Wholeness is about removing invisible boundaries from our lives that keep us from realizing our highest potential. In order to live an outer life without limits, we have to uncover and address the inner limitations that hide in our blind spots. This life-changing book explains that regardless of where you are in life, Wholeness will take you higher. Wholeness will elevate your sense of fulfillment in life, produce healthier, more rewarding relationships, and will position you for optimum success in every endeavor. International thought leader and pastor Touré Roberts explains we can't always choose the experiences that keep us from being whole, but we can take control of our lives today and bring healing to any broken area. Key chapters include an in-depth relationship guide titled "Two Halves Don't Make a Whole." "The Cracked Mirror" shows how unprocessed experiences can negatively shape our view of self, others, and the world around us. "Ghosts of the Past" gives powerful, practical tools for avoiding the traps of the past and ensuring that we enter into the amazing future that God has planned for us. Wholeness is filled with wisdom garnered from Touré's own life—raised by a single mom, narrowly escaping the trappings of inner-city life, and finding success in corporate America. His insight is further broadened by his role as founder of one of the most influential churches in the nation, with over fourteen years pastoring thousands of millennials, couples, families, and a diverse group of individuals. Wholeness will take you on a transformational journey that won't leave you the same. Concluding with a "Wholeness Test," Wholeness will help you track and maintain your progress while walking out your journey to your full potential.

Gentlewoman - Enitan O. Bereola 2013-12

Uneasy lies the head that wears a crown... Have you ever witnessed a Lady? Not a woman, but a Lady. She's a girl by birth, woman by maturity and Lady by choice. Do you remember how the sight of a Lady made you feel? Did she smile at you? Could you feel her warmth? Do you remember her scent of comfort and truth? Can you recall how difficult it was explaining what you witnessed when she strolled by? Her high heels were music; her stride was a song. She walked in greatness influencing nations with each step. Do you remember your first time? Well, when was the last time you saw her? Her story isn't being told. Her legacy is being watered down, and society is taking notes. She's much more than a victim with hips. This story isn't one of those "how to get a man" books or "he thinks he's right because he's a man" books. This took time. This is an etiquette book for women, written by a man—a crazy man, crazy over you and crazy enough to write for and about you. This is a State of Emergency! GENTLEWOMAN sets out to explore the demise of femininity and class in contemporary society. Unlike any other book, the author along with Hill Harper, Meagan Good, Congresswoman Barbara Lee, Michelle Williams & more share insight to inform, educate and empower womanhood. It's fresh, fun and sexy uncommon sense advice designed to facilitate a necessary conversation amongst the sexes that leads to real solutions. Oh, and a man wrote it! "From selecting wines to selecting a mate, I am re-branding etiquette. Making manners beautiful, again." -E.B. II CLASS is back in session! *GENTLEWOMAN is the #1 bestselling Etiquette Advice Guide on Amazon. Oprah Winfrey and The

The Hollywood Commandments - DeVon Franklin 2017-09-26

DeVon Franklin, New York Times bestselling author of *The Wait* and prominent Hollywood producer, reveals that secular and spiritual success are not opposites. To have one, you need the other. Are you tired of living a life paralyzed by fear? Are you anxious to break free of the

“beware mentality” that has kept generations of well-meaning people living beneath the fullness of their calling? You're unfulfilled because you've been convinced that you would lose your faith if you pursued the secular ambitions God has put in your heart. However, until you pursue those ambitions you will miss out on the fullness of God and the success you were created to have. For too long there's been a line drawn between the spiritual and the secular, and we have been conditioned to believe that if we cross this line in either direction, we will have gone too far. It's time to break down this barrier so you are free to go further than any believer has gone before. *The Success Commandments* combines spiritual teachings with secular strategies to help you achieve unprecedented success and live the life you were destined to live.

Live Free - DeVon Franklin 2021-05-04

The bestselling author returns with his biggest book yet in which he teaches us the secret to living a happier life: get rid of as many expectations as possible—of ourselves, our future, our relationships, our career and our family. Expectations are the secret software, running on the hardware of our minds, controlling our emotions, decisions, and actions. How? Think about your life. How much of the sadness you feel derives from what you think should have happened—than with what actually happened? Think about your career. How much of the discontent you feel comes from your belief about where you'd be at this point—than with the progress you've actually made? Think about your relationships. How much of your dissatisfaction with friends, family, significant others, or spouses has to do with your unspoken presumptions—than with the people themselves? Having so many expectations is distorting your perspective, decreasing your happiness and disrupting your joy. You can live a life of true freedom, greater peace and less stress: release as many expectations as possible. This, DeVon Franklin argues, is the secret to a better life now. In a culture obsessed with more, *Live Free* is a bold counterintuitive book that can start a cultural revolution, Franklin contends. Everyone struggles with unnecessary expectations. But once you learn to let go of them, you can set the stage for the life you've always wanted.

[The Mask of Masculinity](#) - Lewis Howes 2017-10-31

At 30 years old, Lewis Howes was outwardly thriving but unfulfilled inside. He was a successful athlete and businessman, achieving goals beyond his wildest dreams, but he felt empty, angry, frustrated, and always chasing something that was never enough. His whole identity had been built on misguided beliefs about what "masculinity" was. Howes began a personal journey to find inner peace and to uncover the many masks that men – young and old – wear. In *The Mask of Masculinity*, Howes exposes the ultimate emptiness of the Material Mask, the man who chases wealth above all things; the cowering vulnerability that hides behind the Joker and Stoic Masks of men who never show real emotion; and the destructiveness of the Invincible and Aggressive Masks worn by men who take insane risks or can never back down from a fight. He teaches men how to break through the walls that hold them back and shows women how they can better understand the men in their lives. It's not easy, but if you want to love, be loved and live a great life, then it's an odyssey of self-discovery that all modern men must make. This book is a must-read for every man – and for every woman who loves a man.

Boundaries - Henry Cloud 2008-09-09

Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.

The Success Commandments - DeVon Franklin 2019-04-02

DeVon Franklin, New York Times bestselling author of *The Wait* and prominent Hollywood producer, reveals that secular and spiritual success are not opposites. To have one, you need the other. Are you tired of living a life paralyzed by fear? Are you anxious to break free of the "beware mentality" that has kept generations of well-meaning people living beneath the fullness of their calling? You're unfulfilled because you've been convinced that you would lose your faith if you pursued the secular ambitions God has put in your heart. However, until you pursue those ambitions you will miss out on the fullness of God and the success you were created to have. For too long there's been a line drawn between the spiritual and the secular, and we have been conditioned to believe that if we cross this line in either direction, we will have gone too far. It's time to break down this barrier so you are free to go further than any believer has gone before. *The Hollywood Commandments* combines spiritual teachings with secular strategies to help you achieve unprecedented success and live the life you were destined to live.
