Maybe Next Year - Greg Pearson 2016-10-29

Sports fans are a devoted bunch, win or lose. Millions sit in the wind and the cold, watching their team slip ever further from the playoffs—only to come back for more next year. What is it that keeps them going? This book, published just before the Cubs ended the longest active drought in pro sports, features more than 100 loyal followers of 23 teams who explain their reasons for never giving up. They tell stories of devotion and determination: the Toronto Maple Leafs fans who got married, on the ice, before a game; the Sacramento Kings supporters who fought to keep their team from leaving town; and the fans of Mississippi State football with their never-say-die cowbells. For these fans, optimism outweighs disappointment.

Your Best Year Ever - Michael Hyatt 2018-01-02

We all want to live a life that matters. We all want to reach our full potential. But too often we find ourselves overwhelmed by the day-to-day. Our big goals get pushed to the back burner—and then, more often than not, they get forgotten. New York Times bestselling author Michael Hyatt wants readers to know that it doesn't have to be this way. In fact, he thinks that this is the year readers can finally close the gap between reality and their dreams. In *Your Best Year Ever*, Hyatt shares a powerful, proven, research-driven system for setting and achieving goals. Readers learn how to design their best year ever in just five hours - three simple ways to triple the likelihood of achieving their goals - how to quit-proof their goals - what to do when they feel stuck - and much more. Anyone who is tired of not seeing progress in their personal, intellectual, business, relationship, or financial goals will treasure the field-tested wisdom found in these pages.

The Oxford Handbook of Cinematic Listening - Carlo Cenciarelli 2021

The Oxford Handbook of Cinematic Listening explores the intersection between the history of listening and the history of the moving image. Featuring established and emergent scholars from musicology, film studies, and literary studies, ethnomusicology and sound studies, popular music, sociology, media and communications, and psychology, this Handbook offers a wide range of case studies and methodological perspectives on the archaeologies, aesthetics, and extensions of cinematic listening. Chapters are structured around six themes: Part I ("Genealogies and Beginnings") considers film sound in light of pre-existing genres such as opera and shadow theatre, and explores changes in listening taking place at critical junctures in the early history of cinema. Part II ("Locations and Relocations") focuses on specific venues and presentational practices (from roadshow movies to and contemporary live-score screenings). Part III ("Representations and Representations") zooms into the formal properties of specific films, analysing representations of listening on screen as well as on the role of sound as a representational surplus. Part IV ("The Listening Body") focuses on cinematic sound as a powerful and sensual stimulus that has the power to engage the full body sensorium. Part V ("Listening again") discusses a range of ways in which film sound is encountered and reinterpreted outside the cinema, through ancillary materials like songs and soundtrack albums, in experimental conditions, and in pedagogical contexts. Part VI ("Between Media") compares the listening protocols of cinema with those of TV series and music video, promenade theatre and personal stereos, video games and Virtual Reality.

Unstoppable - Maria Sharapova 2017-09-12

In 2004, in a stunning upset against the two-time defending champion Serena Williams, seventeen-year-old Maria Sharapova won Wimbledon, becoming an overnight sensation. Out of virtual anonymity, she launched herself onto the international stage. "Maria Mania" was born. Her success would last: she went on to hold the number-one WTA ranking multiple times, to win four more Grand Slam tournaments, and to become one of the highest-grossing female athletes in the world. And then -- at perhaps the peak of her career -- she was charged by the ITF with taking the banned substance meldonium, only recently added to the ITF's list. The resulting suspension would keep her off the professional courts for fifteen months -- a frighteningly long time for any athlete. But

Sharapova's career has always been driven by her determination and by her dedication to hard work. Her story doesn't begin with the 2004 Wimbledon championship, but years before, in a small Russian town, where as a five-year-old she played on drab neighborhood courts with precocious concentration. It begins when her father, convinced his daughter could be a star, risked everything to get them to Florida, that sacred land of tennis academies. It begins when the two arrived with only seven hundred dollars and knowing only a few words of English. From that, Sharapova scraped together one of the most influential sports careers in history.

The Sonic Boom - Joel Beckerman 2014-10-21

A fascinating study on the influence of sound—and how companies wrangle its power to affect our moods, our shopping habits, and our lives. From movie scores and national anthems to cell-phone dings and squeaky shoes, sound and music impact how we perceive the stories, situations, and products we encounter every day. In *The Sonic Boom*, composer and strategic sound expert Joel Beckerman reveals sound's surprising power to influence our decisions, opinions, and actions in ways we might not even notice: discordant ambient noise can induce anxiety; ice cream truck jingles can bring you back to your childhood. You don't need to be a musician or a composer to harness the power of sound. Companies, brands, and individuals can strategically use sound to get to the core of their mission, influence how they're perceived by their audiences, and gain a competitive edge. Whether you're a corporate giant connecting with millions of customers or a teacher connecting with one classroom of students, the key to an effective sonic strategy is the creation of "boom moments"—transcendent instants when sound connects with a listener's emotional core. "Equal parts sociological study and business advice, using unique everyday examples—for instance, how the fate of the Chili's fajita empire rested on the sound of the sizzling platter, and how Disneyland approaches soundscapes for a fully immersive experience—to explain how sound effects our mood and shopping habits." —Entertainment Weekly "Music defines us. Joel Beckerman knows. Let him tell you all about it." —Anthony Bourdain "The Sonic Boom reveals the music and structured cacophony of everyday life." —Moby

Hooligan - Philipp Winkler 2018-04-03

We've all got two families: the one we're born with, and the one we choose ourselves. Heiko hasn't finished high school. His father is an alcoholic. His mother left. His housemate organizes illegal dogfights. He works in his uncle's gym, one frequented by bikers and skinheads. He definitely isn't one of society's winners, but he has his chosen family, the pack of soccer hooligans he's grown up with. His uncle is the leader, and gradually Heiko has risen in the ranks, until he's recognized in the stands

of his home team and beyond the stadium walls, where, after the game, he and his gang represent their city in brutal organized brawls with hooligans from other localities. Philipp Winkler's stunning, widely acclaimed novel won the prize for best debut and was a finalist for the most prestigious German book award. It offers an intimate, devastating portrait of working-class, post-industrial urban life on the fringes and a universal story about masculinity in the twenty-first century, with a protagonist whose fear of being left behind has driven him to extremes. Narrated with lyrical authenticity by Heiko himself, it captures the desperation and violence that permeate his world, along with the yearning for brotherhood.

Historical Memoranda Concerning Persons & Places in Old Dover, N.H. - John Scales 1909

The Opposite of Butterfly Hunting - Evanna Lynch 2021-10-19

From actress and activist Evanna Lynch comes a raw and compelling memoir about navigating the path between fears and dreams. Evanna Lynch's casting as Luna Lovegood in the Harry Potter films is a tale that grew to almost mythic proportions—a legend of how she faced disordered eating as a young girl, found solace in a beloved book series, and later landed the part of her favorite character. But that is not the whole story. Even after recovery, there remains a conflict at her core: a bitter struggle between the pursuit of perfection and the desire to fearlessly embrace her creative side. Revealing a startlingly accomplished voice, Lynch delves into the heart of her relationship with her body. As she takes the reader through a personal journey of leaving behind the safety of girlhood, Lynch explores the pivotal choices that ultimately led her down the path of creativity and toward acceptance of the wild, sensual, and unpredictable reality of womanhood. Honest, electrifying, and inspiring, this is a story of the battle between self-destruction and creation, of giving up the preoccupation with perfection in favor of our uncharted dreams—and how the simple choice to create is the most liberating action a person can take.

Game, Set, Cash! - Brad Hutchins 2014-05-28

Inside the secret world of tennis court-siding. Brad Hutchins has been living a young bloke's dream: getting paid to travel the world and watch sport. Sitting court-side on the pro tennis circuit, he uses his phone to transmit results to a gambling syndicate, taking advantage of the time delay in TV broadcasts to beat other online punters to the big pay-offs. His stories from life on the road capture the adventures and mishaps that come with following the world's best tennis players and partying in a new country every week. But like card counters in casinos, court-siders are despised by the tennis establishment. The more time Brad spends at tournaments, the harder it becomes for him to evade the security guards who are hell-bent on ejecting him from matches. The resulting cat-and-mouse chases will appeal to anyone who loves the roguish spirit of *The Wolf of Wall Street* or *Catch Me If You Can*. Brad Hutchins spent his youth playing sports and travelling the world, before finding his dream job as a tennis trader. Born and raised in Brisbane, he has lived and worked in the UK and Canada, and now teaches primary school students

on the Gold Coast. *Game, Set, Cash!* is his first book.

IrRational Music - Elliott Sharp 2020-06-23

A memoir and manifesto by a pivotal figure at the junction of rock, the avant-garde, and an ever-widening spiral of art, theater, film, and dance. For over five decades, Elliott Sharp has been engaged in a quest at once quixotic and down to earth: to take the music he hears in his inner ear and bring it to life in the real world. In this vivid memoir and manifesto, Sharp takes us along on that quest, through some of the most rugged, anarchically fertile cultural terrain of our time. Sharp, a mainstay of the New York Downtown scene beginning in the 1980s, has been a pivotal figure at the junction of rock, experimental music, and an ever-widening spiral of art, theater, film, and dance. Rooted in blues, rock, jazz, and the twentieth-century avant-garde, Sharp's innovative music has encompassed fractal geometry, chaos theory, algorithms, genetic metaphors, and new strategies for graphic notation. In *IrRational Music*, Sharp dodges fake cowboys' real bullets by the side of a highway near Colby, Kansas; is called on the carpet by a prickly, pompadoured Morton Feldman ("Improvisation... I don't buy it"); segues from Zen tea to single malt with an elfin John Cage; conjures an extraterrestrial opera from a group of high-school students in Munich; and—back in his own high-school days—looks up from strumming Van Morrison's "Gloria" in Manny's Music on 48th Street to see Jimi Hendrix smiling benignly upon him. A mix of tales from the road with thoughts on music, art, politics, technology, and the process of thinking itself, *IrRational Music* is a glimpse inside the mind of one of our most exacting, exciting creative artists.

Baseball Hacks - Joseph Adler 2006-01-31

Baseball Hacks isn't your typical baseball book—it's a book about how to watch, research, and understand baseball. It's an instruction manual for the free baseball databases. It's a cookbook for baseball research. Every part of this book is designed to teach baseball fans how to do something. In short, it's a how-to book—one that will increase your enjoyment and knowledge of the game. So much of the way baseball is played today hinges upon interpreting statistical data. Players are acquired based on their performance in statistical categories that ownership deems most important. Managers make in-game decisions based not on instincts, but on probability - how a particular batter might fare against left-handed pitching, for instance. The goal of this unique book is to show fans all the baseball-related stuff that they can do for free (or close to free). Just as open source projects have made great software freely available, collaborative projects such as Retrosheet and Baseball DataBank have made great data freely available. You can use these data sources to research your favorite players, win your fantasy league, or appreciate the game of baseball even more than you do now. *Baseball Hacks* shows how easy it is to get data, process it, and use it to truly understand baseball. The book lists a number of sources for current and historical baseball data, and explains how to load it into a database for analysis. It then introduces several powerful statistical tools for understanding data and forecasting results. For the uninitiated baseball fan, author Joseph Adler walks readers through the core statistical categories for hitters (batting average, on-base percentage, etc.), pitchers (earned run average, strikeout-to-walk ratio, etc.), and fielders (putouts, errors, etc.). He then extrapolates upon these numbers to examine more advanced data groups like career averages, team stats, season-by-season comparisons, and more. Whether you're a mathematician, scientist, or season-ticket holder to your favorite team, *Baseball Hacks* is sure to have something for you. Advance praise for *Baseball Hacks*: "Baseball Hacks is the best book ever written for

understanding and practicing baseball analytics. A must-read for baseball professionals and enthusiasts alike." -- Ari Kaplan, database consultant to the Montreal Expos, San Diego Padres, and Baltimore Orioles "The game was born in the 19th century, but the passion for its analysis continues to grow into the 21st. In *Baseball Hacks*, Joe Adler not only demonstrates that the latest data-mining technologies have useful application to the study of baseball statistics, he also teaches the reader how to do the analysis himself, arming the dedicated baseball fan with tools to take his understanding of the game to a higher level." -- Mark E. Johnson, Ph.D., Founder, SportMetrika, Inc. and Baseball Analyst for the 2004 St. Louis Cardinals

Twinned With Reykjavik - Liam Bullock 2021-05-31

The period leading up to 1999 had been grim for Stoke City fans - relegation, stagnation, embarrassment and board conflicts were commonplace at the club. As the new millennium approached, fans demanded change, but no one could have predicted what would come next. An Icelandic consortium, brought together by Guðjón Þórðarson, set sail for the Potteries with the promise of exciting foreign imports and Premier League football. What followed was a mixture of flashy arrivals, cup successes, broken curses, flop signings and plenty of fallouts, with extraordinary on-field moments along the way. Cult heroes and villains were made as Stoke became a living soap opera for seven remarkable years. *Twinned with Reykjavik* lifts the lid on that rollercoaster ride with the views of the people who experienced the wild journey. Integral players and fans look back on the key moments that defined the era as the book ponders that vital question: was the Icelandic takeover actually a success for Stoke City?

Mastering Tennis Trading - Daniel Weston 2014-11-24

Tennis is the second biggest sport for in-play turnover in the betting markets. It offers fantastic potential for educated, professional traders to achieve high levels of profits. *Mastering Tennis Trading* gives you the tools to take a calm, strategic approach to tennis trading - in contrast to the emotional, impulsive trading style of many - and this will give you an edge in the markets. You will learn tennis trading strategies for the in-play markets on the online betting exchanges - the largest of which are Betfair and Betdaq. The strategies presented will open your eyes to the possibilities in the in-play tennis markets and help you to add statistically-proven techniques to your trading armoury. This will give you a professional, organised trading script and prevent you from taking a haphazard, impulsive and purely gambling trading approach. Strategies featured include: - Backing the favourite when losing - Backing the server - Laying bad servers - Tiebreak trading - At the end of the first set - The deciding set - And many more! Guidance is given on basic areas such as a trading set-up and how to avoid technological issues, through to more advanced subjects such as assessing which trading strategies work best and which entry points provide the best risk/reward ratios, as well as avoiding specific danger points which will help to eradicate costly losses. There are also statistics, compiled over many hours, that reveal high-odds trading opportunities. With the help of Dan Weston, you will be able to improve your tennis enough to earn you a part-time income, or to eventually allow you to turn full-time once you have gained enough experience. You'll soon be on course to master tennis trading.

[At the Crossroads of Music and Social Justice](#) - Brenda M. Romero 2023-02-07

Music is powerful and transformational, but can it spur actual social change? A strong collection of essays, *At the Crossroads of Music and Social Justice* studies the meaning of music within a community to investigate the intersections of sound and race, ethnicity, religion, gender, sexual orientation, and differing abilities. Ethnographic work from a range of theoretical frameworks uncovers and analyzes the successes and limitations of music's efficacies in resolving conflicts, easing tensions, reconciling groups, promoting unity, and healing communities. This volume is rooted in the Crossroads Section for Difference and Representation of the Society for Ethnomusicology, whose mandate is to address issues of diversity, difference, and underrepresentation in the society and its members' professional spheres. Activist scholars who contribute to this volume illuminate possible pathways and directions to support musical diversity and representation. *At the Crossroads of Music and Social Justice* is an excellent resource for readers interested in real-world examples of how folklore, ethnomusicology, and activism can, together, create a more just

and inclusive world.

Joseph Goes to Anfield: Life Lessons from Watching an LFC Match - Joseph Ola

The series of reflections presented in this booklet are based on an opportunity the author had in March 2022 to watch a live match from the Anfield stadium of Liverpool Football Club. The life lessons drawn from the experience are pondered through the lens of scripture and celebrates the acknowledgement of gifts, community, music, among others. His prayer is that you will find the thoughts shared inspiring and helpful.

Living the Gift out Loud - Mabble Munyimani 2021-03-22

Mabble asks the defining question, Are you a parent raising a high achiever? If your answer is yes, this book is for you. Mabble offers insights into what to look out for in a child. There are traits, strengths, positive qualities, and "quirkiness" that can often be overlooked, undervalued, unappreciated and misunderstood whilst parenting in a busy modern world. This can sometimes lead to the child being mislabelled. The high-achiever child demands so much more from the world around them and from themselves. Parental support, guidance and a strong mindset are key elements for the gift to transition from its potential state. Mabble teaches on how to grow and develop as the nurturer. Mabble takes her reader through her own journey, from discovering she had high-achievers and draws key learning points from her own upbringing, sharing intimate stories in a humorous and heartfelt manner. She communicates the indispensable principles a parent must inaugurate and impart to their child so they achieve their own self-identity and confidence. Mabble is now on the other side, her children are confidently developing their athletic talents. This book remains valid and applicable to all other gifts and empowers any parent in pursuit of raising a confident child who is unapologetic about their strengths and talents.

The Great Movies II - Roger Ebert 2006-02-14

Continuing the pitch-perfect critiques begun in *The Great Movies*, Roger Ebert's *The Great Movies II* collects 100 additional essays, each one of them a gem of critical appreciation and an amalgam of love, analysis, and history that will send readers back to films with a fresh set of eyes and renewed enthusiasm—or perhaps to an avid first-time viewing. Neither a snob nor a shill, Ebert manages in these essays to combine a truly populist appreciation for today's most important form of popular art with a scholar's erudition and depth of knowledge and a sure aesthetic sense. Once again wonderfully enhanced by stills selected by Mary Corliss, former film curator at the Museum of Modern Art, *The Great Movies II* is a treasure trove for film lovers of all persuasions, an unrivaled guide for viewers, and a book to return to again and again. Films featured in *The Great Movies II* 12 Angry Men · The Adventures of Robin Hood · Alien · Amadeus · Amarcord · Annie Hall · Au Hasard, Balthazar · The Bank Dick · Beat the Devil · Being There · The Big Heat · The Birth of a Nation · The Blue Kite · Bob le Flambeur · Breathless · The Bridge on the River Kwai · Bring Me the Head of Alfredo García · Buster Keaton · Children of Paradise · A Christmas Story · The Color Purple · The Conversation · Cries and Whispers · The Discreet Charm of the Bourgeoisie · Don't Look Now · The Earrings of Madame de . . . · The Fall of the House of Usher · The Firemen's Ball · Five Easy Pieces · Goldfinger · The Good, the Bad and the Ugly · Goodfellas · The Gospel According to Matthew · The Grapes of Wrath · Grave of the Fireflies · Great Expectations · House of Games · The Hustler · In Cold Blood · Jaws · Jules and Jim · Kieslowski's Three Colors Trilogy · Kind Hearts and Coronets · King Kong · The Last Laugh · Laura · Leaving Las Vegas · Le Boucher · The Leopard · The Life and Death of Colonel Blimp · The Manchurian Candidate · The Man Who Laughs · Mean Streets · Mon Oncle · Moonstruck · The Music Room · My Dinner with Andre · My Neighbor Totoro · Nights of Cabiria · One Flew Over the Cuckoo's Nest · Orpheus · Paris, Texas · Patton · Picnic at Hanging Rock · Planes, Trains and Automobiles · The Producers · Raiders of the Lost Ark · Raise the Red Lantern · Ran · Rashomon · Rear Window · Rififi · The Right Stuff · Romeo and Juliet · The Rules of the Game · Saturday Night Fever · Say Anything · Scarface · The Searchers · Shane · Snow White and the Seven Dwarfs · Solaris · Strangers on a Train · Stroszek · A Sunday in the Country · Sunrise · A Tale of Winter · The Thin Man · This Is Spinal Tap · Tokyo Story · Touchez Pas au Grisbi · Touch of Evil · The Treasure of the Sierra Madre · Ugetsu · Umberto D · Unforgiven · Victim · Walkabout · West Side Story · Yankee Doodle Dandy

Feeling Blue - Richard Denton 2022-03-28

Feeling Blue is a football fan's memoir like no other. Spanning more than 35 years and set across three continents, it is a true story that encompasses love, race and identity - all interweaved with the chaotic fall and rise of Manchester City. Dickie Denton was born into a 1960s

Manchester home with many siblings, one of whom was adopted and of Asian parentage. As he grew up, Dickie faced the twin challenges of racist bullying and academic underachievement. Football was his refuge and Manchester City became his obsession - through boyhood, coming of age and adulthood. By middle age he had the trappings of a successful international business career but still craved the thing that he most desired and continued to elude him: success for Manchester City. His story dramatically climaxes in 2012, on a sultry May night in Singapore. Feeling Blue is not just for Man City fans, or even just football fans. It is a deeply personal story told with humour and honesty that will appeal to all and bring forth tears and laughter in equal measure.

Mad Eyed Misfits - Chris Robinson 2022-03-31

One of the most stylistically original and provocative writers in animation returns with this informal sequel to his previous books on indie animation, *Unsung Heroes of Animation* and *Animators Unearthed*. In this collection, award-winning writer Chris Robinson looks at a wide range of films and filmmakers, including cult favourites Don Hertzfeldt, Adam Elliot, Masaaki Yuasa, Wong Ping, Bruce Bickford, Jodie Mack, Rosto, Suzan Pitt, Clyde Henry and Cartoon Saloon. Eclectic, opinionated, passionate and personal, Robinson's writing will amuse, confuse, infuriate and enlighten while introducing readers to some of the most astonishing and important animation artists from around the world.

My First Popsicle - Zosia Mamet 2022-11-01

A warm and relateable collection of essays exploring the memories we associate with different meals in our lives, from a spectrum of talented creators What is your most poignant memory surrounding food? Of all the essentials for survival: oxygen, water, sleep, and food, only food is a vast treasure trove of memory and of sensory experience. Food is a portal to culture, to times past, to disgust, to comfort, to love: no matter one's feelings about a particular dish, they are hardly ever neutral. In *MY FIRST POPSICLE*, Zosia Mamet has curated some of the most prominent voices in art and culture to tackle the topic of food in its elegance, its profundity, and its incidental charm. With contributions from Stephanie Danler on vinaigrette and starting over, Anita Lo on the cultural responsibility of dumplings, Tony Hale on his obsession with desserts at chain restaurants, Patti LuPone on childhood memories of seeking out shellfish, Gabourey Sidibe on her connections with her father and the Senegalese dish Poulet Yassa, Andrew Rannells on his nostalgia for Jell-O Cake, Sloane Crosley on the pesto that got her through the early months of the pandemic, Michelle Buteau on her love for all things pasta, Jia Tolentino on the chicken dish she makes to escape reality, and more, *MY FIRST POPSICLE* is as much an ode to food and emotion as it is to life. After all, the two are inseparable.

12th Man - Steven Dawson 2021-03-01

Offering a painfully honest insight into the male psyche, 'The 12th Man'

is a fascinating account of how there can be far more to a die-hard football fan than meets the eye. Most fans don't choose their football club. In fact, the majority of them don't even choose football itself.

Becoming a Leeds United fan was a rite of passage for Steven Dawson, and even had he known the scale of the drama that would unfold after he became a fan, he would never have supported another club.
