The Leader in Me - Stephen R. Covey 2012-12-11

Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? *The Leader in Me* is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught *The 7 Habits of Highly Effective People* to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

"All my life I've felt on the outside wherever I am, out of the picture, the conversation, at one remove, as though I was the only one able to hear the sounds or words that others can't and deaf to the words that they seem to hear. As if I'm outside the frame, on the other side of a huge, invisible window. But yesterday when I was there with her, I'm certain that you could have drawn a circle around us, a circle I wasn't excluded from, which enclosed us, and for a few minutes, protected us from the world." At thirteen-years-old, with an unusually high IQ and a knack for observing things about other people, Lou Bertignac is not only the youngest in her class at school; she is also the most unusual. Painfully shy, she has few friends, save for Lucas, whose company helps her get through each day. At home, Lou's life is also difficult: Her mother hasn't left the house in years and her father spends his days crying in the bathroom. Lou's world is dark and sad... That is, until she meets No. No is a teenage girl that Lou befriends for the purpose of her school project on homelessness. Despite the different worlds that these two girls come from, a friendship is soon forged between them. No's addition to the household forces Lou and her parents to face the sadness that has been enveloping them for so long — but not without some disruptions along the way.

The Book with No Pictures - B. J. Novak

2014-09-30

A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or just a list of astonishingly goofy sounds like BLAGGITY BLAGGITY and GLIBBITY GLOBBITY. Cleverly

irreverent and irresistibly silly, *The Book with No Pictures* is one that kids will beg to hear again and again. (And parents will be happy to oblige.)

THE LAND OF THE BLESSED VIRGIN - WILLIAM SOMERSET MAUGHAM 1905

Underground Time - Delphine de Vigan 2011-12-01

Everyday Mathilde takes the Metro, then the commuter train to the office of a large multinational where she works in the marketing department. Every day, the same routine, the same trains. But something happened a while ago - she dared to voice a different opinion from her moody boss, Jacques. Bit by bit she finds herself frozen out of everything, with no work to do. Thibault is a paramedic. Every day he drives to the addresses he receives from his controller. The city spares him no grief: traffic jams, elusive parking spaces, delivery trucks blocking his route. He is well aware that he may be the only human being many of the people he visits will see for the entire day and is well acquainted with the symptomatic illnesses, the major disasters, the hustle and bustle and, of course, the immense, pervading loneliness of the city. Before one day in May, Mathilde and Thibault had never met. They were just two anonymous figures in a crowd, pushed and shoved and pressured continuously by the loveless, urban world. *Underground Time* is a novel of quiet violence - the violence of office-bullying, the violence of the brutality of the city - in which our two characters move towards an inevitable meeting. 'Two solitary existences cross paths in this poignant chronicle, a new testimony to de Vigan's superb eloquence' Lire

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

NATIONAL BESTSELLER ONE OF THE BEST BOOKS OF THE YEAR: VOGUE • FORBES • BOOKPAGE • NEW YORK POST • WIRED "I have not been as profoundly moved by a book in years." —Jodi Picoult Even after she left home for Hollywood, Emmy-nominated TV writer Bess Kalb saved every voicemail her grandmother Bobby Bell ever left her. Bobby was a

force—irrepressible, glamorous, unapologetically opinionated. Bobby doted on Bess; Bess adored Bobby. Then, at ninety, Bobby died. But in this debut memoir, Bobby is speaking to Bess once more, in a voice as passionate as it ever was in life. Recounting both family lore and family secrets, Bobby brings us four generations of indomitable women and the men who loved them. There's Bobby's mother, who traveled solo from Belarus to America in the 1880s to escape the pogroms, and Bess's mother, a 1970s rebel who always fought against convention. But it was Bobby and Bess who always had the most powerful bond: Bobby her granddaughter's fiercest supporter, giving Bess unequivocal love, even if sometimes of the toughest kind. *Nobody Will Tell You This But Me* marks the creation of a totally new, virtuosic form of memoir: a reconstruction of a beloved grandmother's words and wisdom to tell her family's story with equal parts poignancy and hilarity.

[The Amazing Book of No](#) - M. K. Mathias
2014-05-05

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to

try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

Gratitude - Delphine de Vigan 2021-01-21

'Extraordinary ... The beating heart of this novel is the exquisite empathy it demonstrates ...

There is a gentle magnificence at work in its pages' Irish Times 'Tender, poignant and heartfelt ... A generous novel that celebrates communication, connection and courage' Daily Mail Marie owes Michka more than she can say - but Michka is getting older, and can't look after herself any more. So Marie has moved her to a home where she'll be safe. But Michka doesn't feel any safer; she is haunted by strange figures who threaten to unearth her most secret, buried guilt, guilt that she's carried since she was a little girl. And she is losing her words - grasping more desperately day by day for what once came easily to her. Jérôme is a speech therapist, dispatched to help the home's ageing population snatch and hold tight onto the speech still afforded to them. But Michka is no ordinary client. Michka has been carrying an old debt she does not know how to repay - and as her words slide out of her grasp, time is running out.

Delicately wrought and darkly gripping, *Gratitude* is about love, loss and redemption; about what we owe one another, and the redemptive power of showing thanks.
