2021-01-07

English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our Oxford Impact Study found that the course improves students' speaking skills.
How will English File get your students' talking? Lessons and activities that provide the necessary language, motivation and opportunity for students to talk with confidence. Learners build confidence to communicate with a proven balance of Grammar, Vocabulary, Pronunciation and Skills Development in every File. Teachers and students have access to all their English File resources - video, audio, worksheets and much more - in one easy to manage place.
The English File Oxford Impact Study was conducted in January and February 2018. Oxford Impact is how Oxford University Press evaluates its educational products and services so that teachers and learners can be sure that our resources make a positive difference.
New English File - New Edition / Student's

Book - Clive Oxenden 2005-05

U.S. History - P. Scott Corbett 2017-12-19
Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

New Timesavers for English Teachers -
Camilla Punja 2008-01-01

Teachers on busy intensive courses have an insatiable demand for templates (maps, menus, etc) around which they can base a lesson.

Equally true is the fact that they don't have time to create these themselves. It was this need that led to our first (and still best selling!)

TIMESAVER

American English File - Clive Oxenden
2010-01-07

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to

breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

New English File - Clive Oxenden 2009
100% new. New Practical English video, featuring authentic interviews with real people. Shorter syllabus for Beginner-level students.
English File: Elementary: Workbook Without Key and IChecker - Christina Latham-Koenig 2019-04
