Epic - John Joseph Adams 2012-10-05

There is a sickness in the land. Prophets tell of the fall of empires, the rise of champions. Great beasts stir in vaults beneath the hills, beneath the waves. Armies mass. Gods walk. The world will be torn asunder. Epic fantasy is storytelling at its biggest and best. From the creation myths

and quest sagas of ancient times to the mega-popular fantasy novels of today, these are the stories that express our greatest hopes and fears, that create worlds so rich we long to return to them again and again, and that inspire us with their timeless values of courage and friendship in the face of ultimate evil—tales that

transport us to the most ancient realms and show us the most noble sacrifices, the most astonishing wonders. Now acclaimed editor John Joseph Adams (*Wastelands*, *The Living Dead*) brings you seventeen tales by today's leading authors of epic fantasy, including George R. R. Martin (*A Song of Ice and Fire*), Ursula K. Le Guin (*Earthsea*), Robin Hobb (*Realms of Elderlings*), Kate Elliott (*Crown of Stars*), Tad Williams (*Of Memory, Sorrow & Thorn*), Patrick Rothfuss (*The Kingkiller Chronicle*), and more. Return again to lands you've loved or visit magical new worlds. Victory against the coming darkness is never certain, but one thing's for sure—your adventure will be epic.

Oathbringer Part Two - Brandon Sanderson
2022-07-21

In *Oathbringer*, the third volume of the New York Times bestselling *Stormlight Archive*,

humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realises that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand

together?and unless Dalinar himself can confront that past?even the restoration of the Knights Radiant will not prevent the end of civilisation. The story continues in Rhythm of War Part One.

Legion: Lies of the Beholder - Brandon Sanderson 2020-03-10

The shocking conclusion to Brandon Sanderson's Legion novella series, on its own for the first

time. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. When Stephen gets an unexpected cry for help from the woman who taught him how to control his aspects—right when one of his aspects suddenly and violently disappears—it will send him on a case the likes of which he could never have imagined. Mistborn Trilogy - Brandon Sanderson

2011-02-01

This discounted ebundle includes: Mistborn: The Final Empire, The Well of Ascension, The Hero of Ages From #1 New York Times bestselling author Brandon Sanderson, the Mistborn trilogy is a heist story of political intrigue and magical, martial-arts action. For a thousand years the ash fell and no flowers bloomed. For a thousand years the Skaa slaved in misery and lived in fear. For a thousand years the Lord Ruler, the "Sliver of Infinity," reigned with absolute power and ultimate terror, divinely invincible. This saga dares to ask a simple question: What if the hero of prophecy fails? Mistborn: The Final Empire — Kelsier, a brilliant thief has turned his talents to the ultimate caper, with the Lord Ruler as the mark. Kel's plan is the ultimate long shot, until luck brings a ragged girl named Vin into the fold. But she will have to learn to trust if she is to master powers of which she never dreamed. The Well of Ascension — Evil has been defeated;

the war has just begun. Vin, the street urchin who has become the most powerful Mistborn in the land, and Elend Venture, the idealistic young nobleman who loves her, must build a healthy new society in the ashes of an empire. The Hero of Ages — The Deepness has returned, along with unusually heavy ashfalls and powerful earthquakes. Humanity appears to be doomed. Vin and Elend investigate the past to save the future, and in the end, sacrifices must be made. The Way of Kings - Brandon Sanderson

2010-08-31

From #1 New York Times bestselling author Brandon Sanderson, *The Way of Kings*, Book

One of the Stormlight Archive begins an incredible new saga of epic proportion. Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to

save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called The Way of Kings. Troubled by over-powering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity. Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war. The result of over ten years of planning, writing, and world-building, The Way of Kings is but the opening movement of the Stormlight Archive, a bold masterpiece in the making. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. and return to men the Shards they once bore. The

Knights Radiant must stand again. Rhythm of War - Brandon Sanderson 2020-11-17 An instant #1 New York Times Bestseller and a USA Today and Indie Bestseller! The Stormlight Archive saga continues in Rhythm of War, the

eagerly awaited sequel to Brandon Sanderson's #1 New York Times bestselling *Oathbringer*, from an epic fantasy writer at the top of his game. After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar's crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin's scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are

willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition's envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of failure. Alcatraz vs. The Evil Librarians Series - Brandon Sanderson 2017-02-28

This discounted ebundle includes: Alcatraz vs. The Evil Librarians, The Scrivener's Bones, The Knights of Crystallia, The Shattered Lens, The Dark Talent An action-packed fantasy adventure series by the #1 New York Times bestselling author Brandon Sanderson. Alcatraz Smedry and his family and friends must battle a cult of evil Librarians bent on taking over the world through misinformation and suppressing the truth.
Alcatraz vs. the Evil Librarians — On his thirteenth birthday, foster child Alcatraz Smedry gets a bag of sand in the mail-his only

inheritance from his father and mother. It is quickly stolen by the cult of Evil Librarians. Alcatraz must stop them, using the only weapon he has: an incredible talent for breaking things.
The Scriveners Bones — In his second skirmish against the Evil Librarians who rule the world, Alcatraz and his ragtag crew of freedom fighters track Grandpa Smedry to the ancient and mysterious Library of Alexandria. Can Alcatraz and his friends rescue Grandpa Smedry and make it out of there alive? The Knights of Crystallia — Alcatraz Smedry has made it to the Free Kingdoms at last. Unfortunately, so have the Evil Librarians—including his mother! Now Alcatraz has to find a traitor among the Knights of Crystallia, make up with his estranged father, and save one of the last bastions of the Free Kingdoms from the Evil Librarians. The Shattered Lens — Alcatraz Smedry is up against a whole army of Evil Librarians with only his friend Bastille, a few pairs of glasses, and an unlimited supply of exploding teddy bears to

help him. This time, even Alcatraz's extraordinary talent for breaking things may not be enough to defeat the army of Evil Librarians and their giant librarian robots. The Dark Talent — Alcatraz Smedry has successfully defeated the army of Evil Librarians and saved the kingdom of Mokia. Too bad he managed to break the Smedry Talents in the process. Even worse, his father is trying to enact a scheme that could ruin the world, and his friend, Bastille, is in a coma. Without his Talent to draw upon, can Alcatraz figure out a way to save Bastille and defeat the Evil Librarians once and for all? Shadows Beneath - Brandon Sanderson
2014-06-29

From the Hugo Award-winning hosts of the Writing Excuses writing advice show comes a collection of all-new stories of the fantastic, with beautiful illustrations and a behind-the-scenes look at each story's creation. Brandon

Sanderson's "Sixth of the Dusk," set in his Cosmere universe shared by the Mistborn books and the #1 New York Times bestselling Stormlight Archive, showcases a society on the brink of technological change. On the deadly island of Patji, where predators can sense the thoughts of their prey, a lone trapper discovers that the island is not the only thing out to kill him. Mary Robinette Kowal's "A Fire in the Heavens" is a powerful tale of a refugee seeking to the near-mythical homeland her oppressed people left centuries ago. When Katin discovers the role the "eternal moon" occupies in the Center Kingdom, and the nature of the society under its constant light, she may find enemies and friends in unexpected places. Dan Wells's "I.E.Demon" features an Afghanistan field test of a piece of technology that is supposed to handle improvised explosive devices. Or so the engineers have told the EOD team that will be testing it; exactly what it does and how it does it are need-to-know, and the grunts don't need to

know. Until suddenly the need arises. Howard Tayler's "An Honest Death" stars the security team for the CEO of a biotech firm about to release the cure for old age. When an intruder appears and then vanishes from the CEO's office, the bodyguards must discover why he is lying to them about his reason for pressing the panic button. For years the hosts of Writing Excuses have been offering tips on brainstorming, drafting, workshopping, and revision, and now they offer an exhaustive look at the entire process. Not only does *Shadows Beneath* have four beautifully illustrated fantastic works of fiction, but it also includes transcripts of brainstorming and workshopping sessions, early drafts of the stories, essays about the stories' creation, and details of all the edits made between the first and final drafts. Come for the stories by award-winning authors; stay for the peek behind the creative curtain.

Words of Radiance - Brandon Sanderson
2017-09-19

From #1 New York Times bestselling author Brandon Sanderson, *Words of Radiance*, Book Two of the Stormlight Archive, continues the immersive fantasy epic that *The Way of Kings* began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan

strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. Please Pick Me - Reina Regina 2021-11-11

In a garden of a thousand other volumes, my little yellow book with its earnest plea and hopeful flowers on the cover sits waiting for you to pick it up. It's got a heart it wants to give away. These haikus, poems, and prose pieces are about the miracle of being wanted back by someone we want, the desperation of hoping they'll fight harder when they waver, the rawness of seeking reassurance that we are

loved as we are, and the tenderness we feel when we're sending love out to others—all those moments when we are making our need to be accepted plain and praying, please pick me. This new, compact Philippine edition features the same four chapters of poetry as the original, with a little sneak peek into my in-progress collection of pandemic poems, some things don't survive. I hope you open it. I hope it invites you to be open too.

The Way of Kings - Brandon Sanderson
2010-12-30

'I loved this book. What else is there to say?' Patrick Rothfuss According to mythology mankind used to live in The Tranquiline Halls. Heaven. But then the Voidbringers assaulted and captured heaven, casting out God and men. Men took root on Roshar, the world of storms. And the Voidbringers followed... They came against man ten thousand times. To help them cope, the Almighty gave men powerful suits of armor and mystical weapons, known as

Shardblades. Led by ten angelic Heralds and ten orders of knights known as Radiants, mankind finally won. Or so the legends say. Today, the only remnants of those supposed battles are the Shardblades, the possession of which makes a man nearly invincible on the battlefield. The entire world is at war with itself - and has been for centuries since the Radiants turned against mankind. Kings strive to win more Shardblades, each secretly wishing to be the one who will finally unite all of mankind under a single throne. On a world scoured down to the rock by terrifying hurricanes that blow through every few day a young spearman forced into the army of a Shardbearer, led to war against an enemy he doesn't understand and doesn't really want to fight. What happened deep in mankind's past? Why did the Radiants turn against mankind, and what happened to the magic they used to wield? Readers absolutely love *The Way of Kings*: 'Incredible, impressive or fantastic, all these words are an understatement to the quality this

I've loved

Sanderson's books in the past, but this one completely blew me away. I really wish I could give The Way of Kings a sixth star' Goodreads reviewer, [] [] [] [] *Oathbringer* - Brandon Sanderson 2017-11-14 The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In *Oathbringer*, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly

kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization. The Way of Kings - Brandon Sanderson 2011
The brand new epic fantasy series from international bestseller Brandon Sanderson. According to mythology mankind used to live in The Tranquiline Halls. Heaven. But then the Voidbringers assaulted and captured heaven, casting out God and men. Men took root on Roshar, the world of storms. And the Voidbringers followed ... They came against man ten thousand times. To help them cope, the Almighty gave men powerful suits of armor and mystical weapons, known as Shardblades. Led by ten angelic Heralds and ten orders of knights known as Radiants, mankind finally won. Or so the legends say. Today, the only remnants of

those supposed battles are the Shardblades, the possession of which makes a man nearly invincible on the battlefield. The entire world is at war with itself - and has been for centuries since the Radiants turned against mankind. Kings strive to win more Shardblades, each secretly wishing to be the one who will finally unite all of mankind under a single throne. On a world scoured down to the rock by terrifying hurricanes that blow through every few days is a young spearman, forced into the army of a Shardbearer, led to war against an enemy he doesn't understand and doesn't really want to fight. What happened deep in mankind's past? Why did the Radiants turn against mankind, and what happened to the magic they used to wield?

Alcatraz Versus the Knights of Crystallia - Brandon Sanderson 2009

When Alcatraz and Grandpa Smedry make a pilgrimage to the Free Kingdom city of Crystallia, they are shocked to find the city under siege by the Evil Librarians--led by

Alcatraz's own mother.

Way of Kings - Brandon Sanderson 2021-03-30

From #1 New York Times bestselling author Brandon Sanderson, *The Way of Kings*, Book One of the Stormlight Archive begins an incredible new saga of epic proportion. Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical

apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called *The Way of Kings*. Troubled by over-powering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity. Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war. The result of over ten years of planning, writing, and world-building, *The Way of Kings* is but the opening movement of the Stormlight

Archive, a bold masterpiece in the making. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. and return to men the Shards they once bore. The Knights Radiant must stand again. Other Tor books by Brandon Sanderson

Dawnshard - Brandon Sanderson 2020-11-10
From Brandon Sanderson—author of the #1 New York Times bestselling Stormlight Archive and its fourth massive installment, Rhythm of War—comes a new hefty novella, Dawnshard. Taking place between Oathbringer and Rhythm of War, this tale (like Edgedancer before it) gives often-overshadowed characters their own

chance to shine. When a ghost ship is discovered, its crew presumed dead after trying to reach the storm-shrouded island Akinah, Navani Kholin must send an expedition to make sure the island hasn't fallen into enemy hands. Knights Radiant who fly too near find their Stormlight suddenly drained, so the voyage must be by sea. Shipowner Rysn Ftori lost the use of her legs but gained the companionship of Chiri-Chiri, a Stormlight-ingesting winged larkin, a species once thought extinct. Now Rysn's pet is ill, and any hope for Chiri-Chiri's recovery can be found only at the ancestral home of the larkin: Akinah. With the help of Lopen, the formerly one-armed Windrunner, Rysn must accept Navani's quest and sail into the perilous storm from which no one has returned alive. If the crew cannot uncover the secrets of the hidden island city before the wrath of its ancient guardians falls upon them, the fate of Roshar and the entire Cosmere hangs in the balance.

The Dark Talent - Brandon Sanderson

2016-09-06

The Dark Talent is the fifth action-packed fantasy adventure in the Alcatraz vs. the Evil Librarians series for young readers by the #1 New York Times bestselling author Brandon Sanderson. This never-before-published, fast-paced, and funny novel is now available in a deluxe hardcover edition, illustrated by Hayley Lazo. Alcatraz Smedry has successfully defeated the army of Evil Librarians and saved the kingdom of Mokia. Too bad he managed to break the Smedry Talents in the process. Even worse, his father is trying to enact a scheme that could ruin the world, and his friend, Bastille, is in a coma. To revive her, Alcatraz must infiltrate the Highbrary--known as The Library of Congress to Hushlanders--the seat of Evil Librarian power. Without his Talent to draw upon, can Alcatraz figure out a way to save Bastille and defeat the Evil Librarians once and for all? "Like Lemony Snicket and superhero comics rolled into one." —Publishers Weekly, starred review At the

Legion: The Many Lives of Stephen Leeds - Brandon Sanderson 2018-09-18

Legion: The Many Lives of Stephen Leeds, is #1 New York Times bestselling author Brandon Sanderson's novella collection of science fiction thrillers that will make you question reality--including a never-before-published story. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. His brain is getting a little crowded and the aspects have a tendency of

taking on lives of their own. When a company hires him to recover stolen property—a camera that can allegedly take pictures of the past—Stephen finds himself in an adventure crossing oceans and fighting terrorists. What he discovers may upend the foundation of three major world religions—and, perhaps, give him a vital clue into the true nature of his aspects. Legion: The Many Lives of Stephen Leeds includes Legion, Legion: Skin Deep and the brand new, shocking finale to Leeds' story, Lies of the Beholder.

What the Storm Means: Prologue to the

Gathering Storm - Robert Jordan 2009-09-17

The Wheel of Time turns, and Ages come and pass. What was, what will be, and what is, may yet fall under the Shadow. In the Prologue to The Gathering Storm, the first volume of the last trilogy of Robert Jordan's Wheel of Time epic, Rand al'Thor, the Dragon Reborn, struggles to unite a fractured network of kingdoms and alliances in preparation for the Last Battle. As he

attempts to halt the Seanchan encroachment northward---wishing he could form at least a temporary truce with the invaders---his allies watch in terror the shadow that seems to be growing within the heart of the Dragon Reborn himself. As with the previous three titles in the Wheel of Time series, this prologue from Robert Jordan's The Gathering Storm, completed by Brandon Sanderson, is available for sale before the book's official release date (October 27, 2009). At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Dragonsbane - Barbara Hambly 2011-03-29

An idealistic young prince convinces an aging warrior and a struggling witch to help him kill the dragon that is terrorizing his kingdom As a vicious dragon stalks the Southlands, Crown Prince Gareth ventures to the forbidding North in search of the only man who can kill it. He is Lord Aversin, the Dragonsbane, whose dragon-slaying days have won him renown across the

land. But when Gareth finds Lord Aversin, he discovers the mighty hero is squat and bespectacled, the ruler of a mud-village who admits that he killed the dragon not with a lance, but with ignoble poison. Still, he'll have to do. Gareth and Aversin set off in company with Jenny Waynest, a witch with great ambitions but disappointingly puny powers—a ragtag crew destined to become legendary, or die in the attempt. This ebook features an illustrated biography of Barbara Hambly, including rare photos and never-before-seen documents from the author's personal collection.

The Well of Ascension - Brandon Sanderson
2010-04-01

From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. The impossible has been

accomplished. The Lord Ruler -- the man who claimed to be god incarnate and brutally ruled the world for a thousand years -- has been vanquished. But Kelsier, the hero who masterminded that triumph, is dead too, and now the awesome task of building a new world has been left to his young protégé, Vin, the former street urchin who is now the most powerful Mistborn in the land, and to the idealistic young nobleman she loves. As Kelsier's protégé and slayer of the Lord Ruler she is now venerated by a budding new religion, a distinction that makes her intensely uncomfortable. Even more worrying, the mists have begun behaving strangely since the Lord Ruler died, and seem to harbor a strange vaporous entity that haunts her. Stopping assassins may keep Vin's Mistborn skills sharp, but it's the least of her problems. Luthadel, the largest city of the former empire, doesn't run itself, and Vin and the other members of Kelsier's crew, who lead the revolution, must

learn a whole new set of practical and political skills to help. It certainly won't get easier with three armies - one of them composed of ferocious giants - now vying to conquer the city, and no sign of the Lord Ruler's hidden cache of atium, the rarest and most powerful allomantic metal. As the siege of Luthadel tightens, an ancient legend seems to offer a glimmer of hope. But even if it really exists, no one knows where to find the Well of Ascension or what manner of power it bestows. Words of Radiance - Brandon Sanderson
2014-03-04

From #1 New York Times bestselling author Brandon Sanderson, *Words of Radiance*, Book Two of the Stormlight Archive, continues the immersive fantasy epic that *The Way of Kings* began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active

again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a

desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable.
