The Cambridge History of Fifteenth-Century Music - Anna Maria Busse Berger 2015-07-16

Through forty-five creative and concise essays by an international team of authors, this Cambridge History brings the fifteenth century to life for both specialists and general readers. Combining the best qualities of survey texts and scholarly literature, the book offers authoritative overviews of central composers, genres, and musical institutions as well as new and provocative reassessments of the work concept, the boundaries between improvisation and composition, the practice of listening, humanism, musical borrowing, and other topics. Multidisciplinary studies of music and architecture, feasting, poetry, politics, liturgy, and religious devotion rub shoulders with studies of compositional techniques, musical notation, music manuscripts, and reception history. Generously illustrated with figures and examples, this volume paints a vibrant picture of musical life in a period characterized by extraordinary innovation and artistic achievement.

Way Over in Beulah Lan' - André Jerome Thomas 2007

Renowned choral conductor and educator Andr J. Thomas has crafted a book that the conductor of any choral ensemble-be it church, high school, university, or professional-will want close at hand when preparing to program any concert spiritual. Understanding the Spiritual, the first of the book's two sections, includes an exploration of the beginnings of the spiritual, its role in society and its transition into art music. Issues of interpretation-text, diction, rhythm and tempo-are addressed in the second section, Performing the Spiritual. In addition to interviews with noted conductors Dr. Anton Armstrong and Prof. Judith Willoughby as to matters of performance and selection, the centerpiece of this section is Dr. Thomas's personal reflections on several spiritual arrangements, including his rehearsal techniques (with specific examples and measure-number references to the included scores), as well as an insightful look into his decisions of interpretation.
