King Philippe of Gallica appeals to King Duncan for help. His son is being held hostage by a power-hungry baron, and Philippe wants Duncan to send a Ranger to rescue the boy. Will and Maddie are perfect for the task. Travelling as father and daughter to allay suspicion, they will pose as entertainers to infiltrate the Chateau des Falaises, where the prince is being held. But travelling through Gallica has its own risks: armed bandits, wild weather and even a mysterious follower all have to be faced and overcome. Will they ever find the prince? And if they do, how will they rescue him from the evil Baron Lassigny?

The First Lie - Diane Chamberlain 2013-06-04
An e-original short story that sets the stage for

bestselling author Diane Chamberlain's novel *Necessary Lies* (September 2013). *The First Lie* gives readers an early glimpse into the life of thirteen-year-old Ivy Hart. It's 1958 in rural North Carolina, where Ivy lives with her grandmother and sister on a tobacco farm. As tenant farmers, Ivy and her family don't have much freedom, though she and her best friend, Henry, often sneak away in search of adventure...and their truest selves. But life on the farm takes a turn when Ivy's teenage sister gives birth—all the while maintaining her silence about the baby's father. Soon Ivy finds herself navigating the space between adolescence and adulthood as she tries to unravel a dark web of family secrets and make sense of her ever-evolving life in the segregated South. Advance praise for Diane Chamberlain's *Necessary Lies*: "It will steal your heart."—Katrina Kittle, author of *The Blessings of the Animals* "An emotional powerhouse." —Mary Alice Monroe, New York Times bestselling author of *Beach House Memories* "Enthralling...[it] transfixed me from the very first pages, and its vivid and sympathetic characters haunted me long after the last."—Christina Schwarz, New York Times bestselling author of *Drowning Ruth*
Hit Count - Chris Lynch 2016-05-24

"I hit him so hard, the clash of helmets and pads sounded like a gunshot across the field. I crushed him with the hit, held on to him and crushed him again when I slammed him into the ground . . . I had arrived." Arlo Brodie loves being at the heart of the action on the football field, getting hit hard and hitting back harder.

Arlo's dad cheers him on, but his mother quotes head injury statistics and refuses to watch games. Arlo's girlfriend tries to make him see how dangerously he's playing; when that doesn't work, she calls time out on their relationship. Even Arlo's coaches begin to track his hit count, ready to pull him off the field when he nears the limit. But for Arlo the winning plays, the cheering crowds, and the adrenaline rush are enough to convince him that everything is OK--in spite of the pain, the pounding, the dizziness, and the confusion. "Powerful." —The New York Times Book Review "Sharp." —Sports Illustrated "Heart-pounding." —Washington Independent Review of Books "A powerful provocative look at the dark side of popular sports and their potential cost." —Publishers Weekly "This unflinching examination of the price of athletic power with plenty of bone-crunching play-by-play action, is both thought-provoking and formidable." —The Horn Book Magazine A Booklist 2015 Top Ten Sports Books for Youth A Junior Library Guild Selection

Dark Life - Kat Falls 2012-02-01

Dive deep into the vivid underwater world of Dark Life! The oceans rose, swallowing the lowlands. Earthquakes shattered the continents, toppling entire regions into the rising water. Now, humans live packed into stack cities. The only ones with any space of their own are those who live on the ocean floor: the Dark Life. Ty has spent his whole life living deep undersea. When outlaws attack his homestead, he finds himself in a fight to save the only home he has ever known. Joined by Gemma, a girl from Topside, Ty ventures into the frontier's rough underworld and discovers some dark secrets to Dark Life. Secrets that threaten to destroy everything.

Girl Last Seen - Nina Laurin 2017-06-20

Two missing girls. Thirteen years apart. An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia

Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

The Whisper - Emma Clayton 2012-02-01

Listen -- can you hear it? The explosive sequel to THE ROAR! From a whisper...to a scream! Telepathic twins Mika and Ellie at last are reunited. But if they're ever to free the brainwashed, microchipped child soldiers, they must pretend to play along with the tyrant Mal Gorman's maniacal plan, even as they mind-read his every evil thought. Members of an elite squadron of mutants, the brother and sister have specialized skills that will enable them to steal the top-secret formula for an age-reversing drug developed by rebel scientists on the wild side of The Wall. Juiced by these potent pills, the cadaver-like Gorman foresees a future in which he'll be forever young - released from the machinery that now supports him. Unless, that is, Ellie and Mika have a master plan of their own: to bring the all-powerful Gorman to his knees, and face-to-face with his greatest fear.

The Tomorrow Code - Brian Falkner 2009-07-28

"The end of the world started quietly enough for Tane Williams and Rebecca Richards. . . ." Tane and Rebecca aren't sure what to make of it—a sequence of 1s and 0s, the message looks like nothing more than a random collection of alternating digits. Working to decode it, however, they discover that the message contains lottery numbers . . . lottery numbers that win the next random draw! More messages follow, and slowly it becomes clear—the messages are being sent from Tane and Rebecca's future. Something there has gone horribly wrong, and it's up to them to prevent it from happening. The very survival of the human race may be at stake! "[A] terrifying SF page-turner!"—Booklist "A tautly constructed plot. Fast-paced and all-too-realistic. This technothriller offers gearhead ecowarriors everything, including a hugely satisfying

ending.”—Kirkus Reviews A Top 10 Kid’s Indie Next Winter Pick A Junior Library Guild Selection

The Guardians - John Christopher 2014-11-04
In a world where two nations rule all, Rob must find a way to live among them both in this futuristic story from the author of the Tripods series. In the future, the world has been divided into two societies. One is the Conurb—a sprawling, modern city where technology rules and people live with only the bare minimum they need to survive. The other is the County—a land of green fields and beautiful mansions, where the people have turned back the clock to a pristine past. Rob has always lived in the Conurb, but after he is sent to a terrible boarding school, he decides his only option is to take a chance and cross the Barrier into the unknown world of the County. There he meets another boy who introduces Rob to the very different society, and all the wondrous things that come with it. But even though Rob wants to believe that the County is a utopia, he begins to learn about the darkness that lurks beneath the smiles of his new family and friends. And when sinister secrets are revealed, Rob is forced to make a choice: stay in the County, where everything is a perfect lie, or return to the Conurb, where life is hard, horrible, and real.

The Football Girl - Thatcher Heldring
2017-04-04

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her

parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. “A great next choice for readers who have enjoyed Catherine Gilbert Murdock’s *Dairy Queen* and Miranda Kenneally’s *Catching Jordan*.”—SLJ “Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like.”—Booklist “Tessa's ferocious competitiveness is appealing.”—Kirkus Reviews “[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint.”—The Horn Book

But Cole is still determined to find a way home with his friends and to set things right in the Five Kingdoms before he leaves. That means traveling to the last of the kingdoms—Creon. It’s a place where time itself can be manipulated, where reality can bend and change. On one last death-defying mission, Cole must use everything he has learned to face a villain with powers beyond

anything her has seen before. The past, present, and future are all at stake in this epic conclusions to the bestselling Five Kingdoms series.

A Taxonomy of Love - Rachael Allen
2018-01-09

A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years. The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of "friend" gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.

The Never Hero - T. Ellery Hodges 2014-09-12
What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.

Rogue Knight - Brandon Mull 2014-11-18
Magic and danger abound in the second book in a series of "fanciful, action-packed adventure" (Publishers Weekly, starred review) from the #1 New York Times bestselling author of the *Fablehaven* and *Beyonders* series. Cole Randolph never meant to come to *The Outskirts*, but when his friends were kidnapped on Halloween he had to try and save them. Now he's trapped in a world that lies between wakefulness and dreaming, reality and imagination, life and death. Cole's hunt for his lost friends has led him to the kingdom of Elloweer. Accompanied by new friends Mira, Twitch, and Jace, Cole teams up with the resistance movement and joins the search for Mira's sister Honor. But Elloweer has grown unstable. A mysterious enemy is wiping out towns, leaving no witnesses or survivors. And an infamous rebel known throughout the kingdom as the "Rogue Knight" is upsetting the balance of power. With enemies in pursuit, Cole and Mira must resort to a fascinating new kind of magic to protect themselves. Every move is filled with danger as Cole and his friends try to outwit the High King, who will stop at nothing to regain what he has lost.

Airborn - Kenneth Oppel 2009-09-22
Sailing toward dawn, and I was perched atop the crow's nest, being the ship's eyes. We were two nights out of Sydney, and there'd been no weather to speak of so far. I was keeping watch on a dark stack of nimbus clouds off to the northwest, but we were leaving it far behind, and it looked to be smooth going all the way back to Lionsgate City. Like riding a cloud. . . .
Matt Cruse is a cabin boy on the *Aurora*, a huge airship that sails hundreds of feet above the ocean, ferrying wealthy passengers from city to city. It is the life Matt's always wanted; convinced he's lighter than air, he imagines himself as buoyant as the hydrium gas that powers his ship. One night he meets a dying balloonist who speaks of beautiful creatures drifting through the skies. It is only after Matt meets the balloonist's granddaughter that he realizes that the man's ravings may, in fact, have been true, and that the creatures are completely real and utterly mysterious. In a swashbuckling adventure reminiscent of Jules Verne and Robert

Louis Stevenson, Kenneth Oppel, author of the best-selling Silverwing trilogy, creates an imagined world in which the air is populated by transcontinental voyagers, pirates, and beings never before dreamed of by the humans who sail the skies.

The Girl Who Wrote in Silk - Kelli Estes

2015-07-07

A USA TODAY BESTSELLER! A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our own stories. The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson.

How to Be Idle - Tom Hodgkinson 2013-07-30

Yearning for a life of leisure? In 24 chapters representing each hour of a typical working day, this book will coax out the loafer in even the most diligent and schedule-obsessed worker. From the founding editor of the celebrated magazine about the freedom and fine art of doing nothing, The Idler, comes not simply a book, but an antidote to our work-obsessed culture. In How to Be Idle, Hodgkinson presents

his learned yet whimsical argument for a new, universal standard of living: being happy doing nothing. He covers a whole spectrum of issues affecting the modern idler—sleep, work, pleasure, relationships—bemoaning the cultural skepticism of idleness while reflecting on the writing of such famous apologists for it as Oscar Wilde, Robert Louis Stevenson, Dr. Johnson, and Nietzsche—all of whom have admitted to doing their very best work in bed. It's a well-known fact that Europeans spend fewer hours at work a week than Americans. So it's only befitting that one of them—the very clever, extremely engaging, and quite hilarious Tom Hodgkinson—should have the wittiest and most useful insights into the fun and nature of being idle. Following on the quirky, call-to-arms heels of the bestselling *Eat, Shoots and Leaves: The Zero Tolerance Approach to Punctuation* by Lynne Truss, *How to Be Idle* rallies us to an equally just and no less worthy cause: reclaiming our right to be idle.

Love, Lucas - Chantele Sedgwick 2015-05-05

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach

house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Sasha and Emma - Paul Avrich 2012-11-01

In 1889 Emma Goldman and Alexander Berkman met in a Lower East Side coffee shop. Over the next fifty years they became fast friends, fleeting lovers, and loyal comrades. Choker - Elizabeth Woods 2012-03-01

Sixteen-year-old Cara Lange has always been a loner, even more so since she moved away from her best and only friend, Zoe, a few years ago. Cara mostly spends her time avoiding the popular girls who call her 'choker' after a humiliating incident in the cafeteria, and watching Ethan Gray from a distance, wishing he would finally notice her. Then one day Cara comes home and finds Zoe waiting for her. Zoe's on the run from problems at home, and Cara

agrees to help her hide. With Zoe back, Cara's life changes overnight. Zoe gives her a new look and new confidence, and before she can blink, Cara is flirting with Ethan and getting invited to parties. And best of all, she has her best friend to confide in again. But just as quickly as Cara's life came together, it starts to unravel. A girl goes missing in her town, and everyone is a suspect ~ including Ethan. Worse still, Zoe starts behaving very strangely, and Cara begins to wonder what exactly her friend does all day when she's at school. You're supposed to be able to trust your best friend no matter what, but what if she turns into a total stranger?
