So Ya' Wanna' Be a Teacher! - Jay Dubya 2012-03

So Ya' Wanna' Be a Teacher! tells the whole amazing true story of what really goes on in the typical American public school. The author was an English teacher for thirty-four years in a middle, junior-high and high school and knows all about the problem student, problem classes, crazy problem parents, student fighting, cheating, the Educational Aristocracy, nutty field trips, administrivia and bizarre assembly programs. The teacher in his career had taught over four thousand students, broken up over two-hundred and fifty fist fights, participated in over seven hundred fire drills and listened to loud school bells ring over a hundred and fifty thousand times. *So Ya' Wanna' Be A Teacher!* is a very funny work that also identifies the true causes of educational inefficiency that the politicians and the press either can't pinpoint or are too afraid to reveal. The revolutionary book will inform the reader why Jimmy Brown doesn't write well, why public schools are no longer about students learning academics and why American public school democratic education is failing the nation. The book is living proof that truth is often stranger than fiction. *So Ya' Wanna' Be A Teacher!* is author Jay Dubya's sixteenth book.

Alice in Wonderland and the World Trade Center Disaster - David Icke 2002

Asserts that the story of the 9/11 disaster is a monumental lie. Original. [Language in the Trump Era](#) - Janet McIntosh 2020-08-31

Early in his campaign, Donald Trump boasted that 'I know words. I have the best words', yet despite these assurances his speech style has sown conflict even as it has powered his meteoric rise. If the Trump era feels like a political crisis to many, it is also a linguistic one. Trump has repeatedly alarmed people around the world, while exciting his fan-base with his unprecedented rhetorical style, shock-tweeting, and weaponized words. Using many detailed examples, this fascinating and highly topical book reveals how Trump's rallying cries, boasts, accusations, and mockery enlist many of his supporters into his alternate reality. From Trump's relationship to the truth, to his use of gesture, to the anti-immigrant tenor of his language, it illuminates the less obvious mechanisms by which language in the Trump era has widened divisions along lines of class, gender, race, international relations, and even the sense of truth itself.

The Best Democracy Money Can Buy - Greg Palast 2003-02-25

"Palast is astonishing, he gets the real evidence no one else has the guts to dig up." Vincent Bugliosi, author of None Dare Call it Treason and Helter Skelter Award-winning investigative journalist Greg Palast digs deep to unearth the ugly facts that few reporters working anywhere in the world today have the courage or ability to cover. From East Timor to Waco, he has exposed some of the most egregious cases of political corruption, corporate fraud, and financial manipulation in the US and abroad. His uncanny investigative skills as well as his no-holds-barred style have made him an anathema among magnates on four continents and a living legend among his colleagues and his devoted readership. This exciting collection, now revised and updated, brings together some of Palast's most powerful writing of the past decade. Included here are his celebrated Washington Post exposé on Jeb Bush and Katherine Harris's stealing of the presidential election in Florida, and recent stories on George W. Bush's payoffs to corporate cronies, the payola behind Hillary Clinton, and the faux energy crisis. Also included in this volume are new and previously unpublished material, television transcripts, photographs, and letters.

Ram - Jay Dubya 2008

RAM: Random Articles and Manuscripts is a collection of forty-one writings and essays that reflect author Jay Dubya's personality and philosophy. Articles range from biographical sketches to the author's humorous adventures, and the manuscript section is dedicated to the writer's observations about matters that run the modern-day social spectrum from the Iraq War to inherent problems associated with American society. Some of the articles in this work originally appeared in the Hammonton (New Jersey) Gazette and in the Hammonton News. In the "Articles" section of the book, accounts recalling the writer's personal memories of certain people are represented in the stories "A

Young James Bertino," "Mr. Charles B. Siple" and "Little League Baseball." Humorous experiences are recounted in "A Tale of Two Counties," "Misadventures in Furnitureland" and "Catty Cat Catching." The author's youth is recollected in the renditions "Growing-up in Hammonton" and "Dogwood Hollow: 1954-'55." And incidents from Jay Dubya's thirty-four-year teaching career are described in "School Assemblies," "Williamsburg School Trips" and "The High School Faculty." In the "Manuscripts" section, such essay subjects as "Rap Music Is Not Music," "Why Jimmy Brown Doesn't Write" and "Multicultural Education" are skillfully presented. Other thoughtful essays are also included with "Freedom Isn't Free," "American Education Is Wasteful" and "The Trouble with American Democracy." The creative work "Gerunds, Verbals and Participial Adjectives" is a zany effort that pokes fun at the complexity and diversity of the English language and its complicated grammar usage.

Trump: The Art of the Deal - Donald J. Trump 2009-12-23

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. “I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big.”—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

Part IV.

The Cult of the Presidency - Gene Healy 2009

The Bush years have given rise to fears of a resurgent Imperial Presidency, but the problem cannot be solved simply by bringing a new administration to power. Both Left and Right agree on the boundless nature of presidential responsibility. For both sides, it is the president's job to grow the economy, teach our children well, save us from hurricanes, and even to spread democracy abroad. In short, the Imperial Presidency is the price we pay for making the office the focus of our national hopes and dreams. Combining historical scholarship, legal analysis, and cultural commentary, The Cult of the Presidency argues that the presidency needs to be reined in, with its powers checked by Congress and the courts. Only then will we begin to return the presidency to its proper constitutional role.

The Dark Portal - Robin Jarvis 2000

In the Dark Portal, Albert Mouse squeezes through the Grill and disappears. Thinking he's been captured by the rats in the sewers, his children embark on a treacherous journey to find him.

The Great Teen Fruit War, a 1960' Novel - Jay Dubya 2002-01

The Great Teen Fruit War, A 1960' Novel is author Jay Dubya's eighth e-book. The story takes place in Hammonton, New Jersey, an agricultural community midway between Philadelphia and Atlantic City. The Blues wear blue denim button-down waist-length jackets and are the sons of wealthy blueberry growers. The Reds wear James Dean' red zip-up jackets and are the sons of peach farmers. Bellevue Avenue in the center of town is the dividing line that separates blueberry country to the east and peach territory to the west. The Great Teen Fruit War is a story for anyone who loves '50s and '60s teen culture. Romance, racial discrimination and conflict between the Reds and the Blues mix into a coming of age story that blends humor with drama, suspense and surprise into an action-packed adventure. Throw the town' greasers The Ramrodders into the conflict and events heat up in a hurry as the three highly volatile gangs interact. When Goose Restuccio, the son of a Mafia kingpin joins the Reds he challenges Gabe Gillette, the leader of the rich-kid Blues. Goose's father's hit men get involved in some clever pranks played on the Blues, and the blueberry kids retaliate with deceptive tricks of their own. Soon strife escalates into violence. Goose is captured by Blues and then forced to rape a black girl, and after Crystal Davis becomes pregnant, her black friends ally with the Reds against a coalition of Blues and Ramrodders. The Great Teen Fruit War is the exciting sequel to Black Leather and Blue Denim, A '50s Novel. Paperback Print-On-Demand' copies of The Great Teen Fruit War will be available in mid-February, 2002.

Frat' Brats, A '60s Novel - Jay Dubya 2004-07-01

Frat? Brats is the third novel of a coming of age trilogy started by Black Leather and Blue Denim, A '50s Novel and The Great Teen Fruit War, A 1960 Novel. In Frat? Brats J. W. attends a South Jersey teachers college and prepares for a professional life in the real economic world. Soon he and his friends join an off-campus non-sanctioned fraternity Lambda Phi Sigma, and that's when the freshman's life suddenly becomes very interesting and conflict-oriented. The Lambda Phi's must respond to dangerous incidents and harassment perpetuated by two established rival male fraternities, the Delta Alpha Omegas and the Tau Kappa

Epsilons, which have the endorsement and support of the college deans. Conflict soon escalates into life-threatening hazing. J.W. obtains the assistance of an old high school friend Goose Restuccio, the son of a New Jersey Mafia kingpin who aids the Lambdas in their struggles against the school administration and against the two competing favored fraternities. Frat Brats combines action/adventure with romance and many surprising developments among very interesting characters in the culturally dynamic and historically explosive time setting of 1961-'65. J.W. and his fellow Lambdas manage to survive several kidnappings, unique hostage situations, snakes, manure pits, diving horses, Brahma bulls, bucking broncos, an exciting boat chase, moving train caboose initiation boardings?, a daring panty raid, a nudist colony and a fantastic Florida spring break along with a series of other imaginative ordeals to finally graduate and then help the Lambda Phi's fight the Second Battle of Salamis against the formidable rich-kid Delta Alpha Omegas to bring closure to the ongoing fraternity war. Frat? Brats is definitely adult literature featuring adult language and content and has been exclusively written for a mature reading audience. Jay Dubya is author John Wiessner's writing name and also his initials (J.W.). Jay Dubya is the author of 22 e-books, eleven of which are also currently in hardcover. The author writes in five genre: Action/Adventure, Sci-Fi/Paranormal, Adult Satire, Children's Literature and Non-Fiction. John is married to wife Joanne and the couple has three grown children. The author resides in Hammonton, NJ USA.

The Book of Basketball - Bill Simmons 2010-12-07

NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN's The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all

time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons's one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), The Book of Basketball offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.

Snake Eyes and Boxcars - Jay Dubya 2009-01

Snake Eyes and Boxcars: The rolls of dice in any Atlantic City or Las Vegas casino meaning the numbers two and twelve. In this unique collection of fourteen short story/novellas, the first tale "The Second Civil War" and the last one "The Music Portal" are written in the first person where the narrator describes the action using the pronouns I, me, my, and mine, which is in stark contrast to the other twelve sci-fi/paranormal tales sandwiched in between, the dozen other stories being written in the more common third person expository style of literary presentation.

Snake Eyes and Boxcars is author Jay Dubya's eleventh sci-fi/paranormal story collection and his twelfth story collection overall. Other works by this prolific author are Pieces of Eight, Pieces of Eight, Part II, Pieces of Eight, Part III and Pieces of Eight, Part IV. Nine New Novellas, Nine New Novellas, Part II, Nine New Novellas, Part III and Nine New Novellas, Part IV are written in the "Pieces of Eight" spirit along with recent works One Baker's Dozen and Two Baker's Dozen. RAM: Random Articles and Manuscripts is a collection of 38 mostly non-fiction writings. Jay Dubya is John Wiessner's pen name and also his initials (J.W.). John is the author of 33 books, is married to wife Joanne and the couple has three grown sons. John Wiessner is a retired New Jersey public school English teacher of 34 years and he and Joanne live in Hammonton, NJ USA.

[The Primer of Humor Research](#) - Victor Raskin 2008-11-06

The book is intended to provide a definitive view of the field of humor

research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge. Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field, and each is written by the leading expert or emerging scholar in that area. There are two primary motivations for the book. The positive one is to collect and summarize the impressive body of knowledge accumulated in humor research in and around Humor: The International Journal of Humor Research. The negative motivation is to prevent the embarrassment to and from the "first-timers," often established experts in their own field, who venture into humor research without any notion that there already exists a body of knowledge they need to acquire before publishing anything on the subject—unless they are in the business of reinventing the wheel and have serious doubts about its being round! The organization of the book reflects the main groups of scholars participating in the increasingly popular and high-powered humor research movement throughout the world, an 800 to 1,000-strong contingent, and growing. The chapters are organized along the same lines: History, Research Issues, Main Directions, Current Situation, Possible Future, Bibliography—and use the authors' definitive credentials not to promote an individual view, but rather to give the reader a good comprehensive and condensed view of the area.

SS Brotherhood of the Bell - Joseph P. Farrell 2011-04-02

In 1945, a mysterious Nazi secret weapons project code-named "The Bell" left its underground bunker in lower Silesia, along with all its project documentation, and a four-star SS general named Hans Kammler. Taken aboard a massive six engine Junkers 390 ultra-long range aircraft, "The Bell," Kammler, and all project records disappeared completely, along with the gigantic aircraft. It is thought to have flown to America or Argentina. As a prelude to this disappearing act, the SS murdered most of the scientists and technicians involved with the project, a secret weapon that according to one German Nobel prize-winning physicist, was given a classification of "decisive for the war," a security

classification higher than any other secret weapons project in the Third Reich, including its atomic bomb. What was "The Bell"? What new physics might the Nazis have discovered with it? How far did the Nazis go after the war to protect the advanced energy technology that it represented? In *The SS Brotherhood of The Bell*, alternative science and history researcher Joseph P. Farrell reveals a range of exotic technologies the Nazis had researched, and challenges the conventional views of the end of World War Two, the Roswell incident, and the beginning of MAJIC-12, the government's alleged secret team of UFO investigators.

The Arcane Arcade - Leonard Streitfeld 2020-02-11

The Arcane Arcade is a collection of sixteen short fiction stories. The general theme of the book is paranormal experience, and the tales are presented as short stories, novellas and novelettes. The stories have been rewritten and edited many times until they have evolved into their finished form. The characters and events depicted in The Arcane Arcade are strictly the products of the authors' imaginations. Any resemblance to any real person or persons is absolutely coincidental, and it is the hope of the authors that readers will appreciate the pure fantasy identities, personalities and plots in the sixteen fictional works.

Black Leather and Blue Denim - Jay Dubya 2001-01-01

Black Leather and Blue Denim is a '50s novel about greaser gang conflict in Levittown, Pennsylvania. J.W. narrates the story. J.W. (age twelve) and his family move into the Dogwood Hollow section of Levittown in the spring of '54. He soon makes friends with Carnie, the neurotic son of a carnival barker, and Tinker, a mechanically inclined, vindictive kid with

destructive tendencies. The three boys are picked on and harassed by older greasers from Kenwood, another section of Levittown. In April of '54, the Fairless Hills Steel Mill opens, and the Caracas, a Venezuelan ship is carrying the first iron ore from South America up the Delaware River. Students from area schools are invited to wave linen American flags on sticks at the vessel. Four people in the front row accidentally fall into the Delaware River as the Caracas is passing by. Two of them are Angie Palermo and Bubbles Messina. The two girls and their families blame J.W. and Carnie for pushing them over the bulkhead into the river. The event causes future conflict between the girls and J.W.
