The Orchard - David Hopen 2020-11-17

A NATIONAL JEWISH BOOK AWARD FINALIST A Recommended Book From: The New York Times * Good Morning America * Entertainment Weekly * Electric Literature * The New York Post * Alma * The Millions * Book Riot A commanding debut and a poignant coming-of-age story about a devout Jewish high school student whose plunge into the secularized world threatens everything he knows of himself Ari Eden's life has always been governed by strict rules. In ultra-Orthodox Brooklyn, his days are dedicated to intense study and religious rituals, and adolescence feels profoundly lonely. So when his family announces that they are moving to a glitzy Miami suburb, Ari seizes his unexpected chance for reinvention. Enrolling in an opulent Jewish academy, Ari is stunned by his peers' dizzying wealth, ambition, and shameless pursuit of life's pleasures. When the academy's golden boy, Noah, takes Ari under his wing, Ari finds himself entangled in the school's most exclusive and wayward group. These friends are magnetic and defiant—especially Evan, the brooding genius of the bunch, still living in the shadow of his mother's death. Influenced by their charismatic rabbi, the group begins testing their religion in unconventional ways. Soon Ari and his friends are pushing moral boundaries and careening toward a perilous future—one in which the traditions of their faith are repurposed to mysterious, tragic ends. Mesmerizing and playful, heartrending and darkly romantic, *The Orchard* probes the conflicting forces that determine who we become: the heady relationships of youth, the allure of greatness, the doctrines we inherit, and our concealed desires.

that armor is black as coal. He's a beautiful god with a wicked heart. I know because my mom used to work for his family. He's frat boy royalty at my new university, a campus god amongst the rich and elite. There's little interest in a freshman like me. But then I cross him, putting an end to me being invisible here in his world. At a party, I see something I shouldn't have seen. Now, suddenly, the campus god has me tackled on a bed with his hand around my throat. He tells me to forget what I witnessed. Do that or the end result will be bad for me. He's hellbent on crushing my little dove wings and all I see is that cruel boy from the woods that day. When it comes to Knight, I can't seem to stay out of his way or keep my trap shut around him, no matter how hard I try. He tells me my little mouth will get me in trouble, but I think he's wrong. I'm not afraid what will happen if I spill his secrets. What terrifies me is how badly I want to see what might be beyond all that coal-black armor... It's possible that, to some small measure, I'm tempted to give in to the only devil I've ever known. The dark knight himself. Warning: Brutal Heir is an NA bully romance that contains dubious content and situations some may find triggering. It's recommended for readers 17+ and is a standalone novel with no cliffhanger. It's book one in a series of standalones titled Court University, which is a spin-off series about characters featured in Eden O'Neill's Court High books. Reading the Court High books first is not necessary for the enjoyment of Court University. The characters' origin stories merely begin in Court High and can be referred to at any time if the reader so chooses. Enjoy!

Forget Me Not - W. Winters 2017-09-12

I fell in love with a boy a long time ago. I was only a small girl. Scared and frightened, I was taken from my home and held against my will. His father hurt me, but he protected me and kept me safe as best he could. Until I left him. I ran the first chance I got and even though I knew he wasn't behind me, I didn't stop. The branches lashed out at me, punishing me for leaving him in the hands of a monster. I've never felt such guilt in my life. Although I survived, the boy was never found. I prayed for him to be safe. I dreamed he'd be alright and come back to me. Even as a young girl I knew I loved him, but I betrayed him. Twenty years later, all my wishes came true. But the boy came back a man. With a grip strong enough to keep me close and a look in his eyes that warned me to never dare leave him again. I was his to keep after all. Twenty years after leaving one hell, I entered another. Our tale was only just getting started. It's dark and twisted. But that doesn't make it any less of what it is. A love story. Our love story.

Be My December - 2014

I knew the exact moment I'd become a 'yes' girl. December 16th, a cold winter's night, four years ago. The night my innocence was stolen, the night I made the mistake of saying no--a mistake I'd never make

again. The dream of a 'happily ever after' was now a locked away myth. I promised myself that I'd never return to the place of my worst nightmare, that I'd never let anyone get close, but then again, I never thought I'd meet someone like him. The intense, confident and beautiful Ky Crawford. I had no plans to become someone's Prince Charming. I couldn't be. I refused to be. My plan was simple--do whatever it takes to correct my biggest mistake, my one regret that now controlled my life. I was on track. I had plans, but then everything changed when I saw her--the girl in the red jacket, the girl who I was told couldn't say no. The reserved yet stunning Eden Rivers. A girl who can't say no. A guy who craves redemption. A chance encounter? It all comes down to this. One question. One month. Be My December?

Jake Landon thinks a second ranger season in the Colorado Rockies with his hyper-competent lover Kurt Carlson is close enough to heaven, and a national forest is big enough to be his closet. City life, school-and the luxuries of electricity and running water-can wait, maybe forever, as long as Jake doesn't have to come out. He doesn't plan on Kurt's vision of his future being as narrow and direct as the single track roads through the trees."Your future, your fear, and me," Kurt tells Jake. "You can have two of the three, so choose wisely." Jake may have no choices left after they stumble on armed men guarding a beautiful but deadly crop that doesn't belong among the pines and spruces.
