vanished. Reg Kray was the

torchbearer of that era in British history. But despite ongoing press interest in the world of the Krays, few have an understanding of Reg the man - a man who spent half of his life in prison and who died of cancer in October 2000.

Sidgwick & Jackson published Reg and Ron's joint memoir, *Our Story*, in 1988, and Ron Kray's autobiography, *My Story*, in 1993. This is Reggie's story, a diary of the life he lived, with reflections on the past and the new role he found for himself 'on the inside'. It is a story of courage and remorse, revelation and friendship. For the first time he speaks of his marriage to Roberta, of his relationship with his brothers Ron, who died five years ago, and Charlie, who died April 2000, putting certain misconceptions straight. Updated with a new chapter by Roberta Kray, this is a valuable document for future generations and a fascinating insight into prison life.

The Complete History of Jack the Ripper - Philip Sugden 2012-03-01

The murders in London between 1888-91 attributed to Jack the Ripper constitute one of the most mysterious unsolved criminal cases. This story is the result of many years meticulous research. The author reassesses all the evidence and challenges everything we thought we knew about the Victorian serial killer and the vanished East End he terrorized.

The Tombs - Deborah Schaumberg 2018-02-20
New York, 1882. A dark, forbidding city, and no place for a girl with unexplainable powers. Deborah Schaumberg's gripping debut takes readers on a breathless trip across a teeming turn-of-the-century New York and asks the question: Where can you hide in a city that wants you buried? Sixteen-year-old Avery Kohl pines for the life she had before her mother was taken. She fears the mysterious men in crow masks who locked her mother in the Tombs asylum for being able to see what others couldn't. Avery denies the signs in herself, focusing

instead on her shifts at the ironworks factory and keeping her inventor father out of trouble. Other than listening to secondhand tales of adventure from her best friend, Khan, an ex-slave, and caring for her falcon, Seraphine, Avery spends her days struggling to survive. Like her mother's, Avery's powers refuse to be contained. When she causes a bizarre explosion at the factory, she has no choice but to run from her lies, straight into the darkest corners of the city. Avery must embrace her abilities and learn to wield their power—or join her mother in the cavernous horrors of the Tombs. And the Tombs has secrets of its own: strange experiments are being performed on “patients”...and no one knows why.

The Name of the Star -

Maureen Johnson 2012-10-02
New York Times bestseller

Maureen Johnson takes on Jack the Ripper in this captivating paranormal thriller! The day that Louisiana teenager Rory Deveaux arrives in London to start a new life at boarding school is also the day a series of brutal murders breaks out over the city, killings mimicking the horrific Jack the Ripper spree of more than a century ago. Soon "Rippermania" takes hold of modern-day London, and the police are left with few leads and no witnesses. Except one. Rory spotted the man police believe to be the prime suspect. But she is the only one who saw him--the only one who can see him. And now Rory has become his next target. In this edge-of-your-seat thriller, full of suspense, humor, and romance, Rory will learn the truth about the secret ghost police of London and discover her own shocking abilities.
