How Prior Academic Exposure Affect Students Performance - Noah Masasi 2012

Tanzania faces a shortage of some 2,300 Certified Public Accountants (CPA), according to the National Board of Accountants and Auditors (NBAA). While there is a demand for some 6,000 certified accountants in the market, only 3,700 are available. There is a high demand for accountants, which owing to the poor examination pass rates is not being met by the

indigenous population. It is not known what factors inhibit the young to excel in the undergraduate accounting courses to fill the gap. This gap of knowledge has affected our understanding of what specific factors limit the number of young students joining the profession. This study examines the performance of students' in undergraduate accounting course. It examines the relationship between variables affecting performance and the overall average grade performance. The study should be useful to Lecturers of higher learning institutions, students taking undergraduate accounting courses and professional courses leading Certified Professional Accountants.

Corporate Social Responsibility in Sub-Saharan Africa - Stephen Vertigans 2015-12-21

This book provides a comprehensive overview of corporate social responsibility and its development in Africa. It provides in-depth studies on 11 sub-Saharan countries, demonstrating that corporate social responsibility is forming and going through different stages of metamorphosis in the continent. Though corporate and individual attitudes towards sustainability in Africa still leave a lot to be desired, this book showcases how things are rapidly changing for the better in this regard. It demonstrates and provides evidence for the fact that corporate social responsibility contributes significantly to the way sub-Saharan African economies are being transformed, with service sectors expanding, commercial activities diversifying and industrial bases growing through the initiatives of small, medium and large organizations and innovators supported by widespread higher-education program rollouts. The book highlights how progressive and wide-ranging CSR approaches have emerged, and how much they differ from the obsolete approaches of the past, which promulgated negative stereotypes, marginalized communities and positioned them as victims or beneficiaries of development.

Trends, Challenges & Innovations in Management - Dr Ramesh Kumar Miryala 2015-03-15

Globalization has proliferated business with numerous challenges and opportunities, and simultaneously at other end the growth in economy, population, income and standard of living has redefined the scope of business and thus the business houses approaches. A highly competitive environment, knowledgeable consumers and quicker pace of technology are keeping business enterprises to be on their toes. Today management and its concepts have become key for survival of any business entity. The unique cultural characteristics, tradition and dynamics of consumer, demand an innovative management strategy to achieve

success. Effective Management has become an increasingly vital ingredient for business success and it profoundly affects our day-to-day life. Today, the role of a business houses has changed from merely selling products and services to transforming lives and nurturing lifestyles. The Indian business is changing and so do the management strategies. These changing scenarios in the context of globalization will bestow ample issues, prospects and challenges which need to be explored. The practitioners, academicians and researchers need to meticulously review these aspects and acquaint them with knowledge to sustain in such scenarios. Thus, these changing scenarios emphasize the need of a broad-based research in the field of management also reflecting in management education. This book is an attempt in that direction. I sincerely hope that this book will provide insights into the subject to faculty members, researchers and students from the management institutes, consultants, practicing managers from industry and government officers.

United Republic of Tanzania - International Monetary Fund 2010-06-23

The global recession has had a significant impact on economic performance and the outlook in Tanzania. Tanzanian banks were not directly affected by the global financial crisis, but second-round effects of the crisis have intensified the risks to the financial sector. Domestic liquidity tightened considerably at the onset of the global financial crisis but has since eased, owing to a significant loosening of monetary policy to help mitigate the economic downturn. The policy response of the authorities included a rescue package designed to support sectors affected by the crisis.

National Capacity Assessment in Tanzania - S. M. Wangwe 2002

The research and policy dialogue of Tanzania's National Capacity Assessment Team, a World Bank initiated body, forms the basis of this analysis. The assessment team's remit was to identify strategic capacity needs, when capacity is understood as the human and institutional resources necessary for development. The study identifies that capacity needs are interlinked and require an integrated approach: strengthening government agencies is impossible in the long term without improvement in professional training; private sector growth requires access to business information, communication and

regulatory and judicial institutions. Accordingly, the analysis provides an overview, and formulates strategies for public and private sector institutions and infrastructures, civil society and education. Particular regard is given to: finance and economic management of the public sector; the civil service; the role of donors and the need for corrective action in local and regional administration and across the education system.

Practical Handbook to Dissertation and Thesis Writing - NDALAHWA MUSA MASANJA

In most higher learning institutions, a thesis or dissertation represents a significant part of research task that leads to the contribution toward the body of knowledge in a given field. Normally, the two terms (Dissertation and Thesis) are used interchangeably. However, dissertation refers to a research work which requires course work in a particular program while occasionally thesis is applied for research work without course work. For this reason, most of the programs in graduate level require a student to either write a dissertation or a thesis. Every institution has a format or guideline of preparing a dissertation or thesis. Therefore, every student or researcher should take into consideration the guidelines provided by their institutions. This book provides broad practical guidelines to prepare a research proposal and dissertation or thesis report. It is a step by step guide for writing a dissertation or thesis
