The Prince and Other Pieces

- Niccolò Machiavelli 1883

HOW YOUR WORDS CAN CHANGE YOUR WORLD - Bo Sanchez

Use Positive Faith to Create Your Desired Future Also Includes: 31 Faith Declarations to Use Daily to Transform Your Life Forever

Essays from the Nick of Time - Mark Slouka 2010-10-26

A new collection of prophetic essays from one of the sharpest practitioners of the form Mark Slouka writes from a particular vantage point, one invoked by Thoreau, who wished "to improve the nick of time . . . to stand on the meeting of two eternities, the past and future."

At this bewildering convergence, Slouka asks us to consider what it means to be human and what we must revive, or reject, in order to retain our humanity in the modern world. Collected over fifteen years, these essays include fascinating explorations of the relationship

between memory and history and the nature of "tragedy" in a media-driven culture; meditations on the transcendent "wisdom" of the natural world and the role of silence in an age of noise; and arguments in defense of the political value of leisure time and the importance of the humanities in an age defined by the language of science and industry. Written in Slouka's supple and unerring prose, celebratory, critical, and passionate, *Essays from the Nick of Time* reawakens us to the moment and place in which we find ourselves, caught between the fading presence of the past and the neon lure of the future.

Before Ever After - Samantha Sotto 2012-05-29

"A smartly written romance, mystery and historical adventure all wrapped up in a page-turner that will have you guessing until the very end." - Adena Halpern, author of *The Ten Best Days of My Life* Three years after her husband Max's death, Shelley feels no more adjusted to being a widow than

she did that first terrible day. That is, until the doorbell rings. Standing on her front step is a young man who looks so much like Max--same smile, same eyes, same age, same adorable bump in his nose--he could be Max's long-lost relation. He introduces himself as Paolo, an Italian editor of American coffee table books, and shows Shelley some childhood photos. Paolo tells her that the man in the photos, the bearded man who Paolo says is his grandfather though he never seems to age, is Max. Her Max. And he is alive and well. As outrageous as Paolo's claims seem--how could her husband be alive? And if he is, why hasn't he looked her up?--Shelley desperately wants to know the truth. She and Paolo jet across the globe to track Max down--if it is really Max. Along the way, Shelley recounts the European package tour where they had met. As she relives Max's stories of bloody Parisian barricades, medieval Austrian kitchens, and buried Roman bathhouses, Shelley begins to piece

together the story of who her husband was and what these new revelations mean for her "happily ever after." And as she and Paolo get closer to the truth, Shelley discovers that not all stories end where they are supposed to.

The Oracle's Queen - Lynn Flewelling 2008-11-26

Under the rule of a usurper king, the realm of Skala has suffered famine, plague, and invasion. But now the time for the rightful heir has come, a return to the tradition of warrior queens. And the Lightbearer's prophecy is to be upheld at last: so long as a daughter of the royal line defends and rules, Skala will never be subjugated. Now a mystical fire has burned away the male body known as Prince Tobin, revealing Princess Tamír, a girl on the verge of womanhood--and a queen ready to claim her birthright after a life in disguise under the protection of wizards and witches. But will her people, her army--and the friends she was forced to deceive--accept her? Worse, will the crown's

rival heir, friend to Tobin, turn foe to Tamír, igniting civil war in a fierce battle for Skala?

The Solopreneur's Guide to Scaling Up A Startup - Dr.

Larry Gamboa

Learn to Scale Up All startups either die or scale up within the first five years of their existence. This book will help you not only survive these crucial years as a solopreneur but also thrive and scale up.

Learn how to take your business to the next level and become a maven

solopreneur—an expert in his field who seeks to share his knowledge with others, not alone but with others of the same caliber. This book will teach you valuable tools and insights to help you scale up your startup. Learn how to:

- Create wealth by embracing and focusing on your calling
- Break down you calling into a framework and create millions
- Monetize your calling, reproduce it, and share your expertise
- Shift from old economy myths that hinder your success to new economy truths that will help you grow

Create a system that people can follow, train from, and implement

- Package your business intelligently
- Create membership sites using an effective template

In this book, Dr. Larry also shares how he combined real estate investing and Internet marketing to generate a million pesos in twelve months by building five income streams using one strategy that you can apply to your own business. With the growth of the Internet, the playing field is leveled so that anyone with an idea can create it, campaign it, and cash in on it. This book will help you use the digital world to your advantage by creating effective digital products. Learn the nine steps to creating anything—a big picture outline that you can use to package and deliver wisdom and information whether it is a membership site, an audio, an e-book, a white paper, or a keynote speech. There has never been a better time for maven solopreneurs to thrive and leverage the power of digital technology than now. It's time

to scale up your business startup! Use this book to learn boldly, love openly, and make a difference today.

The Long Goodbye - Meghan O'Rourke 2011-04-14

"Anguished, beautifully written... The Long Goodbye is an elegiac depiction of drama as old as life." -- The New York Times Book Review From one of America's foremost young literary voices, a transcendent portrait of the unbearable anguish of grief and the enduring power of familial love. What does it mean to mourn today, in a culture that has largely set aside rituals that acknowledge grief? After her mother died of cancer at the age of fifty-five, Meghan O'Rourke found that nothing had prepared her for the intensity of her sorrow. In the first anguished days, she began to create a record of her interior life as a mourner, trying to capture the paradox of grief-its monumental agony and microscopic intimacies-an endeavor that ultimately bloomed into a profound look at how caring for her mother

during her illness changed and strengthened their bond.

O'Rourke's story is one of a life gone off the rails, of how watching her mother's illness- and separating from her husband-left her fundamentally altered. But it is also one of resilience, as she observes her family persevere even in the face of immeasurable loss.

With lyricism and unswerving candor, *The Long Goodbye* conveys the fleeting moments of joy that make up a life, and the way memory can lead us out of the jagged darkness of loss. Effortlessly blending research and reflection, the personal and the universal, it is not only an exceptional memoir, but a necessary one.

Skinny - Ibi Kaslik 2008-12-01

Do you ever get hungry? Too hungry to eat? Holly's older sister, Giselle, is self-destructing. Haunted by her love-deprived relationship with her late father, this once strong role model and medical student, is gripped by anorexia. Holly, a track star, struggles to keep her own life in balance while coping with the mental

and physical deterioration of her beloved sister. Together, they can feel themselves slipping and are holding on for dear life. This honest look at the special bond between sisters is told from the perspective of both girls, as they alternate narrating each chapter. Gritty and often wryly funny, *Skinny* explores family relationships, love, pain, and the hunger for acceptance that drives all of us.

8 Secrets of the Truly Rich - Bo Sanchez

The book is a manual on how to create material wealth and gain spiritual abundance at the same time. It hopes to raise a new breed of millionaires who are simple, loving and generous.

Never Give Up--You're Stronger Than You Think - John

Mason 2017-04-18

Everything worth doing is going to have some obstacles. Some people look at setbacks as evidence that whatever it is they've been striving for just wasn't meant to be. But according to bestselling author and master motivator John Mason, the moment most people give up is the moment of their greatest opportunity. In this inspiring book, Mason gives readers fifty-two keys to never giving up on their dreams. He shows them how to ask the right questions when they are on the verge of quitting, how to avoid unnecessary trouble, and how to keep their energy level up in the face of setbacks. Whether readers are building a business, a family, a portfolio, or relationships, they'll find the strength and motivation to go on, break through, and claim the prize.

Twelve Years a Slave - Solomon Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The Intent to Live - Larry Moss 2005-12-27

"I call this book *The Intent to Live* because great actors don't seem to be acting, they seem to be actually living." -Larry Moss, from the Introduction
When Oscar-winning actors Helen Hunt and Hilary Swank accepted their Academy Awards, each credited Larry Moss's guidance as key to their career-making performances. There is a two-year waiting list for his advanced acting classes.

But now everyone—professionals and amateurs alike—can discover Moss's passionate, in-depth teaching. Inviting you to join him in the classroom and onstage, Moss shares the techniques he has developed over thirty years to help actors set their emotions, imagination, and behavior on fire, showing how the hard work of preparation pays off in performances that are spontaneous, fresh, and authentic. From the foundations of script analysis to the nuances of physicalization and sensory

work, here are the case studies, exercises, and insights that enable you to connect personally with a script, develop your character from the inside out, overcome fear and inhibition, and master the technical skills required for success in the theater, television, and movies. Far more than a handbook, *The Intent to Live* is the personal credo of a master teacher. Moss's respect for actors and love of the actor's craft enliven every page, together with examples from a wealth of plays and films, both current and classic, and vivid appreciations of great performances. Whether you act for a living or simply want a deeper understanding of acting greatness, *The Intent to Live* will move, instruct, and inspire you.

Man's 4th Best Hospital - Samuel Shem 2019
The sequel to the bestselling and highly acclaimed *The House of God* One of the most prominent and enduring titles

in medical fiction is the bitingly funny House of God, which has sold more than 2 million copies, becoming required reading for generations of medical students and health care professionals. With Man's 4th Best Hospital, Samuel Shem "the comic genius and holy terror of medicine"* returns us to the hilarious and heartbreaking world of modern medicine. After The House of God, the resident known as The Fat Man and his eccentric band of interns scattered to the four corners of the country. Today Fats, now rich and famous, has been lured across town to the House of God's WASPy rival, Man's Best Hospital. But the august institution has sunk from being ranked the best hospital in the country to an embarrassing, and unacceptable, 4th! Fats' mission? To help the hospital climb back up the rankings. But as always, he's pursuing his own agenda. . . At his new Future of Medicine Clinic, the team comes back together to renew their life-changing friendships and teach a new

generation of interns and residents. In a medical landscape dominated by computer screens and corrupted by money, they have a daunting goal: "To put the human back into healthcare." What follows is an emotional and laugh-out-loud novel that reflects the issues in American healthcare today, from the tyranny of computer screens to doctor burnout to the greed of the health insurance industry. *

Bill McKibben
