Frabato the Magician - Franz Bardon 1995-12
Written in the form of a novel, Frabato is the spiritual autobiography of Franz Bardon. Set in Dresden in the early 1930's it chronicles Frabato's magical battles with the members of a powerful and dangerous black lodge. His escape from Germany during the final desperate days of the Weimar Republic and the beginning of his spiritual mission culminating with his classic books on Hermetic magic. More than an occult novel, Frabato the Magician is itself a work of magic which illuminates Bardon's other books as well as providing a revealing look into the dark occult forces which lay behind the rise of the Third Reich. Threaded throughout the true tale, and written between the lines, are many valuable and practical esoteric lessons.

Golden Dawn Magical Tarot - Chic Cicero
2010-10-08

Since its inception over 100 years ago, the Hermetic Order of the Golden Dawn has continued to be the authority on the initiatory

and meditative teachings of the Tarot. This Tarot incorporates all of the temple symbolism needed for use in the Golden Dawn rituals. Created at the behest of the renowned occultist and father of the modern Golden Dawn movement Israel Regardie, this stunning deck masterfully blends traditional Tarot imagery with descriptions from the Golden Dawn initiation ceremonies. This is the first Tarot deck to incorporate the symbolism necessary for use in rituals. Written and created by internationally known adepts Chic Cicero and Sandra Tabatha Cicero, this is ideal for the beginning student but equally appealing to expert Tarot readers. The accompanying book provides an introduction to Cabalistic, Zodiacal and Alchemical symbolism creating a powerful tool for divination and spiritual growth. Complete with 256-page book and two versions of the Temperance card—as required in Golden Dawn rituals—this is the best Tarot available for students of the Golden Dawn and the Western magical tradition.

Liber Spirituum - John Michael Greer
2018-06-06

Liber Spirituum: A Compendium of Writings on Angels and Other Spirits in Modern Magick, Azoth Press has assembled a group of nine of the foremost writers in the field of ceremonial magick, representing a depth of devoted study and practical expertise spanning the Western Magical Tradition from the Greek Magical Papyri to the Solomonic grimoires, from the Golden Dawn to Thelema, from Theurgia to Goetia, from Qabalah to Rosicrucianism. In this beautiful volume, obviously designed for the practicing magician, these teaching adepts share their insights, experiences, tools, techniques, and even new rituals, all focused on a central

concern of magical praxis, communication with those Spiritual Beings from Gods to Angels to Demons with whom the magus must become truly and transformatively familiar. The Roots of Modern Magick - Allen H Greenfield 2021-01-11

This is an anthology giving glimpses into 300 years of magical spirituality, from 1700 to 2000, with suggestions for the future. The Authentic Magical Tradition is difficult to pin down, but the author has come closer than perhaps anyone in identifying the authentic tradition in the essential roots of magical spirituality today, and for tomorrow. 20 years of research and 40 years of experience in this area identifies the author as a major historian of the magical authentic tradition.

Evocation of Spirits - Donald Michael Kraig 1951-01-08

The Truth About Evocation of Spirits by Donald Michael Kraig reveals the real secrets of communicating with non-physical entities. You will find that many of the things you've seen in novels or movies aren't needed: no fancy apparatus, no hypnotic trances. With this small

book, evoking spirits becomes something you can do. You'll discover what evocation really is. You'll learn a bit about its history and why the ancient grimoires describing it are full of traps and things to waste your time. Here you will learn, step-by-step, everything you need to contact spirits described in ancient texts such as The Lesser Key of Solomon the King. First, you'll need to prepare. This simply involves determining which spirit you wish to call, making a copy of its "sigil" (signature), and also constructing a place for it to appear: the Triangle of the Art. Then gather some common items such as candles, paper, and pen and, with the help of this book, you can do this magick! When you have everything, you are ready to begin. Start with a banishing. Here you will find a complete version of the famous Lesser Banishing Ritual of the Pentagram. Next, the seer inhales incense. This alters that person's consciousness so he or she is ready to see the entity. Then call on the entity according to the

instructions given here. Then you ask for information which is in the nature of the spirit to give. Or you can ask the entity you've evoked to do something that it is capable of doing. Of course, it is only fair to give something to the creature in return. That something is magical or spiritual energy. This book explains how you can create that energy and send it to the entity. Finally, you'll learn how to release the spirit you have evoked back to its home. Never before has so much information been packed into such a small space. If you want to learn this ancient science, get your copy today!

The Magick of Aleister Crowley - Lon Milo Duquette 2003-11-01

Aleister Crowley's ascension into the pantheon of alternative gurus was cemented by his appearance on The Beatles' Sgt. Pepper's Lonely Hearts Club Band album cover. Unfortunately, he was known more for his reputation as "The Beast 666" and "The Wickedest Man in the World." All well and good for publicity, but this

infamy eclipsed his teachings, as did his technical and opaque writing style, meant more for adepts contemporary to him than the average modern reader. Enter Lon Milo DuQuette to decipher and explain Crowley's texts and more important rituals. Formerly titled *The Magick of Thelema*, this revised edition features extensive corrections, a new introduction, and a new ritual, "The Rites of Eleusis." This is the perfect introductory text for readers who wonder what the works--rather than the myth--of Aleister Crowley are all about. DuQuette takes the mystery out of both the rituals themselves and Crowley's writing in this modern grimoire. Step by step, he presents a course of study in plain English, with examples of rituals and explanations of their significance. DuQuette also includes a course of study for Crowley's original works with an extensive bibliography and fastidious footnotes.

[Artificial Intelligence](#) - Yorick Wilks 2019-06-06
Artificial intelligence has long been a mainstay

of science fiction and increasingly it feels as if AI is entering our everyday lives, with technology like Apple's Siri now prominent, and self-driving cars almost upon us. But what do we actually mean when we talk about 'AI'? Are the sentient machines of 2001 or *The Matrix* a real possibility or will real-world artificial intelligence look and feel very different? What has it done for us so far? And what technologies could it yield in the future? AI expert Yorick Wilks takes a journey through the history of artificial intelligence up to the present day, examining its origins, controversies and achievements, as well as looking into just how it works. He also considers the future, assessing whether these technologies could menace our way of life, but also how we are all likely to benefit from AI applications in the years to come. Entertaining, enlightening, and keenly argued, this is the essential one-stop guide to the AI debate.

Angels and Archangels - Damien Echols
2020-07-14

Learn to call on the divine assistance of angelic forces to shape your life and accelerate your spiritual practice in this in-depth guide from Damien Echols. “The ultimate goal of working with angels is to become one ourselves. That’s what people actually are—unconscious angels.” —Damien Echols “Angels do not belong to any one single religion, system, or dogma,” teaches Damien Echols. “They are almost pure energy—the very substance the cosmos is made of. They’re also incredibly willing to work with us if asked.” With *Angels and Archangels*, this bestselling author presents an essential resource for understanding what angels are, how they make themselves available, and magickal practices to invoke their power to transform your life. For the magician—or anyone seeking to enlist helping forces on the path of awakening—invoking angels and archangels gives you access to incredible potential for

manifestation, healing, and spiritual growth. In this lucid and information-packed guide, Damien shares his unique understanding and experience of magickal practices refined in the crucible of his wrongful death row imprisonment. Here you'll discover:

- A clear presentation of angels and archangels as they have been honored in mystical traditions for thousands of years
- The names and qualities of individual angels and archangels, as associated with the elements, the Zodiac, the Tree of Life, and the Tarot
- Foundational practices and meditations for building your skills with magick
- How to call on angels for blessing, protection, invocation, the creation of talismans and sigils, and more
- Advanced angel magick rituals, including the Rose Cross, the Celestial Lotus, and the Shem Operation
- The Holy Guardian Angel—the key contact for stepping into your true nature beyond ego consciousness

“When working with angels and archangels,” says Damien, “I’ve come to realize that they don’t carry out the tasks we

charge them with just because we ask them to—they do it because they perceive the divine within us.” Angels and Archangels is an essential resource for every magickal library, an invitation by one of the most exciting modern teachers of the art to discover the enormous potential waiting for your call.

Circles of Power - John Michael Greer
2017-03-01

“Take the next step... Clear away the outdated clutter that has obscured the power and beauty of the Golden Dawn magical system and feel for yourself the difference these techniques can make in your life. Explore dozens of new rituals developed from the fragments and core documents of the greatest Magical Order in the Western world. Step out of the darkness and into the light of understanding. John Michael Greer writes in a lucid and entertaining manner, revealing previously unknown aspects of the magical rites of the Golden Dawn. Warm and engaging, Circles of Power revitalizes Western

magic by removing the unnecessary rhetoric and obscure jargon. Everything is plainly and simply explained and all the information you need to begin working within this magical system is presented in a clear and concise manner. Graeco-Egyptian Magick - Tony Mierzwicki
2006

Magic in the Modern World - Edward Bever
2017-04-18

This collection of essays considers the place of magic in the modern world, first by exploring the ways in which modernity has been defined in explicit opposition to magic and superstition, and then by illuminating how modern proponents of magic have worked to legitimize their practices through an overt embrace of evolving forms such as esotericism and

supernaturalism. Taking a two-track approach, this book explores the complex dynamics of the construction of the modern self and its relation to the modern preoccupation with magic. Essays examine how modern "rational" consciousness is generated and maintained and how proponents of both magical and scientific traditions rationalize evidence to fit accepted orthodoxy. This book also describes how people unsatisfied with the norms of modern subjectivity embrace various forms of magic—and the methods these modern practitioners use to legitimate magic in the modern world. A compelling assessment of magic from the early modern period to today, *Magic in the Modern World* shows how, despite the dominant culture's emphatic denial of their validity, older forms of magic persist and develop while new forms of magic continue to emerge. In addition to the editors, contributors include Egil Asprem, Erik Davis, Megan Goodwin, Dan Harms, Adam Jortner, and Benedek Láng.

Low Magick - Lon Milo DuQuette 2011-09-08
Take a fascinating journey into the life of one of the most respected, sought-after, and renowned magicians alive today: Lon Milo DuQuette. In this follow-up to his popular autobiography, *My Life with the Spirits*, DuQuette tells how a friend was cursed by a well-known foreign filmmaker and how they removed that curse with a little help from Shakespeare. He explains how, as a six-year-old, he used the Law of Attraction to get a date with Linda Kaufman, the most beautiful girl in first-grade. DuQuette also reveals the ins and outs of working with demons and provides a compelling account of performing an exorcism at a private Catholic high school. As entertaining as they are informative, the true stories in this memoir contain authentic magical theory and

invaluable technical information.

Post-modern Magick - Seth 2004-05-19

This book is the beginning of a long road. It exists within a paradox of detailed research and the fierce resistance of dogma. This book is for the iconoclast. The magus who rejects blind adherence and who struggles against the invisible prison of tradition. For rouge scholars, artists, hackers, Goths, or any other magus on the underground path of evolution. "Do what thou wilt shall be the whole of the Law", with attitude. Post-Modern A school of thought primarily concerned with the deconstruction of meta-narratives. In this text it is the rejection of the idea that there is only one way of magick. **Magick** The use of Will to elicit change in Reality. Post-Modern Magick is self-initiation and exploration based on personal relevance and free form magick. These pages contain not only a manuscript on post-modern magick in theory and practice, but also new post-modern grimoires such as Reality Hacker, all in print for

the first time alongside more traditional text.

Modern Sex Magick - Donald Michael Kraig 2003

This is one of the first books to clearly reveal the secrets of Western sex magick without relying on Tantric theory. It explores the latest scientific discoveries in the field of human sexuality. 55 line illustrations.

High Magick - Damien Echols 2018-10-30

“Magick is not a path for followers; it is a path for questioners, seekers, and anyone who has trouble settling for dogma and pre-formulated answers. Magick is for those who feel the desire to peel away the surface of reality and see what

lies beneath. Like various persecuted forms of mysticism, magick promotes direct contact with the source of creation.” —Damien Echols Discover a Powerful Practice for Transforming Yourself and Your Reality At age 18, Damien Echols was sentenced to death for a crime he didn’t commit. “I spent my years in prison training to be a true magician,” he recalls. “I used magick—the practice of reshaping reality through our intention and will—to stave off incredible pain, despair, and isolation. But the most amazing feat of all that practice and study was to manifest my freedom.” With *High Magick*, this bestselling author shares his first teaching book on the powerful spiritual techniques that helped him survive and transcend his ordeal on death row. Though our culture has consigned “magic” to fiction, stage illusions, or superstitions about dark practices, the magick Damien learned is an ancient Western tradition equal the Eastern practices of Buddhism, Taoism, and yoga in its wisdom and

transformative power. Here he brings you an engaging and highly accessible guide for bringing magick into your own life, including:

- What is High Magick? Damien clears away the stigma and reveals the history and core teachings of this extraordinary art.
- The Four-Fold Breath—a foundational meditation practice to train your mind and body to channel subtle energies.
- The Middle Pillar—how to bring divine energy into the central channel of your body for empowerment and healing.
- The Qabalistic Cross—a centering technique to help you stay balanced and protected regardless of circumstances.
- The Lesser Rituals of the Pentagram—powerful practices for banishing negative energies and invoking energy to manifest your goals.
- Working with angelic beings and other spiritual allies to support your practice.
- Creating thoughtforms to assist you in your ongoing magickal development.
- Guidance for overcoming your doubts, enhancing your visualization skills, creating

talismans, practicing magick ethically, and much more. “Magick is a journey,” writes Damien. “It’s a continuously unfolding path that has no end. You can study and practice magick for the rest of your life and you will still never learn everything that it has to teach you.” If you’re ready to discover your untapped potential for co-creating your reality with the energy of the divine, then join this extraordinary teacher to begin your training in High Magick.

High Magic - Frater U.:D.: 2005

Of course, Magic is Magic wherever. But Ceremonial Magic - with or without a k ending - is perceived as largely European in origin and practice. The Golden Dawn, Aurum Solis, O.T.O were European and even AMORC, B.O.T.A., G.B.G. were mostly European inspired. As valid as these esoteric orders were and are, they are at best schools and the knowledge taught is now widely available. What is key is not the knowledge but the self-accomplishment that comes only through personal experience

(otherwise known as "self-initiation"). The essence of Magic is a simple formula based on the exercise of Will, Imagination, and Gnosis or Magical Trance. It is a "technology" and must be mastered like any technology through understanding and practice. Like playing the piano, it takes discipline to continue practicing basic exercises until it all becomes second nature and can function as an art as well. "And, what for?" Not to perform tricks or miracles. Not to wear fancy robes and chant barbarous words. Not to reach high degrees with grand titles in a secret order. No, it is to transform and transmute your own self and thus to become more than you were, not merely to accelerate normal human evolution but to actually move beyond and be a co-creator. And to finally answer those questions: "Who am I? Where did I come from? Where am I going?" High Magic is an active program for self-discovery and Self-Realization. This book by a famed contemporary German magician self-instructs the student

through a series of basic exercises and real magical practices that train the magician through a consistent program combined with examples and explanations. Each step is thorough without extravagance; the program is effective and entirely self-directed (as must be all real learning); the book is encyclopedic in depth and inclusive even of chaos and cyber magic. Tables and Charts simplify the learning process. The system starts with immediate immersion in ritual practice starting with the Kabbalistic Cross and Lesser Banishing Ritual of the Pentagram and moves through beginning to advanced levels of Practical Sigil Magic, Ritual Magic, Elemental Magic, the Greater Ritual of the Pentagram, Planetary Magic, the Hexagram Ritual, Mantra Meditation, the Magical Gaze, Magical Trance, the Pan Ritual, Money Magic, Talisman Magic, Moon Magic, Chaos Magic and Cyber Magic. In each case, practice is used to instruct - nothing is presented as "theory only." You will find everything analyzed, explained and

justified with refreshing and truly uncommon common sense! The author fully dispels the myths and subterfuges of archaic magical orders and explores the role of the Unconscious Mind, the issues of Religion and Mysticism, the nature of High and Low Magic, the function of Myth and the role of Drama in Ritual, the Magical Nature of Reality and Magical Perception, Dream Work in relation to Magical Training, the Magical Imagination and training for Visualization, Psychic Protection, Invocation and Evocation, the Calling and Movement of Energies, Charging, Paradigm Shifting, what is really means "to Keep Silent, " the power of Intention & definition of Magical Goals, the ritual use of Symbols and Gestures, the power of Words, the Magician's Universe, the magical pronunciation of Hebrew Letters, the Magician's Tools, Mantric Sigils, the IAO formula, and much more. High Magic is as central to Western culture as are science, technology, the rule of law, democracy and the entrepreneurial

economy. Its practice and application should be part of your daily life starting now.

Modern Magick - Donald Michael Kraig 2010
Introduces magick through twelve lessons that describe rituals and concepts such as the Lesser Banishing Ritual of the Pentagram, Kabbalah, astral planes, talismans, and grey magick.

Modern Magic - M. Schele De Vere 2016-11-12
Using various types of occult practices, Vere sheds a light on the types of magic and necromancy practised during the time this book was written. He draws on many sources and educates everyone in where these types of forms came from, who are the major players and how they are being practised in his time.

The Cambridge History of Magic and Witchcraft in the West - David J. Collins, S. J. 2015-03-02
This book presents twenty chapters by experts in their fields, providing a thorough and interdisciplinary overview of the theory and practice of magic in the West. Its chronological scope extends from the Ancient Near East to

twenty-first-century North America; its objects of analysis range from Persian curse tablets to US neo-paganism. For comparative purposes, the volume includes chapters on developments in the Jewish and Muslim worlds, evaluated not simply for what they contributed at various points to European notions of magic, but also as models of alternative development in ancient Mediterranean legacy. Similarly, the volume highlights the transformative and challenging encounters of Europeans with non-Europeans, regarding the practice of magic in both early modern colonization and more recent decolonization.

The Middle Pillar - Israel Regardie 2012-09
2012 Reprint of 1945 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. Israel Regardie, born Francis Israel Regudy (1907-1985) was an occultist and writer, author of books on the Hermetic Order of the Golden Dawn. The exercise known as the "Middle Pillar" was

devised by the Hermetic Order of the Golden Dawn. Regardie expanded upon it and made it public over 60 years ago in the first edition of this book. Since that time, the exercise has been altered and adapted for just about any spiritual use you could think of. It is a mainstay of many Western traditions of magic. The exercise is intended as a technique to break the barrier between the conscious and unconscious. This classic work provides an introduction to magic and occultism while providing directions as to how to perform the Qabalistic Cross, the Lesser Banishing Ritual of the Pentagram and the Middle Pillar exercise. It remains a classic book in the field.

Magick for Beginners - J. H. Brennan 1998
Designed to make Magick accessible to the novice, this guide introduces the many aspects of magic and the occult, and explains in detail several experiments that the reader can try, including producing money and becoming invisible.

Magick of Reiki - Christopher Penczak

2012-11-08

What is Reiki? How has this Japanese healing tradition evolved over the years? How are modern magick practitioners using Reiki energy in their spells and rituals? Christopher Penczak answers these questions and more in his groundbreaking examination of Reiki from a magickal perspective. The history, mythos, variations, and three degrees of Reiki are discussed in depth. Penczak also suggests way to integrate Reiki and magickal practice, such as using Reiki energy for psychic development and with candle magick, crystals, herbs, charms, and talismans. 2005 Coalition of Visionary Resources (COVR) Winner for Best Alternative Health Book!

Praise: "Andrieh Vitimus is the real deal...honest-to-gods, in-your-face magic. Hands-On Chaos Magic is just what it says, and the next best thing to working with the master himself."--Lon Milo DuQuette, author of *The Magick of Aleister Crowley*, *Homemade Magick*, and *Low Magick* "A must-have for any magician."-- Taylor Ellwood, author of *Multi-Media Magic* "Written with intelligence, experience, and a genuine desire to empower readers."--Raven Digitalis, author of *Shadow Magick Compendium* "A usable introduction to the concepts and practical techniques of chaos

magic."--Donald Michael Kraig, author of *Modern Magick* "A well-considered and thorough contribution to the chaos magic current."--Dave Lee, author of *Chaotopia*

Modern Magick - Donald Michael Kraig
2010-11-08

For over two decades, Donald Michael Kraig's *Modern Magick* has been the world's most popular step-by-step guide to working real magic. Tens of thousands of individuals and groups have used this course as their primary instruction manual. Now, greatly revised and expanded, this set of lessons is more complete and relevant to your life than ever. Written with respect for the student, *Modern Magick* will safely guide you—even if you know little or nothing—through a progressive series of practical exercises and rituals, complemented by the knowledge, history, insights, and theory you need to become a successful ceremonial magician. Firmly rooted in the Western magickal tradition yet designed to be fully compatible

with your contemporary practice, this book will help you attain full mastery of all core topics in magick: The inner mysteries of the Kabbalah The most powerful rituals of magick How to create and perform your own rituals True meditation Magickal ethics Astral projection Tools of magick Evocation of spirits Pathworking Tantra and sex magick The importance of the Tarot Talismans and amulets Secrets of visualization Alchemy Psychic self-defense Healing rituals Filled with personal stories and helpful illustrations, along with updated and brand-new material, this new edition of *Modern Magick* features a completely new lesson that reveals the concepts, techniques, and rituals of Neuro-Linguistic Programming, Chaos Magick, and Postmodern Magick. Ideal for beginning, intermediate, or advanced students, and perfect as a manual for magickal temples, this is essential reading for every true magician. "Modern Magick is a modern-day classic. It has become the standard textbook of practical

magickal knowledge for magicians all over the world. We highly recommend it to beginner and adept alike."—Chic Cicero and Sandra Tabatha Cicero, authors of *Experiencing the Kabbalah* and *Self-Initiation into the Golden Dawn Tradition*
