A Mad Desire to Dance - Elie Wiesel 2010-04-13

Now in paperback, Wiesel's newest novel "reminds us, with force, that his writing is alive and strong. The master has once again found a startling freshness."—Le Monde des Livres A European expatriate living in New York, Doriel suffers from a profound sense of desperation and loss. His mother, a member of the Resistance, survived World War II only to die soon after in France in an accident, together with his father. Doriel was a hidden child during the war, and his knowledge of the Holocaust is largely limited to what he finds in movies, newsreels, and books. Doriel's parents and their secrets haunt him, leaving him filled with longing but unable to experience the most basic joys in life. He plunges into an intense study of Judaism, but instead of finding solace, he comes to believe that he is possessed by a dybbuk. Surrounded by ghosts, spurred on by demons, Doriel finally turns to Dr. Thérèse Goldschmidt, a psychoanalyst who finds herself particularly intrigued by her patient. The two enter into an uneasy relationship based on exchange: of dreams, histories, and secrets. And despite Doriel's initial resistance, Dr. Goldschmidt helps bring him to a crossroads—and to a shocking denouement. "In its own high-stepping yet paradoxically heart-wracking way, [Wiesel's novel] can most assuredly be considered beautiful (almost beyond belief)."—The Philadelphia Inquirer

In this inspired, thoughtful, deeply personal essay, from his Charles Eliot Norton lecture series collected as *The Naive and the Sentimental Novelist*, Orhan Pamuk takes us into the worlds of the writer and the reader, revealing their intimate connections. Approaches to Teaching the Works of Orhan Pamuk - Sevinç Türkkkan 2017-10-01

Winner of the Nobel Prize in Literature in 2006, Orhan Pamuk is Turkey's preeminent novelist and an internationally recognized figure of letters. Influenced by both Turkish and European literature, his works interrogate problems of modernity and of East and West in the Turkish context and incorporate the Ottoman legacy linguistically and thematically. The stylistic and thematic aspects of his novels, his intriguing use of intertextual elements, and his characters' metatextual commentaries make his work rewarding in courses on world literature and on the postmodern novel. Pamuk's nonfiction writings extend his themes of memory, loss, personal and political histories, and the craft of the novel. Part 1, "Materials," provides biographical background and introduces instructors to translations and critical scholarship that will elucidate Pamuk's works. In part 2, "Approaches," essays cover topics that support teachers in a range of classrooms, including Pamuk's use of the Turkish language, the political background to Pamuk's novels, the politics of translation and aesthetics, and Pamuk's works as world literature.

Orhan Pamuk - Orhan Pamuk 2020-01-21

The streetscapes of Istanbul as photographed by Nobel prize-winning novelist Orhan Pamuk in an exquisitely printed clothbound edition The dominant color in Orhan Pamuk's new book of photographs is orange. When the Nobel-Prize-winning novelist is finished with the day's writing, he takes his camera and wanders through Istanbul's various neighborhoods, visiting the backstreets of his town, areas without tourists, spaces that seem neglected and forgotten, spaces with a particular light. This is the orange light of Istanbul's windows and streetlamps that Pamuk knows so well from his childhood—from the Istanbul of 50 years ago, as he mentions in his introduction. But Pamuk also observes that the homely, cosy orange light is slowly being replaced by a new, bright and icy white light from new lightbulbs. His photographs from the backstreets of Istanbul record and preserve the cosy effect of this old, disappearing orange light, as well as the recognition of this new white vision. Whether reflected in well-trodden snow, concentrated as a glaring ball atop a lamppost or subtly present as a diffuse haze, orange literally and aesthetically gives shape to Pamuk's pictures, which reveal to us the unseen corners of his home city.

Suddenly, Love - Aharon Appelfeld 2020-04-15

"Aharon Appelfeld is one of the subtlest, most unorthodox, and most exactly perceptive novelists to make the memory of the Holocaust his abiding project." --Philip Gourevitch, *The New Yorker* A lonely older man and his devoted young caretaker transform each other's lives in ways they could never have imagined. Ernst is a gruff seventy-year-old Red Army veteran from Ukraine who landed, almost by accident, in Israel after World War II. A retired investment adviser, he lives alone (his first wife and baby daughter were killed by the Nazis; he divorced his shrewish second wife) and spends his time laboring over his unpublished novels. Irena, in her mid-thirties, is the unmarried daughter of Holocaust survivors who has been taking care of Ernst since his surgery two years earlier; she arrives every morning promptly at eight and usually leaves every afternoon at three. Quiet and shy, Irena is in awe of Ernst's intellect. And as the months pass, Ernst comes to depend on the gentle young woman who runs his house, listens to him read from his work, and occasionally offers a spirited commentary on it. But Ernst's writing gives him no satisfaction, and he is haunted by his godless, Communist past. His health, already poor, begins to deteriorate even further; he becomes mired in depression and seems to lose the will to live. But this is something Irena will not allow. As she becomes an increasingly important part of his life—moving into his home, encouraging him in his work, easing his pain—Ernst not only regains his sense of self and discovers the path through which his writing can flow but he also discovers, to his amazement, that Irena is in love with him. And, even more astonishing, he realizes that he is in love with her, too.

The Girl Who Reads on the Métro - Christine Féret-Fleury 2019-10-08

“With a cast of characters reminiscent of the French film *Amélie*, Féret-Fleury creates a world that is delightful and enchanting...Light and sweet as a bonbon, this little confection of a book is delicious.”
—Kirkus Reviews For fans of *Amélie* and *The Little Paris Bookshop*, a modern fairytale about a French woman whose life is turned upside down when she meets a reclusive bookseller and his young daughter. Juliette leads a perfectly ordinary life in Paris, working a slow office job, dating a string of not-quite-right men, and fighting off melancholy. The only bright spots in her day are her métro rides across the city and the stories she dreams up about the strangers reading books across from her: the old lady, the math student, the amateur ornithologist, the woman in love, the girl who always tears up at page 247. One morning, avoiding the office for as long as she can, Juliette finds herself on a new block, in front of a rusty gate wedged open with a book. Unable to resist, Juliette walks through, into the bizarre and enchanting lives of Soliman and his young daughter, Zaide. Before she realizes entirely what is happening, Juliette agrees to become a passeur, Soliman’s name for the booksellers he hires to take stacks of used books out of his store and into the world, using their imagination and intuition to match books with readers. Suddenly, Juliette’s daydreaming becomes her reality, and when Soliman asks her to move in to their store to take care of Zaide while he goes away, she has to decide if she is ready to throw herself headfirst into this new life. Big-hearted, funny, and gloriously zany, *The Girl Who Reads on the Métro* is a delayed coming-of-age story about a young woman who dares to change her life, and a celebration of the power of books to unite us all.

Orhan Pamuk and the Poetics of Fiction - Umer O. Thasneem 2019-07-08

This volume marks an exhilarating tour through the mesmerizing and labyrinthine fictional world of the Nobel Prize-winning Turkish author Orhan Pamuk. Despite being ranked alongside Marquez, Cortazar, Calvino, Borges and Eco, Pamuk is yet to receive due critical attention in the Anglophone world, where he has millions of readers. This book takes the reader on a fascinating ride through Pamuk’s novels from *The Silent House*, written in the early Eighties, to the recently published *The Red Haired Woman*. He takes us through his own literary journey and the beloved novels of his youth to describe the singular experience of reading. Unique, nuanced, and passionate, this book will be beloved by readers and writers alike.

But Valentin's loyalty is to the great man, who in turn recognizes in the young idealist his own youthful struggle with worldly passions. Nights of Plague - Orhan Pamuk 2022-10-04

A new book by the winner of the Nobel Prize in Literature. Part detective story, part historical epic—a bold and brilliant novel that imagines a plague ravaging a fictional island in the Ottoman Empire. It is April 1900, in the Levant, on the imaginary island of Mingeria—the twenty-ninth state of the Ottoman Empire—located in the eastern Mediterranean between Crete and Cyprus. Half the population is Muslim, the other half are Orthodox Greeks, and tension is high between the two. When a plague arrives—brought either by Muslim pilgrims returning from the Mecca, or by merchant vessels coming from Alexandria—the island revolts. To stop the epidemic, the Ottoman sultan Abdul Hamid II sends his most accomplished quarantine expert to the island—an Orthodox Christian. Some of the Muslims, including followers of a popular religious sect and its leader, Sheikh H, refuse to take precautions or respect the quarantine. And the sultan's expert is murdered. As the plague continues its rapid spread, the sultan sends a second doctor to the island, this time a Muslim, and strict quarantine measures are declared. But the incompetence of the island's governor and local administration and the people's refusal to respect the bans dooms the quarantine to failure, and the death count continues to rise. Faced with the danger that the plague might spread to the West and to Istanbul, the sultan bows to international pressure and allows foreign and Ottoman warships to blockade the island. Now the people of Mingeria are on their own, and they must find a way to defeat the plague themselves. Steeped in history and rife with suspense, Nights of Plague is an epic story set more than one hundred years ago with themes that feel remarkably contemporary.

Sympathy for the Traitor - Mark Polizzotti 2019-01-29

An engaging and unabashedly opinionated examination of what translation is and isn't. For some, translation is the poor cousin of literature, a necessary evil if not an outright travesty—summed up by the old Italian play on words, traduttore, traditore (translator, traitor). For others, translation is the royal road to cross-cultural understanding and literary enrichment. In this nuanced and provocative study, Mark Polizzotti attempts to reframe the debate along more fruitful lines. Eschewing both these easy polarities and the increasingly abstract discourse of translation theory, he brings the main questions into clearer focus: What is the ultimate goal of a translation? What does it mean to label a rendering “faithful”? (Faithful to what?) Is something inevitably lost in translation, and can something also be gained? Does translation matter, and if so, why? Unashamedly opinionated, both a manual and a manifesto, his book invites us to sympathize with the translator not as a “traitor” but as the author's creative partner. Polizzotti, himself a translator of authors from Patrick Modiano to Gustave Flaubert, explores what translation is and what it isn't, and how it does or doesn't work. Translation, he writes, “skirts the boundaries between art and craft, originality and replication, altruism and commerce, genius and hack work.” In Sympathy for the Traitor, he

shows us how to read not only translations but also the act of translation itself, treating it not as a problem to be solved but as an achievement to be celebrated—something, as Goethe put it, “impossible, necessary, and important.”

A Strangeness in My Mind - Orhan Pamuk 2015-10-06

Since his boyhood in a poor village in Central Anatolia, Mevlut Karatas has fantasized about what his life would become. Not getting as far in school as he'd hoped, at the age of twelve, he comes to Istanbul—"the center of the world"-and is immediately enthralled both by the city being demolished and the new one that is fast being built. He follows his father's trade, selling boza on the street, and hopes to become rich like other villagers who have settled on the desolate hills outside the booming metropolis. But chance seems to conspire against him. He spends three years writing love letters to a girl he saw just once at a wedding, only to elope by mistake with her sister. And though he grows to cherish his wife and the family they have, his relations all make their fortunes while his own years are spent in a series of jobs leading nowhere; he is sometimes attracted to the politics of his friends and intermittently to the lodge of a religious guide. But every evening, without fail, he still wanders the streets of Istanbul, selling boza and wondering at the "strangeness" in his mind, the sensation that makes him feel different from everyone else, until fortune conspires once more to let him understand at last what it is he has always yearned for. Told from the perspectives of many beguiling characters, A Strangeness in My Mind is a modern epic of coming of age in a great city, and a mesmerizing narrative sure to take its place among Pamuk's finest achievements.

The New Life - Orhan Pamuk 1998-03-31

From the Nobel Prize winner and the acclaimed author of My Name is Red comes an engaging intellectual thriller and high romance set in Turkey about a young student whose life and identity is uprooted through the single act of reading a book. The protagonist of Orhan Pamuk's fiendishly engaging novel is launched into a world of hypnotic texts and (literally) Byzantine conspiracies that whirl across the steppes and forlorn frontier towns of Turkey. And with The New Life, Pamuk himself vaults from the forefront of his country's writers into the arena of world literature. Through the single act of reading a book, a young student is uprooted from his old life and identity. Within days of reading a book, a young student's old life and identity is uprooted, and he's fallen in love with the luminous and elusive Janan; witnessed the attempted assassination of a rival suitor; and forsaken his family to travel aimlessly through a nocturnal landscape of

traveler's cafes and apocalyptic bus wrecks. As imagined by Pamuk, the result is a wondrous marriage of the intellectual thriller and high romance. Translated from the Turkish by Guneli Gun.

Panorama - H. G. Adler 2012-01-10

Only recently available for the first time in English, *Panorama* is the newly rediscovered first novel of H. G. Adler, a modernist master whose work has been compared to that of Kafka, Joyce, and Solzhenitsyn. A brilliant epic told in ten distinct vignettes, *Panorama* is a portrait of a place and people soon to be destroyed, as seen through the eyes of the young Josef Kramer. It moves from the pastoral World War I-era Bohemia of Josef's youth, to a German boarding school full of creeping prejudice, through an infamous extermination camp, and finally to Josef's self-imposed exile abroad, achieving veracity and power through a stream-of-consciousness style reminiscent of our greatest modern masters. The author of six novels as well as the monumental account of his experiences in a Nazi labor camp, *Theresienstadt 1941-1945*, H. G. Adler is an essential author with unique historical importance. *Panorama* is lasting evidence of both the torment of his life and the triumph of his gifts.

Orhan Pamuk: Balkon - Orhan Pamuk 2018-04-30

In the winter of 2011 Nobel-Prize-winning Turkish novelist Orhan Pamuk took 8,500 color photographs from his balcony with its panoramic view of Istanbul, the entrance of the Bosphorus, the old town, the Asian and European sides of the city, the surrounding hills, and the distant islands and mountains. Sometimes he would leave his writing desk and follow the movements of the boats as they passed in front of his apartment and sailed far away. As Pamuk obsessively created these images he felt his desire to do so was related to a strange particular mood he was experiencing. He photographed further and began to think about what was happening to himself: Why was he taking these photos? How are seeing and photography related? What is the affinity between writing and seeing? Why do we enjoy looking at landscapes and landscape photographs? *Balkon* presents almost 500 of these photos selected by Pamuk, who has also co-designed the book and written its introduction. 'There is genius in Pamuk's madness.' -Umberto Eco

Orhan Pamuk was born in Istanbul and still lives in the family apartment building where his mother first held him in her arms. His portrait of his city is thus also a self-portrait, refracted by memory and the melancholy—or *hüzün*—that all Istanbulers share. With cinematic fluidity, Pamuk moves from his glamorous, unhappy parents to the gorgeous, decrepit mansions overlooking the Bosphorus; from the dawning of his self-consciousness to the writers and painters—both Turkish and foreign—who would shape his consciousness of his city. Like Joyce's *Dublin* and Borges' *Buenos Aires*, Pamuk's *Istanbul* is a triumphant encounter of place and sensibility, beautifully written and immensely moving.

The Tax Inspector - Peter Carey 2015-03-03

From Granny Catchprice, who runs her family business -- and her family -- with senility, cunning, and a handbag full of explosives to sixteen-year-old Benny, who dreams of transforming a failing automobile franchise into an empire -- and himself into an angel -- the Catchprices may be the most spectacularly contentious family since Dostoevsky's *Karamozovs*. But when a beautiful and very pregnant agent of the Australian Taxation Office enters their lives, the resulting collision becomes, in Carey's hands, masterpiece of coal-black humour and compassionate horror.
